'Negroes In East Liverpool' Series

Human Relations Board

RECORD REVIEW. Mayor George Willshaw, right, and Alonzo Spencer, a member of the East Liverpool Human Relations Board, look over records of some of the cases which have been referred to the board in recent months.

(Robert Popp, veteran Review reporter, recently conferred with representatives of the Negroes in our community to air their attitudes and evaluations of East Liverpool on race relations, jobs, housing and other issues. Here is another in a series of stories which have developed from that session and subsequent research.)

By ROBERT POPP

Five years ago, before violent racial demonstrations rocked the major cities of the North, East Liverpool established a 12-member Community Relations Board and gave it a two-fold task: To eliminate discriminatory employment practices and to study the causes of inter-group tensions and recommend remedies.

That group, more commonly called the Human Relations Board, still meets regularly once a month at City Hall to fulfill its obligations as spelled out in the city ordinance which established it.

The ordinance confers upon the board broad powers to investigate and seek to correct alleged discrimination in hiring or the treatment of employes. It also is charged with studying the community's racial, national and religious groups, seeking to find points of friction and then recommending active steps to assure harmony.

But it has no authority to investigate complaints of discrimination arising from situations other than those surrounding hiring practices and treatment of employes. If a man complains that he has been treated in an uncivil way in a tavern or a motel, for instance, the ordinance does not offer any final remedy through the Human Relations Board.

—:—

A ROUNDTABLE discussion with representative members of the East Liverpool Negro community a few weeks ago brought the assertion that Negroes generally were not aware of the existence of the Human Relations Board, and further that they would not know how to process a complaint if they knew the board existed.

The spokesmen also complained that only one Negro is a member of the board.

But members of the Human Relations Board, interviewed after one of their recent meetings, said they could not agree that the board's existence was unknown to the Negro commun-

LONDON (AP) — James Earl Ray, fighting extradition to the United States to stand trial for the murder of Dr. Martin Luther King Jr., asserted today he did not kill the Negro civil rights leader.

The prisoner — who is charged here under the alias of Raymond George Sneyd — took the witness stand in a surprise move and testified. "I have never met Dr. King. I have never had any kind of grudge against him."

LONDON (AP) — James Earl Ray's fingerprints were found on the rifle which U.S. police believe was used to kill Dr. Martin Luther King Jr., a British lawyer representing the U.S. government told London's chief magistrate today in asking for Ray's extradition.

The lawyer, David Calcutt, told Magistrate Frank Milton that Ray's fingerprints were found on a rifle which police recovered after King was shot.

Bullet Examined

"The bullet which killed Dr. King was examined when recovered," he continued, "and there is a strong likelihood that the bullet came from the rifle found by the police."

Calcutt told the crowded Bow Street Court that King was the victim of "a calculated, brutal and senseless murder—a murder that was bitter with irony."

"Though his name was a very password for peace," Calcutt said, "he met a violent death.

The 40-year-old escaped convict was brought into the court today to hear Calcutt outline the U.S. government's case for his extradition.

Fight By Ray Expected

With two British lawyers to defend him, Ray was expected to fight extradition and appeal to the High Court if Milton ruled that he should be returned to the United States. This could extend the process for weeks.

It was Ray's third court appearance under the alias of Raymond George Sneyd, the name on the Canadian passport he was carrying when he was arrested June 8 at London airport. His two previous trips to Bow Street for preliminary hearings had been brief, and the proceedings today provided the first extensive look at the U.S. government's case against him.

Votes Short Of Blocking Confirmation

LBJ Court Appointments Opposed In GOP Petition

WASHINGTON (AP) — Eighteen Senate Republicans have signed a petition opposing President Johnson's appointments to the Supreme Court, far short of the force they must marshal to block confirmation, but enough to make rough going if a filibuster develops.

Signers of the petition so far represent half the Senate's 36 GOP members. More could sign.

If Southern Democrats, loudly critical of the court's liberal rulings, should join the opposition confirmation of Abe Fortas as chief justice and Homer Thornberry as an associate justice could be in doubt.

President Johnson Wednesday named Fortas to succeed the retiring Earl Warren and Thornberry to the vacancy created by Fortas' elevation. Fortas, fourth Jew ever to serve on the court, would be the first to lead it.

The President told a news conference he believes the Senate will confirm both and that he tested the political winds in talks with Democratic and Republican leaders, as well as key committee chairman, before making the decision.

ABE FORTAS

The GOP petition, circulated by Michigan's Robert P. Griffin and California's George Murphy, takes a stand against letting a "lame duck" president fill court vacancies.

Both Griffin and Murphy said it had no bearing on the personalities of Johnson's appointees. In fact the petition was drawn up before Johnson made public his appointment with the object of opposing Johnson's move to name anyone to the court.

Notably missing from the list of signers was Republican Leader Everett M. Dirksen of Illinois.

Dirksen has refrained from taking a stand on the issue, first raised by Griffin. But he would be under increasing pressure if the petition picks up more signatures.

The GOP leader, also top Republican on the Senate Judiciary Committee which will consider the appointments, said both Fortas and Thornberry are

'Ignored,' Men Claim In Walkout

Police And Firemen Will Get $23 Now, Then Negotiate

Incinerator department trash and garbage collectors walked off their jobs this morning as full complements of men returned to duty with the East Liverpool fire and police departments on the heels of a settlement Wednesday night in which Council agreed to grant $23-a-month raises, effective July 1 and "negotiate in good faith" on requests for three additional semi-annual pay boosts stretching into Jan. 1, 1970.

The 13 incinerator department employes reported for work as usual at 7 this morning, but walked out a few minutes later, telling Supt. John Melvin that they had been "ignored" when the pay raises were granted.

—:—

CITY OFFICIALS were conferring with union officers, seeking to persuade the employes to return to their jobs under a signed agreement that calls for arbitration of grievances hrough channels.

The incinerator walkout was called "unauthorized" by James McKinnon, president of Local 677, American Federation of State, County and Municipal Employes.

Council is scheduled to meet in special session tonight at 7 to take the first action on legislation granting the pay boost. Amounting to 5 per cent, it will raise he monthly wage of the rank-and-file members of both

City Employes' Union Sets Special Meeting

In the wake of the incinerator department workers' walkout this morning, a special meeting was called for Monday night at 7:30 at the old IBOP Building for all city employes who are members of Local 677, American Federation of State, County and Municipal Employes.

Union officers said John Kelly and Lewis Campbell, both of Youngstown and both business agents for AFSCME District Council 18, will explain the local union's position in view of continuing negotiations with City Council

To Join Mobile Striking Forces

U.S. Troops Abandoning, Leveling Khe Sanh Base

SAIGON (AP) — U.S. troops are abandoning and leveling the Khe Sanh combat base, freeing its defenders to join mobile strike forces combating increased enemy forces in South Vietnam's northernmost provinces.

The U.S. Command said abandonment of the base in the northwest corner of South Vietnam where U.S. Marines took more than 2,300 casualties in a 77-day siege last winter "is part of a new concept of mobile warfare being put into operation" below the demilitarized zone, said Brig. Gen. Winant Sidle, chief of information for the U.S. Command.

Bunkers To Be Closed

"Khe Sanh will be leveled, bulldozed and the bunkers closed up," said Sidle. "It's already under way."

On the ground, South Vietnamese troops reported killing 125 enemy troops in a running battle east of Quang Tri City and 19 miles below the demilitarized zone. Government casualties were put at seven killed and 50 wounded.

South Vietnamese infantrymen also uncovered a huge cache of weapons 12 miles west-northwest of Saigon that included 126 rounds of big Russian and Chinese rockets of the type that have been used in shelling the capital.

U.S. Downs MIG

In the air war, over North Vietnam, the U.S. Comand reported that Navy F8 Crusader pilots sighted two Communist MIG21s 12 miles south of the 19th parallel Wednesday and downed one with air-to-air missiles.

It was the first MIG shot down since Feb. 14 and the first since President Johnson ordered a bombing curtailment March 31, limiting American pilots to targets below the 19th parallel.

U.S. pilots now are credited with downing 106 MIGs in aerial combat compared to 47 U.S. planes lost to the MIGs.

U.S. headquarters also reported that on Tuesday Navy pilots spotted three MIGs northeast of the coastal city of Vinh and fired on them. The MIGs headed north above the 19th parallel, apparently undamaged.

Defense Line Moved

The western anchor of the allied defense line below the demilitarized zone is being moved 10 miles to the east, to a supply base with an airstrip known as Landing Zone Stud.

Because of the importance U.S. officers publicly put on Khe Sanh while it was under siege for 77 days last winter, its abandonment is a propaganda setback for the United States. But veteran observers of the war don't think the American military position is reduced significantly.

The allies poured 5,500 Marines and 500 South Vietnamese troops into Khe Sanh's bunkers. Before the North Vietnamese pulled back and a 20,000-man relief force lifted the siege on April 6, more than 300 Americans were killed and more than 2,000 wounded. The U.S. Com-

Effort To Put Pressure On Congress

Economic Boycotts Slated By Poor, Leader Reveals

WASHINGTON (AP) — A Poor People's Campaign leader says a new tactic—economic boycotts in about 40 cities—will begin in downtown Washington next week in an effort to put new pressure on Congress.

The leader, Jesse Jackson, said the aim of the boycott against specific products will be to force businessmen to pressure Congress for appropriations to relieve hunger and malnutrition among the nation's poor.

Other Cities Not Named

Jackson did not name the other target cities.

In another new tactic, the campaign asked a federal court injunction Wednesday to force Secretary of Agriculture Orville Freeman to use $227 million for food for the poor.

Freeman said the money is earmarked to support perishable food prices and is to be turned back to the federal Treasury June 30 because he has no authority from Congress to use it for any other purpose.

In other developments:

— The Rev. Andrew Young, a campaign leader, said the homes and offices of all 26 House Agriculture Committee members will be picketed over the food-stamp issue. Although the committee voted Wednesday to increase the food-stamp program's authorized ceiling from $225 million to $245 million, it rejected a four-year extension of the program with no monetary ceiling.

50 Permitted In House

—About 50 demonstrators were permitted in the House gallery after they broke up into small groups and obtained passes from Rep. John Conyers, D-Mich. No demonstrations are permitted on Capitol Hill.

The mules for the campaign's symbolic wagon train were impounded Wednesday by U.S Park Jolice who said the animals were not getting proper care.

But the Interior Department said later a Washington woman, Mrs. Marilyn Riviere, had arranged to pay a month's board for the mules at a horse farm in Columbia, Md., and said she would pay to transport the mules to Washington when needed for demonstrations.

Jackson had said before that target products for the boycott now planned to begin in Washington next week would include salmon and grapes.

He said salmon would be boycotted in support of Indian fishing claims in the Pacific Northwest and grapes in support of Mexican-American labor organizing efforts in the West.

The Jefferson County sheriff's department is investigating a safecracking at the Hammondsville Post Office some time during the early morning.

McNea Assignments Hit

ELTA Board Spurns Bid To Abolish Intramurals

The board of directors of the East Liverpool Teachers Association today announced it had turned down a proposal from School Supt. Paul Blair for terminating intramural sports as a means of equalizing a disputed teaching assignment.

Supt. Blair said this morning the intramural program is not a factor in the talks with the teachers.

The intramural program will definitely be abolished next term because of closed lunch periods at the school cafeterias will not permit the activities, he said.

The ELTA statement emphasized the issue is not one based against an individual, but against a preferential practice which is a waste of taxpayers' money and education resources.

The issue involves the teaching assignment and extra assignments of Robert McNea, football coach, athletic director, boys' intramural director and boys' physical education teacher.

Thirty-six high school teachers and 44 other instructors have signed a grievance petition concerning the claimed inequity, declaring a morale problem has developed.

The grievance has been taken to the administrators and to the board of education.

Steel Talks Staged Under News Blackout

PITTSBURGH (AP)—Negotiators met under a news blackout today trying to create a new labor contract for the basic steel industry before Aug. 1.

There was no official word on progress, or lack of it, in the split-level bargaining with the nation's 11 largest producers.

Officials of the companies and the United Steelworkers Union have agreed to make announcements only when agreements are reached. In the past, there were daily progress reports.

House Okays $17.2 Billion For Welfare

WASHINGTON (AP) — The House cut deeply into anti-poverty funds, then reversed itself Wednesday night and restored the money before sending to the Senate a $17.2-billion appropriations bill for a group of social, medical and educational agencies.

The final amount approved for the Office of Economic Opportunity, administrator of the poverty program, fell $307 million below the administration's request because of previous cuts by the Appropriations Committee.

An amendment offered Wednesday night by Rep. William J. Scherle, R-Iowa, that cut another $100 million, was first approved by nonrecord voice vote.

Opponents forced a roll call, however, and the measure was finally passed 220 to 181 as a contingent from the Poor People's campaign watched silently in the gallery.

City Requests July Bids On Street Work

Mayor George E. Willshaw and Safety - Service Director Robert E. Vodrey will open bids at City Hall at noon Monday, July 15, for improvements in St. Clair Ave., the River Rd. and Washington St. estimated to cost about $100,000.

Vodrey has prepared a legal notice for contractors' bids which will appear for the first time Friday.

The project calls for resurfacing and other improvements on St. Clair Ave. from 6th St. to Princeton Ave., the River Rd. and an adjoining block of lower Broadway and Washington St. between E. 3rd and E. 4th Sts.

Council authorized the administration's call for bids in legislation enacted in mid-June. Earlier, Council provided for a $100,000 bond issue to cover the anticipated cost of the program.

The improvement in St. Clair will tie in with the new three-lane section of the roadway, which begins at Princeton Ave. and runs to the north city limits.

Steel Talks Staged Under News Blackout

PITTSBURGH (AP)—Negotiators met under a news blackout today trying to create a new labor contract for the basic steel industry before Aug. 1.

There was no official word on progress, or lack of it, in the split-level bargaining with the nation's 11 largest producers.

Officials of the companies and the United Steelworkers Union have agreed to make announcements only when agreements are reached. In the past, there were daily progress reports.

House Okays $17.2 Billion For Welfare

WASHINGTON (AP) — The House cut deeply into anti-poverty funds, then reversed itself Wednesday night and restored the money before sending to the Senate a $17.2-billion appropriations bill for a group of social, medical and educational agencies.

The final amount approved for the Office of Economic Opportunity, administrator of the poverty program, fell $307 million below the administration's request because of previous cuts by the Appropriations Committee.

An amendment offered Wednesday night by Rep. William J. Scherle, R-Iowa, that cut another $100 million, was first approved by nonrecord voice vote.

Opponents forced a roll call, however, and the measure was finally passed 220 to 181 as a contingent from the Poor People's campaign watched silently in the gallery.

'Ignored,' Men Claim In Walkout

Police And Firemen Will Get $23 Now, Then Negotiate

Incinerator department trash and garbage collectors walked off their jobs this morning as full complements of men returned to duty with the East Liverpool fire and police departments on the heels of a settlement Wednesday night in which Council agreed to grant $23-a-month raises, effective July 1 and "negotiate in good faith" on requests for three additional semi-annual pay boosts stretching into Jan. 1, 1970.

The 13 incinerator department employes reported for work as usual at 7 this morning, but walked out a few minutes later, telling Supt. John Melvin that they had been "ignored" when the pay raises were granted.

—:—

CITY OFFICIALS were conferring with union officers, seeking to persuade the employes to return to their jobs under a signed agreement that calls for arbitration of grievances hrough channels.

The incinerator walkout was called "unauthorized" by James McKinnon, president of Local 677, American Federation of State, County and Municipal Employes.

Council is scheduled to meet in special session tonight at 7 to take the first action on legislation granting the pay boost. Amounting to 5 per cent, it will raise he monthly wage of the rank-and-file members of both

City Employes' Union Sets Special Meeting

In the wake of the incinerator department workers' walkout this morning, a special meeting was called for Monday night at 7:30 at the old IBOP Building for all city employes who are members of Local 677, American Federation of State, County and Municipal Employes.

Union officers said John Kelly and Lewis Campbell, both of Youngstown and both business agents for AFSCME District Council 18, will explain the local union's position in view of continuing negotiations with City Council

City Requests July Bids On Street Work

Mayor George E. Willshaw and Safety - Service Director Robert E. Vodrey will open bids at City Hall at noon Monday, July 15, for improvements in St. Clair Ave., the River Rd. and Washington St. estimated to cost about $100,000.

Vodrey has prepared a legal notice for contractors' bids which will appear for the first time Friday.

The project calls for resurfacing and other improvements on St. Clair Ave. from 6th St. to Princeton Ave., the River Rd. and an adjoining block of lower Broadway and Washington St. between E. 3rd and E. 4th Sts.

Council authorized the administration's call for bids in legislation enacted in mid-June. Earlier, Council provided for a $100,000 bond issue to cover the anticipated cost of the program.

The improvement in St. Clair will tie in with the new three-lane section of the roadway, which begins at Princeton Ave. and runs to the north city limits.

Rhodes-Lindsay Ticket Will Get Cuyahoga Help

CLEVELAND (AP) — Cuyahoga County's delegates and alternates to the Republican national convention have pledged to support a Rhodes - Lindsay ticket at a caucus of Ohio's 58 delegates in Columbus Friday.

The action was taken at a caucus of the county delegation Wednesday at which the group voted to remain united behind the favorite son candidacy of Gov. James A. Rhodes for president and to support New York Mayor John V. Lindsay for vice president.

The moves were aimed at helping keep the state delegation uncommitted to either former vice president Richard M. Nixon or New York Gov. Nelson A. Rockefeller for the presidential nomination until the convention.

The Cuyahoga County delegation also voted to urge the Ohio delegates to recommend re-election of Ray C. Bliss as Republican national chairman and the National committeeman from Ohio.

County 1 Of 18 In Pork Council

LISBON — Columbiana is one of 18 counties in the recently-organized Northeast Ohio Pork Producers Council.

Carroll Shultz of West Salem, president, plans a series of meetings throughout the area (District 9) to explain the "nickel - for - profit" program and to encourage active membership.

He said emphasis will be placed on securing the "nickel investment checkoff" for market hogs and 2 cents per head for feeder pigs sold.

The Ohio Pork Producers Council was one of 25 which joined with the national council in January to launch the nickel-for-profit program. Members of the Ohio council have requested several livestock markets to deduct 5 cents per head for market hogs.

Dr. Charles M. Martin, area extension agent for animal industry at the Ohio Agricultural Research and Development Center near Wooster, said money raised through this "self-help" program is to be used for research to improve herd health, carcass leanness and consumer education.

Fund Tranfer OK'd For Children's Aid

COLUMBUS, Ohio (AP)—The State Controlling Board has approved the transfer of $8.7 million in Aid to Dependent Children matching funds from fiscal 1968 to fiscal 1969.

Welfare Director Denver L. White said the funds would be needed this fiscal year to maintain aid payments at the present levels.

The funds had originally been set aside by the legislature for matching county expenditures under a plan intended to allow increases in ADC payments during the current fiscal year.

Only three counties — Lake, Huron and Henry — authorized the increased payments and made any claim on the matching funds.

Bandleader's Rites To Be Held Friday

CLEVELAND (AP) — Services for Clinton W. "Clint" Noble, Cleveland bandleader, will be Friday at St. Paul's Episcopal Church in Cleveland Heights.

Noble, 62, president of the Noble - Bergner Agency, Inc., died Wednesday after suffering an apparent heart attack in his car in Shaker Heights.

He began playing the drums at the age of 15 and at one time played for Austin Wylie's band. He also had been with the Paul Whiteman, Guy Lombardo, Ted Weems and Tommy Dorsey orchestras.

Humphrey Schedules Major Policy Talk

CLEVELAND (AP)—Aides to Vice President Hubert H. Humphrey said Wednesday he will make a major policy statement on urban affairs in an address to the City Club Forum next Tuesday.

The Democratic nominee for president will be here 24 hours, from 6:15 p. m. Monday until Tuesday night.

The vice president also agreed to the traditional question period at the City Club meeting, to be held in the Hotel Sheraton-Cleveland.

ity. They asserted that its existence, as well as its history and its functions, are known pretty generally to Negro leaders, and to others who participate regularly in the affairs of churches, civic organizations and groups such as the National Association for the Advancement of Colored People.

The City Code shows the Community Relations Board was established by Ordinance No. 44, enacted by Council in 1963. The legislation requires the board to meet at least once a month, except in the traditional vacation season during July and August.

The commission meets the first Thursday of each month in Mayor George E. Willshaw's office. The mayor is the permanent chairman, the ordinance provides.

—:—

THE BOARD is divided into two working committees — the Commission on Employment Practices and the Inter-Group Relations Commission.

It is the Inter-Group Relations Commission which has the duty of analyzing possible friction points and seeking to work out understanding and tolerance. The Commission on Employment Practices has the job of investigating alleged discriminatory practices and seeking to work out solutions. Each subcommission is comprised of five members.

The Commission on Employment Practices is designated to "receive and investigate and seek to adjust all complaints of unfair employment practices as hereinafter defined, provided that the complaint is made to the commission within 60 days of such alleged unfair practice."

The section on unfair employment practices makes it unlawful for "employers, labor unions, employment agencies and others subject to this chapter to:

"Discriminate against any person with regard to hiring, discharge, tenure, upgrading, terms or conditions of employment or union membership solely on the grounds of race, religious creed, color, national origin or ancestry.

—:—

"PUBLISH or cause to be published any notice or advertisement relating to employment or membership which contains any specification or limitations as to race, religious creed, color, national origin or ancestry.

"Require of any applicant as the conditions or employment or membership any information concerning his race, religious creed, color, national origin or ancestry.

"To fail or refuse to classify properly, refer for employment or otherwise discriminate against any individual because of his race, color, religion or national origin or ancestry.

"To discriminate against any individual or to limit, segregate or classify its membership in any way which would deprive or tend to deprive such individual of employment opportunities or would limit his employment opportunities or otherwise adversely affect his status as an employe or as an applicant for employment or would adversely affect his wages, hours or employment conditions because of such individual's race, religious creed, color, national origin or ancestry.

—:—

"TO PENALIZE or discriminate in any manner against any individual because he has opposed any practice forbidden by this chapter or because he has made a charge, testified or assisted in any manner in any investigation proceeding or hearing thereunder.

"Aid, abet, encourage or incite the commission of any discrimination in employment practice prohibited by this chapter."

The commission is empowered to make an investigation on its own initiative or whenever a complaint has been filed. The ordinance requires the commission to determine the facts, and if it finds "probable cause" for a complaint, to attempt an adjustment "by education, persuasion, reconciliation and conference."

If the commission is unable to adjust the differences, it is required to report its findings to the full board. And if the board does not work out a satisfactory adjustment of the complaint within 30 days, it is required to schedule a public hearing.

The respondent (the person against whom the complaint has been filed) is granted the right to file an answer to the complaint, testify in his own behalf, be represented by counsel and examine and cross-examine witnesses.

—:—

THE BOARD IS required to decide if the respondent committed the discriminatory practice. A two-thirds vote is required for an affirmative decision. The board then is empowered to issue an order directing an end to the discriminatory practice. The board has the power to require proof of compliance. If the respondent declines to comply, the board is required to certify its findings to the city solicitor for legal proceedings.

The ordinance provides a maximum fine of $100 upon conviction of violation of any of its provisions.

Employers of less than 12 persons are exempt from the provisions of the ordinance. It also exempts "any religious organization or institution whose membership or service is limited to persons of a single faith; any private organization having a purely social or fraternal purpose, and any type of employment where religion, religious creed or nationality would usually and normally be considered an essential qualification of employment."

The Inter - Group Relations Commission is charged with making investigations and reporting regularly to the full board.

Its duties and responsibilities are:

"To study the causes of intergroup tensions which may exist and to formulate and carry out a comprehensive educational program designed to:

"Cultivate better relations between racial, national and religious groups, working toward the elimination and prevention of all undemocratic barriers that curb equality of rights and opportunities and that produce prejudice or discrimination based upon race, color, religion, national origin or ancestry.

—:—

"HELP BUILD a community where people will learn increasingly to act on the basis of the facts and accept or reject a person on the basis of individual merit, regardless of race, color, religion or national origin.

"Recognize and emphasize the value of cultural differences and encourage various cultural groups to share fully in community life.

"Build a city where all the people will increasingly understand and appreciate the composite character of the American population.

"To assemble and analyze factual data concerning racial and religious discrimination and other related practices in the areas of housing, transportation, education, health service, civil rights, recreation and law and order.

"To confer and cooperate with and furnish technical assistance to employers, labor unions, employment agencies and other public and private agencies in formulating educational programs for the elimination of prejudice and discrimination based on race, color, religion, national origin or ancestry and to stimulate the establishment of committees for this purpose in industry, labor, civic life and other areas.

—:—

"TO MAKE technical studies and prepare and disseminate educational material relating to discrimination and prejudice and ways and means of reducing and eliminating it.

"To formulate and prepare recommendations for the enactment of such ordinances and other legislation as they deem necessary."

The original 12-member board was established in a way seeking to represent a cross-section of the community. Its members included a Negro, a Jew, a Catholic, a Protestant, a Democrat, a Republican, a school official, a merchant, a union representative and so forth. The commission's composition remains essentially the same, from that standpoint.

The membership includes: Carl Werner, Mrs. Helen Beck, Mrs. Edna Jones, Mrs. Harold Allison, Alonzo Spencer, Mrs. Lawrence Applegate, Mike Turk, James Locke, Paul Standley, Mrs. Helen Polen and the Rev. Gene Toot. The 12th member, James Moss, resigned recently and his vacant post has not been filled.

The five - member Commission on Employment Practices is comprised of Locke, Mrs. Allison, Mrs. Polen, Standley and Spencer.

able men and he has "no personal reservations" about their appointments.

Sen. Howard Baker Jr., however, the Tennessee Republican who is Dirksen's son-in-law and a signer of the petition, said "the mood of Congress and the country is in disagreement with the views of the Supreme Court on many issues."

"In this light," he added, "It is important that a new administration and the American people not be deprived of the right to fill these positions."

Baker also said that Fortas and Thornberry and "long-time political associates of the President," and that he therefore doubted "the necessary confidence in and respect of the high court can be established on that basis."

Democrats generally praised Johnson's selections, but the Southerners were silent on what course they would pursue.

Since Thornberry and Fortas have taken stands on the liberal sides in cases involving such things as civil rights, they could be expected to side with liberals on the court.

Generally, and especially in landmark decisions on personal liberties, the court has voted 5-4 with Warren, Fortas, William O. Douglas, William J. Brennan Jr., and Hugo L. Black the majority.

If that trend holds, the addition of Thornberry would give the liberal majority a 6-3 edge.

No date has been set for the committee's hearings on the nominations, but indications are that none will be held until after Congress returns on July 8 from the Fourth of July holiday.

Griffin said in an interview that he felt a filibuster would be justified to block confirmation.

However, Majority Leader Mike Mansfield, D-Mont., said that, if necessary, adjournment of Congress will be postponed beyond the Aug. 2 target date to win confirmation of Fortas and Thornberry.

He said Congress could return between the Republican and Democratic National Conventions or after they have been held.

One Republican senator reported privately that many of his colleagues are furious, both about the timing of Warren's resignation and Johnson's attempt to make Supreme Court appointments before he leaves office.

He said there is likely to be a blowup that will force a delay in the adjournment of Congress.

Richard M. Nixon, the frontrunner for the GOP presidential nomination, said he anticipates substantial opposition to the nomination of Fortas but that it is quite likely to be approved.

The GOP senators listed as signing the petition against confirmation of Johnson's appointees; in addition to Griffin, Murphy and Baker, are:

Thruston B. Morton of Ky., Hirman L. Fong of Hawaii, Milton R. Young of N. D., Frank Carlson of Kan., Paul J. Fannin of Ariz., Strom Thurmond of S. C., Jack Miller of Iowa, Carl T. Curtis of Nebr., Clifford P. Hansen of Wyo., Len B. Jordan of Idaho, Norris Cotton of N. H., Karl E. Mundt of S. D., Wallace F. Bennett of Utah, Gordon Allott of Colo., and John J. Williams of Del.

able men and he has "no personal reservations" about their appointments.

Sen. Howard Baker Jr., however, the Tennessee Republican who is Dirksen's son-in-law and a signer of the petition, said "the mood of Congress and the country is in disagreement with the views of the Supreme Court on many issues."

"In this light," he added, "It is important that a new administration and the American people not be deprived of the right to fill these positions."

Baker also said that Fortas and Thornberry and "long-time political associates of the President," and that he therefore doubted "the necessary confidence in and respect of the high court can be established on that basis."

Democrats generally praised Johnson's selections, but the Southerners were silent on what course they would pursue.

Since Thornberry and Fortas have taken stands on the liberal sides in cases involving such things as civil rights, they could be expected to side with liberals on the court.

Generally, and especially in landmark decisions on personal liberties, the court has voted 5-4 with Warren, Fortas, William O. Douglas, William J. Brennan Jr., and Hugo L. Black the majority.

If that trend holds, the addition of Thornberry would give the liberal majority a 6-3 edge.

No date has been set for the committee's hearings on the nominations, but indications are that none will be held until after Congress returns on July 8 from the Fourth of July holiday.

Griffin said in an interview that he felt a filibuster would be justified to block confirmation.

However, Majority Leader Mike Mansfield, D-Mont., said that, if necessary, adjournment of Congress will be postponed beyond the Aug. 2 target date to win confirmation of Fortas and Thornberry.

He said Congress could return between the Republican and Democratic National Conventions or after they have been held.

One Republican senator reported privately that many of his colleagues are furious, both about the timing of Warren's resignation and Johnson's attempt to make Supreme Court appointments before he leaves office.

He said there is likely to be a blowup that will force a delay in the adjournment of Congress.

Richard M. Nixon, the frontrunner for the GOP presidential nomination, said he anticipates substantial opposition to the nomination of Fortas but that it is quite likely to be approved.

The GOP senators listed as signing the petition against confirmation of Johnson's appointees; in addition to Griffin, Murphy and Baker, are:

Thruston B. Morton of Ky., Hirman L. Fong of Hawaii, Milton R. Young of N. D., Frank Carlson of Kan., Paul J. Fannin of Ariz., Strom Thurmond of S. C., Jack Miller of Iowa, Carl T. Curtis of Nebr., Clifford P. Hansen of Wyo., Len B. Jordan of Idaho, Norris Cotton of N. H., Karl E. Mundt of S. D., Wallace F. Bennett of Utah, Gordon Allott of Colo., and John J. Williams of Del.

Clean Up The 'Front Door'

The recent Three Rivers Improvement And Development (TRIAD) Corp. festival at Pittsburgh was a successful effort to bring public attention upon the economic and recreational benefits of the Ohio, Allegheny and Monongahela Rivers.

The water show was only a prelude to the ambitious plans of TRIAD officials to clean up the river banks, spur a beautification program and develop parks, parklets and marinas along the streams.

Ohio Valley residents know well the picture of trash, industrial waste piles, rusted barges, weeds, abandoned shanties and filth along the river's shores.

Increasingly successful efforts to eliminate pollution from the Ohio and the growing use of its waters for recreation only underscore the neglect along its banks.

The TRIAD program at Pittsburgh should inspire renewed efforts in the East Liverpool district to bring about a concentrated program of private and governmental improvement of the river's shores.

Apart from the economic potential of the tourist and boater traffic here, there is increasing sentiment among sportsmen's and civic organizations to make the shore areas more attractive simply out of a feeling of community pride.

Some attempts have already been made by the City Park Commission along these lines. But it might well be that a coordinated program involving Chester, Newell, Wellsville, East Liverpool and Midland area groups could work on a broader scale for real achievement in the years ahead.

Plans by Ohio and Pennsylvania for the further development of the Beaver Creek area are indications of the importance attached to the recreational resources around us.

The immediate environment of the Ohio River cannot be overlooked as a fundamental part of these resources, for the river is once again "front door" of our valley, rather than a "back door" which it became when the railroad replaced the steamboat.

A Threat To Unionism

There has been speculation of late that the injudicious use of power coupled with the fear of loss of face on the part of union leaders may be responsible for unions representing a declining percentage of American workers in recent years.

A case in point is the Detroit newspaper strike. Another is the strike by Actors Equity which closed New York City's major theaters.

In both of these strikes substantial offers were made by management but apparently the unions felt that, regardless of how much they could get peacefully, they could win more by displaying their muscle.

WHAT THEY DID OBTAIN in the actors' strike was so substantial that three Broadway show producers closed their shows permanently, contending that the union demands had inflated the production costs to the point that they could not make a go of it.

They declared that the number of new shows has been declining in recent years for this reason. Producers and investors simply will not take the greatly increased financial risk, they contend. Consequently there is less and less work and opportunity for aspiring actors and actresses.

In Detroit, where the newspaper strike has been going on since last November, union leaders have been charged with "giving way to the pressures of panic, greed and their own urgent need to save face."

Although the newspaper guild is not striking the two Detroit papers, 13 other unions are. The shutdown was triggered by the teamsters who settled for an improved contract.

The other 13 unions, however, were unwilling for the teamsters' settlement to become a pattern for all and so they went on strike. There are other issues involved also and the bitterness in this dispute has become extreme.

Prolonged strikes in the past have meant the death of a newspaper. It could happen in Detroit.

When theaters and plays are closed permanently and newspapers put out of business, it raises again the fear of killing the goose that lays the golden egg.

CONTEMPLATING the inevitable result of unreasonable demands and excessive application of power on the part of union leaders, potential union members may be avoiding organization — seeing it as threatening destruction of their jobs.

Unionism, which has come to be accepted as a fundamental part of this nation's economic establishment and which has been responsible for greatly improving the living standards of American workers, can undo much of the good it has achieved if its leadership goes off on tangent which is not designed entirely to enhance the members interest.

Medicare Tax May Be Inadequate

If hospital use by the elderly under medicare continues running 15 per cent higher than originally expected, look for an increase in medicare taxes.

Robert Myers, chief actuary for the Social Security Administration, says it would be a good day for cost estimates if utilization of hospitals by the elderly would decline.

But at the same time he warned that if the 15 per cent higher use over and above the original estimates continues for two years it will be necessary to ask Congress for a two-tenths of one per cent hike in Social Security taxes, employer and employe combined, to offset the increase.

If that becomes a reality, then the total medicare tax ultimately would rise to 2 per cent.

The medicare taxes, levied equally on employer and employe, (effective only since last year) currently total 1.2 per cent of earnings up to $7,800 a year. They are scheduled to be upped to 1.8 per cent by 1987.

Because of the increased hospital use, medicare costs are running about $500 million a year more than had been forecast.

The program's expenditures for hospital and nursing-home care are expected to total $3.8 billion in the fiscal year ending June 30.

Water Supply Is Comforting

Regardless of what else happens weatherwise this year, at least the midwest and northeast sections of our nation have started the summer months with water reservoirs filled near to the brim.

The heavy rains of May and June have washed away the threat of a repeat of last year's northeast water shortage.

Hydrologists were uneasy at the end of April, when that month showed a far less than normal amount of rainfall.

But water specialists in Washington said May and June rains produced record and near-record flows in Ohio, New Jersey and New York, reversing the downward trend in water supply.

Water officials throughout the northeast states say they still have nightmares about the five-year drought of 1961 to 1966, when New York City's water supply dropped to less than 25 per cent of its reservoir capacity.

Last week, New York's water supply was more than 100 per cent of capacity. That's possible because the capacity is measured up to the spillways of the reservoirs and there is some water storage above that line at certain points.

Feast or famine, too little or too much. If you're not satisfied don't be impatient. Whatever you're complaining about now will reverse itself and you can later complain about the opposite extreme.

Air Service To Russia

The Civil Aeronautics Board and President Johnson have approved a request by the Soviet Airline Aeroflot to begin jet service between Moscow and New York.

An intermediate stop at Montreal, Canada, is included.

This action also paved the way for New York-Moscow flights by Pan American World Airways, which already had approval to provide matching service to Russia when Aeroflot's application was allowed.

Although no date has been set, U.S.-Russian service is expected to start this summer.

At present, no scheduled flights operate between the U.S. and Russia, only specific charters allowed by the two nations.

Perhaps this is a forerunner of a spirit of cooperation that could extend into other areas.

End Auto Controls

By Art Buchwald

WASHINGTON — The Committee to Abolish the Registration of Automobiles and the Licensing of Drivers has just opened up a lobby in Washington nnd I was happy to visit with Roger Crash, their spokesman.

Art Buchwald

Mr. Crash said, "We have formed this organization because the constitutional rights of all automobile drivers are at stake. There is no reason why anybody should not be allowed to own and drive an automobile in this country without his rights being infringed by local, state and federal authorities."

"Obviously you're against registration of vehicles, then?"

"We certainly are. Most people who drive should not be inconvenienced by some bureaucrat who wants to know what they intend to use a car for. There is a conspiracy in this country to get everyone to register their automobiles, so they eventually can be taken away from them."

"WHO IS BEHIND the conspiracy?"

"The Communists. They know that Americans would collapse overnight if their automobiles were confiscated. This country is going through an hysterical period right now. They blame all the automobile deaths and accidents on the drivers. But you're not going to prevent accidents by asking people to register their vehicles. If somebody wants a car to kill somebody, he'll find it, no matter how many laws you have."

"You're also against a driver's test, aren't you?"

"We certainly are. Why should you penalize the law-abiding average driver by making him take a driver's test, just to catch a few nuts who are outside the law?

"BY ASKING SOMEONE to take a driver's test, you are subjecting him to indignity and guilt by association. You cannot punish the car-loving citizen who only uses his automobile for pleasure, in order to prevent accidents caused by lawless elements of our society."

"Mr. Crash, one of the arguments for registering automobiles and making people take a driver's test is that it prevents the vehicles from getting into the hands of children, criminals and unstable people who might cause accidents."

"The bleeding hearts and do-gooders use this argument all the time, but the automobile is part of our American birthright. Has it ever occurred to you that in every police state the dictators make their people register their automobiles and take a driver's test?"

"Is your society for doing away with traffic laws as well?"

"We are against what would inconvenience a driver in any way. People must be free to do what they want with their automobiles. Our economy depends on motor vehicles. Every time you pass a traffic law you discourage someone from buying a car. Traffic laws do not prevent accidents; people prevent accidents."

"HOW DO YOU PROPOSE to repeal the registration and driving test laws that are now on the books?"

"By launching a mammoth letter campaign. We're going to ask everyone who owns a car to write his congressman and senator demanding the repeal of all laws having to do with motor vehicles. This is an election year and, I assure you, our legislators are paying attention to their mail."

"I must admit you make a strong case against automobile controls. Do you think you have a chance?"

Mr. Crash replied, "There is now a big hue and cry about automobile accidents in this country, but it will die down soon. And then our lobby will really be able to go into action. We're tax-free, you know."

Letter To The Editor

Playrites Choice Criticized

This concerns the Ceramic Playrites theater group which recently presented its first plays at the Liberty Theater in Wellsville. We have read off their aspirations, and I have looked forward to seeing their presentations.

The choice of plays has caused me to lose faith in the group. Two one - act plays were given, with the acting exceptionally well done by all in both plays. The second play was amusing and delightful and acceptable.

However, in my moral judgment, the first play was not acceptable. I had considered taking my mother to the play, but went to see them without her. If I had taken her, I would have been too ashamed to have endured it, because of the concept and conservation.

True, it did portray the modern American way of life. We can get all we want of that type of entertainment right at home on our own TV set, or see more than we care to in real everyday life.

I would rather see something a little different at the theater, especially something more uplifting from our own community group.

This first presentation would have been overlooked had I not read of the choice of "Never Too Late" for the next play to be presented. Not too long ago that story in the form of a motion picture was shown in our area. It is nothing but plain sex promotion and low key amusement.

Aren't there some plays to be found on thoughts other than sex? Or is this all the people of our area want the Playrites to present? I'm certainly not against the group. But why should we go to theater and pay for something we conveniently and free of charge can view on TV at home?

Also, the majority of people seek the theater as a means to escape reality—so why go to see that which is sickening to society in real every day living?

The March

The eyes of the world have been turned, during the last few weeks, on the capital of the nation which boasts of its orderly processes of freedom and democracy.

For the spectacle has been one of willful groups of exhibitionists seeking to coerce Congress and the executive departments through the tactics of a "demonstration," whose leaders preach "non-violence" but provoke disorder.

Nearly five years have elapsed since the first "march on Washington," and what was unhappily foreseen then has since occurred. On Aug. 29, 1963, this correspondent wrote:

"The 'march on Washington' will go down in history as marking a day of public disgrace—a step backward in the evolution of the American system of government.

FOR THE IMAGE of the United States presented to the world is that of a republic which had professed to believe in voluntarism rather than coercion, but which on Aug. 28, 1963, permitted itself to be portrayed as unable to legislate equal rights for its citizens except under the intimidating influence of mass demonstrations.

'The press, television and radio, the public forums in halls and stadiums—all have been available heretofore as mediums through which the 'right of petition' could be effectively expressed and public opinon formed on controversial questions.

But a minority group—led by men who drew to their side church leaders and groups as well as civic organizations—decided that a massive publicity stunt would be a better way to impress Congress and the President with the idea that unemployment and racial discrimination can be legislated out of existence. . . .

"The right of petition is a fundamental principle of the Constitution, but it assumes an orderly and nonprovocative procedure. The federal government had to go to large expense to police the Wednesday demonstration in Washington and to keep people from crowding into the city who might participate in disorders.

"TO SAY THAT the 'march' was successful because large-scale violence was avoided is to ignore the bitterness and resentment prevalent on that day in a city whose normal community life was disrupted.

Tens of thousands of people remained secluded in their homes lest they become injured or subjected to unwarranted delays in moving to and from their residences.

American citizens were prevented from pursuing their customary ways. Their right to go to their places of employment was impaired by fear of bodily injury.

"Would this have happened if the petitioners had relied on the process of reason in a voluntary society? . . . Are injustices remedied by creating more injustices and is the cause of civil rights advanced by interfering with the civil rights of non-participants in the mass demonstrations?

"These are questions which will need answering, and the full effect of what may come to be called 'the mess in Washington' could be reflected in future elections. For what was proved by the big demonstration—that in free America only the mob can get laws passed covering the issue of civil rights?"

Finally, this week, when leaders of the "poor people's crusade" openly defied governmental authority, political politeness was at last brushed aside, and law and order was unhesitatingly imposed.

It is a healthful and constructive sign that the people do lose their patience when protesters—no matter how just the cause—do not proceed in a lawful and orderly manner to petition their government for the redress of grievances.

MAYBE THERE WILL BE more "demonstrations," but little by little long-suffering officials are getting tired of artificially developed mass protests.

It is significant that Mayor Walter Washington of the capital city, himself a Negro, took part in the ending of the fiasco of "Resurrection City," as 356 of the squatters—including Rev. Ralph Abernathy, successor to the late Rev. Martin Luther King Jr.—were arrested.

Thus was the maintenance of law and order resumed in the capital of the nation.

Every time you pass a traffic law you discourage someone from buying a car. Traffic laws do not prevent accidents; people prevent aecidents."

"HOW DO YOU PROPOSE to repeal the registration and driving test laws that are now on the books?"

"By launching a mammoth letter campaign. We're going to ask everyone who owns a car to write his congressman and senator demanding the repeal of all laws having to do with motor vehicles. This is an election year and, I assure you, our legislators are paying attention to their mail."

"I must admit you make a strong case against automobile controls. Do you think you have a chance?"

Mr. Crash replied, "There is now a big hue and cry about automobile accidents in this country, but it will die down soon. And then our lobby will really be able to go into action. We're tax-free, you know."

Letter To The Editor

Playrites Choice Criticized

This concerns the Ceramic Playrites theater group which recently presented its first plays at the Liberty Theater in Wellsville. We have read off their aspirations, and I have looked forward to seeing their presentations.

The choice of plays has caused me to lose faith in the group. Two one - act plays were given, with the acting exceptionally well done by all in both plays. The second play was amusing and delightful and acceptable.

However, in my moral judgment, the first play was not acceptable. I had considered taking my mother to the play, but went to see them without her. If I had taken her, I would have been too ashamed to have endured it, because of the concept and conservation.

True, it did portray the modern American way of life. We can get all we want of that type of entertainment right at home on our own TV set, or see more than we care to in real everyday life.

I would rather see something a little different at the theater, especially something more uplifting from our own community group.

This first presentation would have been overlooked had I not read of the choice of "Never Too Late" for the next play to be presented. Not too long ago that story in the form of a motion picture was shown in our area. It is nothing but plain sex promotion and low key amusement.

Aren't there some plays to be found on thoughts other than sex? Or is this all the people of our area want the Playrites to present? I'm certainly not against the group. But why should we go to theater and pay for something we conveniently and free of charge can view on TV at home?

Also, the majority of people seek the theater as a means to escape reality—so why go to see that which is sickening to society in real every day living?

The March

The eyes of the world have been turned, during the last few weeks, on the capital of the nation which boasts of its orderly processes of freedom and democracy.

For the spectacle has been one of willful groups of exhibitionists seeking to coerce Congress and the executive departments through the tactics of a "demonstration," whose leaders preach "non-violence" but provoke disorder.

Nearly five years have elapsed since the first "march on Washington," and what was unhappily foreseen then has since occurred. On Aug. 29, 1963, this correspondent wrote:

"The 'march on Washington' will go down in history as marking a day of public disgrace—a step backward in the evolution of the American system of government.

FOR THE IMAGE of the United States presented to the world is that of a republic which had professed to believe in voluntarism rather than coercion, but which on Aug. 28, 1963, permitted itself to be portrayed as unable to legislate equal rights for its citizens except under the intimidating influence of mass demonstrations.

'The press, television and radio, the public forums in halls and stadiums—all have been available heretofore as mediums through which the 'right of petition' could be effectively expressed and public opinon formed on controversial questions.

But a minority group—led by men who drew to their side church leaders and groups as well as civic organizations—decided that a massive publicity stunt would be a better way to impress Congress and the President with the idea that unemployment and racial discrimination can be legislated out of existence. . . .

"The right of petition is a fundamental principle of the Constitution, but it assumes an orderly and nonprovocative procedure. The federal government had to go to large expense to police the Wednesday demonstration in Washington and to keep people from crowding into the city who might participate in disorders.

"TO SAY THAT the 'march' was successful because large-scale violence was avoided is to ignore the bitterness and resentment prevalent on that day in a city whose normal community life was disrupted.

Tens of thousands of people remained secluded in their homes lest they become injured or subjected to unwarranted delays in moving to and from their residences.

American citizens were prevented from pursuing their customary ways. Their right to go to their places of employment was impaired by fear of bodily injury.

"Would this have happened if the petitioners had relied on the process of reason in a voluntary society? . . . Are injustices remedied by creating more injustices, and is the cause of civil rights advanced by interfering with the civil rights of non-participants in the mass demonstrations?

"These are questions which will need answering, and the full effect of what may come to be called 'the mess in Washington' could be reflected in future elections. For what was proved by the big demonstration—that in free America only the mob can get laws passed covering the issue of civil rights?"

Finally, this week, when leaders of the "poor people's crusade" openly defied governmental authority, political politeness was at last brushed aside, and law and order was unhesitatingly imposed.

It is a healthful and constructive sign that the people do lose their patience when protesters—no matter how just the cause—do not proceed in a lawful and orderly manner to petition their government for the redress of grievances.

MAYBE THERE WILL BE more "demonstrations," but little by little long-suffering officials are getting tired of artificially developed mass protests.

It is significant that Mayor Walter Washington of the capital city, himself a Negro, took part in the ending of the fiasco of "Resurrection City," as 356 of the squatters—including Rev. Ralph Abernathy, successor to the late Rev. Martin Luther King Jr.—were arrested.

Thus was the maintenance of law and order resumed in the capital of the nation.

Advanced From August

St. Rocco Festival Slated July 15-20 In Wellsville

Plans are being advanced for the 12th annual St. Rocco Festival at Wellsville, re-scheduled from the traditional August observance to July 15-20 because of conflicts in dates for the amusement ride firms.

James McPeak is general chairman for the event sponsored by Wellsville Knights of Columbus Council 507.

Fireworks are planned July 20 at the festival grounds at Central Park, with the Zambelli Brothers of New Castle providing a display larger than last year, McPeak said.

McPeak said because of the disappointment in the inconveniences caused by the delay in amusement rides last year, special efforts are being made for better fireworks and other amusements.

The Barber Brothers Shows of Springfield will have eight rides, including a ferris wheel, roll-a-plane, merry - go-round, Octopus, Scramble, Tilt-A-Whirl and kiddie swings and auto rides.

Advance tickets are available for members at $1 for eight, good for all days except the final one.

The festival is held annually in honor of the patron saint. A solemn high mass will be sung Aug. 18 at the Immaculate Conception Catholic Church. A band concert is also planned then.

The Knights of Columbus will meet Tuesday night to further plans for the festival.

Vietnam

(Continued from Page 1)

mand said 2,605 North Vietnamese soldiers also were killed.

Informed Vietnamese military sources said South Vietnam's generals advised Gen. William C. Westmoreland last winter that Khe Sanh—isolated in the northwest corner of South Vietnam—was not worth holding or fighting for. These sources said Westmoreland, who then was commander of U.S. forces in Vietnam, ignored the advice because it contradicted his own strategy and because of the pressure of public opinion in the United States.

The headquarters of Gen. Creighton W. Abrams, who succeeded Westmoreland less than three weeks ago, said in a statement today that both the allied and enemy strength in the northernmost provinces has increased, the enemy has changed his tactics, and U.S. and South Vietnamese forces "must be used to the utmost to attack, intercept, reinforce or take whatever action is most appropriate to meet the enemy threats."

"Therefore, we have decided to continue the mobile posture we adopted in western Quang Tri Province with Operation Pegasus which relieved Khe Sanh) in April. This decision makes the operation of the base at Khe Sanh unnecessary," the statement said.

The batfish is said to walk on the floor of the ocean since its lower fins are long and sturdy.

Advanced From August

St. Rocco Festival Slated July 15-20 In Wellsville

Plans are being advanced for the 12th annual St. Rocco Festival at Wellsville, re-scheduled from the traditional August observance to July 15-20 because of conflicts in dates for the amusement ride firms.

James McPeak is general chairman for the event sponsored by Wellsville Knights of Columbus Council 507.

Fireworks are planned July 20 at the festival grounds at Central Park, with the Zambelli Brothers of New Castle providing a display larger than last year, McPeak said.

McPeak said because of the disappointment in the inconveniences caused by the delay in amusement rides last year, special efforts are being made for better fireworks and other amusements.

The Barber Brothers Shows of Springfield will have eight rides, including a ferris wheel, roll-a-plane, merry - go-round, Octopus, Scramble, Tilt-A-Whirl and kiddie swings and auto rides.

Advance tickets are available for members at $1 for eight, good for all days except the final one.

The festival is held annually in honor of the patron saint. A solemn high mass will be sung Aug. 18 at the Immaculate Conception Catholic Church. A band concert is also planned then.

The Knights of Columbus will meet Tuesday night to further plans for the festival.

Vietnam

(Continued from Page 1)

mand said 2,605 North Vietnamese soldiers also were killed.

Informed Vietnamese military sources said South Vietnam's generals advised Gen. William C. Westmoreland last winter that Khe Sanh—isolated in the northwest corner of South Vietnam—was not worth holding or fighting for. These sources said Westmoreland, who then was commander of U.S. forces in Vietnam, ignored the advice because it contradicted his own strategy and because of the pressure of public opinion in the United States.

The headquarters of Gen. Creighton W. Abrams, who succeeded Westmoreland less than three weeks ago, said in a statement today that both the allied and enemy strength in the northernmost provinces has increased, the enemy has changed his tactics, and U.S. and South Vietnamese forces "must be used to the utmost to attack, intercept, reinforce or take whatever action is most appropriate to meet the enemy threats."

"Therefore, we have decided to continue the mobile posture we adopted in western Quang Tri Province with Operation Pegasus which relieved Khe Sanh) in April. This decision makes the operation of the base at Khe Sanh unnecessary," the statement said.

The batfish is said to walk on the floor of the ocean since its lower fins are long and sturdy.

The crescent is the religious symbol of Mohammedans, the cross that of Christians and the star of Jews.

Hearings Slated On Check Cases

Municipal Judge Samuel M. Chertoff today scheduled hearings Friday morning for an East Liverpool man and a Beaver County woman accused of "false pretenses" in cashing allegedly fraudulent checks at the Loblaw, Inc., Market on Bradshaw Ave.

The defendants are Mrs. George Gaines of Smiths Ferry RD 1 and George R. McHenry of 2200 Crawford Ave. The charge against Mrs. Gaines was signed by Robert Clay, a store official. It alleges she obtained $25 on May 9 by presenting a check drawn on the Potters Bank & Trust Co. in the name of John A. White, while knowing that there was no account in that name at the bank.

McHenry is accused of obtaining $50 at the store April 25 by presenting a check on Potters Bank, signed by him, although he had no checking account. The affidavit was signed by Marvin Stewart.

When the question of bond arose, Det. Capt. Kenneth Mooney told the court Mrs. Gaines had admitted passing "a lot of other checks in the county area." The court set appearance bonds at $500 for each defendant.

Suspensions Set In Traffic Cases

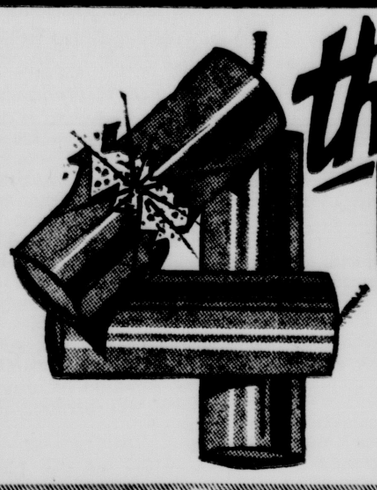

LISBON — Clifford B. Lowry, 17, of 131 Fair Ave., Salem, was ordered to surrender his driver's license for six months Tuesday at the Courthouse after a juvenile traffic hearing on a speeding charge.

Licenses of the following youths were suspended as indicated:

John E. Taylor, 16, Leetonia, permitting unlicensed minor to operate motor vehicle, and John A. Huston, 17, Lisbon, consuming alcoholic beverage, 20 days each; Herman G. Dingess Jr., 16, of 845 St. George St., East Liverpool, reckless operation, and Randy L. Hanzlick, 16, of 1088 E. 9th St., Salem, passing on a hill, 15 days each.

Four drivers were fined: Johnny K. Rohrer, 17, Washingtonville; Robert E. Schreffler, 17, Lisbon RD 4, and Robert J. George Jr., 17, East Palestine, all charged with driving too fast to stop in an assured clear distance, $25 each, and Deborah A. Burgess, 15, of 259 S. Howard St., Salem, no driver's license, $20.

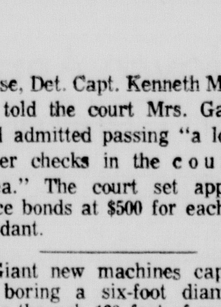

A popular unit of length in ancient times was the cubit, which was equivalent to about 18 inches. The giant, Goliath, whom the Biblical David met and slew in battle, was described as six cubits and a span in height — which made him about nine feet nine inches tall.

St. Rocco Festival Slated July 15-20 In Wellsville

Plans are being advanced for the 12th annual St. Rocco Festival at Wellsville, re-scheduled from the traditional August observance to July 15-20 because of conflicts in dates for the amusement ride firms.

James McPeak is general chairman for the event sponsored by Wellsville Knights of Columbus Council 507.

Fireworks are planned July 20 at the festival grounds at Central Park, with the Zambelli Brothers of New Castle providing a display larger than last year, McPeak said.

McPeak said because of the disappointment in the inconveniences caused by the delay in amusement rides last year, special efforts are being made for better fireworks and other amusements.

The Barber Brothers Shows of Springfield will have eight rides, including a ferris wheel, roll-a-plane, merry - go-round, Octopus, Scramble, Tilt-A-Whirl and kiddie swings and auto rides.

Advance tickets are available for members at $1 for eight, good for all days except the final one.

The festival is held annually in honor of the patron saint. A solemn high mass will be sung Aug. 18 at the Immaculate Conception Catholic Church. A band concert is also planned then.

The Knights of Columbus will meet Tuesday night to further plans for the festival.

mand said 2,605 North Vietnamese soldiers also were killed.

Informed Vietnamese military sources said South Vietnam's generals advised Gen. William C. Westmoreland last winter that Khe Sanh—isolated in the northwest corner of South Vietnam—was not worth holding or fighting for. These sources said Westmoreland, who then was commander of U.S. forces in Vietnam, ignored the advice because it contradicted his own strategy and because of the pressure of public opinion in the United States.

The headquarters of Gen. Creighton W. Abrams, who succeeded Westmoreland less than three weeks ago, said in a statement today that both the allied and enemy strength in the northernmost provinces has increased, the enemy has changed his tactics, and U.S. and South Vietnamese forces "must be used to the utmost to attack, intercept, reinforce or take whatever action is most appropriate to meet the enemy threats."

"Therefore, we have decided to continue the mobile posture we adopted in western Quang Tri Province with Operation Pegasus which relieved Khe Sanh) in April. This decision makes the operation of the base at Khe Sanh unnecessary," the statement said.

The batfish is said to walk on the floor of the ocean since its lower fins are long and sturdy.

Installation Rites Are Held By Local Women Of Moose

Seventy-five attended installation ceremonies of Women of the Moose Sunday afternoon.

The room was decorated with floral arrangements and palms and ferns. A gold Bible highlighted the altar.

Installing officials were Frank Krafft, governor; Ray Barry, chaplain; William Jackson, guide; George Kolman, organist and Mildred Singer and Mary Barry, chairmen.

Inducted were Ruth Green, junior graduate regent, who is retiring senior regent; Pearl Langdon, senior regent; Polly Ann Higgins, junior regent; Betty Carman, chaplain; Permelia Kilmer, recorder; Alverna Dyke, treasurer; Ruth Hissam, pianist; Dorothy Wotring, Argus; Mary Dickey, sentinel; Julia Baumgard, guide, and Mary Carnes, assistant guide.

College of Regent members present were Evelyn Balser, Mildred Springer, Mrs. Barry, Marie Tweed, Leona Swiger, Mrs. Kilmer and Jean Adams.

Mrs. Green, senior regent, presented gifts to the other outgoing officers. She addressed th co-workers and thanked Loyal Order of Moose officials. Mrs. Barry and Mrs. Springer received gifts.

New members of the college are Jean Adams, Frank Krafft, William Jackson and Ray Barry.

Gifts were presented by outgoing officers. She addressed the ials. A new altar Bible was given to the Moose. Donations for building improvements also were made.

Krafft, Jackson, Grafton, Harold Dyke and Barry spoke briefly. Kolman offered vocal selections. A poem was read by Mrs. Jean Grafton.

Refreshments were served 100 from a buffet table centered with a watermelon basket filled with fruit and arrangements of flowers. The committee was Shelda D'Angelo, chairman, and Roxie Green, Janet Maxwell, Nancy Hall, Mable Smith, Dorothy Krafft, Donna VanKirk, Mary Susan Moore and Jean Grafton.

Music for dancing was provided by Ruth Hissam and Kolman.

'Open Enrollment' Set In Catholic Schools

DAYTON,, Ohio (AP) — An "open enrollment" policy designed to eliminate racial segregation will be put into force in Dayton's Roman Catholic schools next fall, according to the Rt. Rev. Msgr. Edward A. Connaughton.

Under the policy, the school system's 400 Catholic Negro children will be permitted to choose what school they will attend. White children will not have this choice, but will be permitted to enroll at either of the predominantly Negro schools, St. James or Resurrection.

Hearings Slated On Check Cases

Municipal Judge Samuel M. Chertoff today scheduled hearings Friday morning for an East Liverpool man and a Beaver County woman accused of "false pretenses" in cashing allegedly fraudulent checks at the Loblaw, Inc., Market on Bradshaw Ave.

The defendants are Mrs. George Gaines of Smiths Ferry RD 1 and George R. McHenry of 2200 Crawford Ave. The charge against Mrs. Gaines was signed by Robert Clay, a store official. It alleges she obtained $25 on May 9 by presenting a check drawn on the Potters Bank & Trust Co. in the name of John A. White, while knowing that there was no account in that name at the bank.

McHenry is accused of obtaining $50 at the store April 25 by presenting a check on Potters Bank, signed by him, although he had no checking account. The affidavit was signed by Marvin Stewart.

When the question of bond arose, Det. Capt. Kenneth Mooney told the court Mrs. Gaines had admitted passing "a lot of other checks in the county area." The court set appearance bonds at $500 for each defendant.

Suspensions Set In Traffic Cases

LISBON — Clifford B. Lowry, 17, of 181 Fair Ave., Salem, was ordered to surrender his driver's license for six months Tuesday at the Courthouse after a juvenile traffic hearing on a speeding charge.

Licenses of the following youths were suspended as indicated:

John E. Taylor, 16, Leetonia, permitting unlicensed minor to operate motor vehicle, and John A. Huston, 17, Lisbon, consuming alcoholic beverage, 20 days each; Herman G. Dingess Jr., 16, of 845 St. George St., East Liverpool, reckless operation, and Randy L. Hanzlick, 16, of 1088 E. 9th St., Salem, passing on a hill, 15 days each.

Four drivers were fined: Johnny K. Rohrer, 17, Washingtonville; Robert E. Schrefflер, 17, Lisbon RD 4, and Robert J. George Jr., 17, East Palestine, all charged with driving too fast to stop in an assured clear distance, $25 each, and Deborah A. Burgess, 15, of 259 S. Howard St., Salem, no driver's license, $20.

A popular unit of length in ancient times was the cubit, which was equivalent to about 18 inches. The giant, Goliath, whom the Biblical David met and slew in battle, was described as six cubits and a span in height — which made him about nine feet nine inches tall.

New Group Speeds Care Of Georgetown Cemetery

Plans for the continued care of the Georgetown Cemetery are being advanced daily by the newly - formed maintenance association of Greene Township, which has been granted a charter by the Beaver County Court.

John M. Finley, president, advises those who now are paying workmen for the care of cemetery lots to make arrangements with the association for the work.

Other officers of the association, set up as a charitable nonprofit organization, are: Robert H. Campbell, vice president; James Adney, treasurer; Donald W. McHaffie, secretary, and John E. Mackall, William Reckner and H. W. Schmidt, directors.

Those who desire to assist in the care and maintenance may send donations or bequests to the association in care of Adney at Box 47, Georgetown, Pa.

The Georgetown Cemetery dates back to the 1700's. Approximately 12 to 15 generations are buried there. One headstone reads "1795." Some residents feel that much of the history was lost when Robert "Link" Laughlin, former caretaker, died recently at the age of 101. Link's grave is located in the cemetery.

Six or eight years ago an initial sum of money was bequeathed by Carl Durst. The interest is for upkeep in the cemetery. Nephew of Wilk Peppard, he left the sum specifically for the upkeep of the Peppard lot.

Since that time, others have added gifts, allowing the association to be formed and clearing of the cemetery to begin.

Wages

(Continued from Page 1)

departments from $457 to $480 and will cost the city $7,950 for the remaining six months of 1968.

—:—

THE SETTLEMENT was negotiated in a two-hour session last night with three out-of-town officials of police and fire organizations. It then was confirmed with the local police and firemen, who agreed to return to duty "with the first morning shifts Thursday."

The back - to - work action brought to a close the movement by the fire and police departments which began Sunday as most of the employes absented themselves from their post, citing illnes, to force action by Council on their wage demands. The fire department had been working with a skeleton crew since the shift change Sunday at 7:45 a. m. The so-called "blue flu" epidemic hit the police department at the shift change Sunday midnight.

Councilmen said they will provide money for most of the raises by allowing the fire and police departments each to work one man short for the last six months of 1968. This would represent a saving of approximately $5,484. Each department now is short one man and the vacancies simply will not be filled. This will free the funds that would have been used for salaries to pay the raise to the remaining men. The fire department thus will have a 31-man complement and the police department will have 25.

COUNCIL solved the wage dilemma in a meeting with: Ralph Burden of Columbus, representing the International Association of Firefighters; Dan Eberhart of Youngstown, first vice president of the Ohio Association of Professional Firefighters, and William R. Moushey of Canton, second district trustee of the Ohio Fraternal Order of Police.

Moushey had been in East Liverpool since Tuesday night, while Burden and Eberhart arrived Wednesday. They came here at the request of the local Fraternal Order of Police Lodge and Local 24, International Association of Firefighters.

In addition to the immediate 5 per cent boost, Council agreed to negotiate on these further progressions in the wage pattern: Another 5 per cent on Jan. 1, 1969, which would raise fire and police salaries to $504, or $6,048 a year; another 5 per cent on July 1, 1969, that would hike wages by $25 to $529 monthly or $6,348 annually, and a fourth 5 per cent hike on Jan. 1, 1970, that would add $26 to base pay, for a salary of $550 monthly, or $6,660 a year.

The police and fire department representatives also stipulated that the offer was accepted with the understanding that Council would not act to "take away any of the benefits the men have now." They said they referred in particular to a Council announcement it would consider legislation tightening up the requirements for qualifying for sick pay.

—:—

FIVE voting members of Council attended the session. They were Robert W. Sample, Donal I. Burcham, John Wilson, Frank Duffy and Edward Massey. Councilmen James Lowe and Floyd Murray were absent because they were at work.

Sample, Burcham, Wilson and Massey voted to accept the pay proposition. Duffy said he would not vote until he knew the feelings of Murray and Lowe. However, four affirmative votes would be enough to enact the pay ordinance.

Last night's meeting also was attended by Mayor George Willshaw, Safety - Service Director Robert Vodrey, Council President Norman Bucher and Solicitor J. Michael Kapp.

The negotiating session began at 6:30 and concluded at 8:25. The proposal which ended the deadlock was made by Eberhart, speaking for both the fire and police departments. Council met privately to discuss the propositions for about five minutes and then advised the terms were acceptable. Burden, Moushey and Eberhart left the Council room for about 15 minutes and then returned with the announcement the agreement was satisfactory to the firemen and police.

—:—

THE UNOFFICIAL negotiations that led to breaking the ice began Tuesday night shortly after Council agreed not to negotiate with the firemen and police until they had returned to duty.

Bucher, Burcham and Kapp met with the wage and grievance committees of the two departments for a review of the city's financial condition and to reassure the men that Council "was ready and willing to talk if they would return. . ."

Wednesday afternoon, Kapp was invited to a meeting at the Holiday Inn near Waterford Park with Moushey, Burden and Eberhart and the other fire and police department negotiators.

As a result of a two-hour discussion, Burden, Moushey and Eberhard met later with Mayor Willshaw and Massey. In the upshot of the discussion, Council was asked to meet last night with the three out-of-town officials of the police and firemen's organizations — the meeting which led to the agreement.

Patrolman James Buckley, president of the FOP, and Det. William Devon, a member of the police negotiating committee, thanked Moushey for coming to East Liverpool to help negotiate a settlement.

"His experience and calm attitude were very helpful in helping achieve a settlement," Devon said.

—:—

ADVISED of the incinerator employes' walkout this morning, Safety - Service Director Vodrey said he contacted union officials and asked them to instruct the men to go back to work.

He pointed out a working agreement enacted by Council and signed by the union and the city administration provides for processing of such grievances through channels. It provides work will continue while the dispute is being ironed out.

The landfill trash disposal site on the Y. & O. Rd. in Madison Township still was operating shortly after the walkout.

Street department employes reported for work as usual this morning.

The incinerator department walkout halted garbage and trash collections for the 7,200 homes and business places in East Liverpool.

The department's truck drivers now are paid $2.20 hourly and laborers draw $2.14.

money," the ELTA statement went on. "The issue is whether one faculty member is entitled to considerations by the administrators which do not apply to other members, and is part of a concern by many in the community of this situation in our schools."

The ELTA states McNea receives $8,800 for conducting three physical education classes a day — from 8:15 a.m. to 11:10 a.m.—and all other assignments are extra. He has intramurals from 11:10 to 11:50 at a pay of $352, and the rest of the day free for his duties as athletic director ($528) and head football coach ($1,408), the ELTA statement says.

Robert Hedmond, previous football coach, had four academic classes, a study hall and a home room, it was declared.

The ELTA has suggested the post of athletic director be abolished since almost all the duties involved are being handled or could be handled by the individual coaches, ticket manager or athletic board treasurer.

The post costs the taxpayers and the school system the salary plus the loss of the teaching services for one period, the statement said.

—:—

SUPT. BLAIR has proposed the intramural sports program be abolished so as to restore one period of teaching for McNea. However, the ELTA statement points out this would deprive almost 400 students of a sports outlet.

Last year some 275 girls in two separate programs and 100 boys participated in intramurals.

The ELTA officers have conferred with Ohio Education Association and National Education Association representatives concerning the issue. William Oliver of the OEA has met with Supt. Blair.

Further action now awaits a response from Supt. Blair, it was stated. Blair, at a meeting with the teachers June 19, requested two weeks to resolve the issue.

The teachers are expected to ask him to announce a decision by next Tuesday, since the July 3 deadline might conflict with activities related with the July 4 holiday.

McNea and three grid aides resigned earlier this month, apparently over the concern by the ELTA for the assignment issue, but withdrew their resignations when assured by the administrators the proposals could not affect their present contracts.

Miss Harva Roberts Wed In Ceremony At Leetonia

A full - length gown of nylon over net with lace applique was worn by Miss Harva Roberts, daughter of Mrs. Leroy Hershberger of Guilford Lake and Frank Roberts of Lisbon, when she became the bride of Howard Cope, son of Roy E. Cope and the late Margaret Everett Cope of Leetonia RD 2, in St. Paul's Lutheran Church at Leetonia Sunday at 3 p.m.

The Rev. James E. Cope, brother of the bridegroom, and the Rev. T. Paul Laughner officiated for the double - ring ceremony before an altar banked with white flowers. Burning candles completed the setting. White satin bows marked the pews. Mrs. Dorothy Beaver was organist.

—:—

GIVEN IN marriage by her parents and escorted to the altar by her father, Miss Roberts was attired in a gown featuring long pointed sleeves. Her elbow - length veil was held in place with wedding bell flowers outlined in tiny seed pearls with centers of crystal. Her bouquet was a cascade arrangement of white carnations topped with a corsage. She observed the traditions.

Mrs. Sally McIntosh, matron of honor for her sister, wore a floor - length gown of yellow nylon over lace and matching net headpiece. Her cascade bouquet was of green carnations.

Miss Grace Walker, cousin of the bride, and Miss Patty Toth, bridesmaids, wore identical styled dresses as that of the matron of honor in mint green with matching headpiece. They carried cascades of yellow carnations.

Donald Cope was his brother's best man. Ushers were Robert Miller and Jerry Carroll.

The mother of the bride chose a blue lace dress with blue hat and beige accessories and complemented her attire with a pink carnation corsage.

—:—

A RECEPTION for 125, followed the ceremony in Fellowship Hall of the church. The bride's table was laid in green net and centered with a four - tier all - white wedding cake topped with a miniature bride and groom. The cake was baked by the bride's aunt, Phyllis Frantz. Ivy trailed over the cloth attached to clusters of flowers. Eleanor Zeitler, a former Sunday School teacher, Ila Weaver and Agnes Frantz, aunts of the bride, served.

For a honeymoon along the Skyline Drive and Parkway, the bride chose a beige summer suit with green accessories and her bridal corsage.

The bride attended Lisbon schools and the bridegroom was graduated in 1957 from Fairfield High School. He is employed at Franklin Furniture in Columbiana. The newlyweds will reside at Leetonia RD 2.

The bridegroom's father entertained the wedding party following rehearsal at Heck's Restaurant Saturday evening, where attendants were remembered with gifts.

The American banjo was invented by Joe Sweeney, 19th-century minstrel. The instrument he devised was very different from the "banjer" used by Negro slaves of that day. He added the fifth, thumb, melody or octave string.

Deaths and Funerals

Mrs. Stella Tsapis

Mrs. Stella Tsapis, 65, of 103 School St., mother of Miss Callie Tsapis, member of the West Virginia House of Delegates, died suddenly Wednesday morning at 4:30 a.m. at Tompkins General Hospital, Utica, N. Y., where she was visiting a son, Stanley Tsapis.

Born Oct. 15, 1902, in Greece, she came to the United States in 1921.

She was married to Louis Tsapis, who died in 1956.

She was a member of All Saints Greek Orthodox Church of Weirton.

Besides her daughter and son, she is survived by two other daughters, Mrs. James Frangos of Weirton and Mrs. Leonard Tost of Weirton; a sister, Mrs. Maria Sanarakis of Greece, and seven grandchildren.

Services will be held Saturday afternoon at 1 at the church by Fr. Stephen P. Natsis, pastor. Burial will be in Chapel Hill Memorial Gardens, Weirton.

Friends may call at the Schwerha Mortuary in Weirton tonight and Friday.

Mrs. Ella Frederick

Mrs. Ella Frederick of 819 Ackley Terrace, Sewickley, Pa., formerly of 2605 St. Clair Ave., died at 12:30 p. m. Wednesday at Sewickley Valley Hospital following a lengthy illness.

She was born at Coraopolis, Pa., and lived in Beaver Falls prior to her marriage while her family resided at Wellsville. She made her home in East Liverpool from 1949 until the death of her husband Harold July 3, 1964.

She was a member of the Trinity United Presbyteria Church.

Survivors include a daughter, Mrs. Lois McCutcheon, with whom she resided at Sewickley; two sons, Dr. William C. Frederick of Staten Island, N. Y., and Harold R. Frederick of Harrisburg, Pa.; a sister, Mrs. E. A. Thomas of Beaver Falls; two brothers, Harry Shroads and Clair Shroads, both of Beaver Falls, and 11 grandchildren.

Services will be held Friday at 10:30 a. m. at the Dawson Funeral Home, with the Rev. H. Gene Toot of the Trinity church officiating. Burial will be in Riverview Cemetery.

Friends may call at the funeral home Thursday night.

Claude Davis

Claude Davis, 63, of 813 Market St., Toronto, was dead on arrival Wednesday at 10:25 a.m. at Weirton General Hospital, where he was taken after becoming ill at work. He was an electrician at the Weirton Steel Co.

He was born April 24, 1905, in Irondale, a son of the late Joseph Davis and Bertha Starkey Davis.

Mr. Davis is survived by his widow, Jeanne Hommel Davis, at home; four daughters, Mrs. Paul (Carol) Sherwood, Mrs. Walter (Martha) Parsons and Mrs. William (Harriett) Nightingale of Toronto and Mrs. James (Claudia) Channey of Steubenville; a son, John Davis of Toronto; three sisters, Mrs. Harold (Martha) Gill, Mrs. Gretchen Hogue and Mrs. Robert (Betty) Perkins of Irondale; a brother, Arnold Davis of Ft. Lauderdale, Fla., and nine grandchildren.

Services will be held at the Turel Funeral Home in Toronto, Saturday at 2 p. m. with Pastor James F. Harding Jr. of the River Ave. Church of Christ in charge. Burial will follow in Union Cemetery, Toronto.

Friends may call at the funeral home after 7 tonight.

Mrs. Frank White

Mrs. Dorothy Mae White, 37, of Pine Grove, Industry RD 1, died Wednesday at City Hospital following a lingering illness.

Mrs. White was born Dec. 18, 1930, at Reader, W. Va., but had been a resident of the Midland area about 27 years.

In addition to her husband, Frank White, at home, she is survived by three sons, Jerry McDole of East Liverpool and Robert and Ronnie McDole of Smiths Ferry RD 1; three daughters, Miss Delores McDole, Miss Gladys Kay McDole and Miss Clara McDole, all of Smiths Ferry RD 1; three sisters, Mrs. Leroy (Betty) Smith of Smiths Ferry, Mrs. Paul (Thelma) Headley of Wellsville and Mrs. Paul (Grace) Mick of Phoenix, Ariz.; her father, Okey Edgell of East Liverpool, and two grandchildren.

Services will be held at the Cannon Funeral Home in Midland Saturday at 1 p. m. Burial will be in Oak Grove Cemetery.

Friends may call at the funeral home tonight after 7.

William Marty

EAST PALESTINE — Services will be held Saturday for William Marty, 72, of 633 W. Martin St., retired potter, who died suddenly at home Wednesday at 9:45. He had been ill.

Born Aug. 4, 1895, at Beloit, he was a son of the late Jacob and Elizabeth Rieder Marty. He worked for 36 years as a kilnplacer at the former W. S. George Co. pottery, retiring in 1962.

He was for many years active in the Columbiana County Beekeepers Association, serving as an inspector for 15 years.

He served in the Army during World War I, and was a member of the Centenary United Methodist Church, Masonic Lodge 417 and other Masonic groups, American Legion Post 31 and Local 31 of the International Brotherhood of Operative Potters.

Survivors include his wife, the former Helen Jones, at home; and four brothers, John Marty of Barberton and George Marty, Lewis Marty and Norman Marty of Alliance.

Services will be held Saturday afternoon at 2 at the VanDyke Funeral Home by the Rev. Thomas Hammerton of the church. Burial will be in Glenview.

Friends may call Friday night at the funeral home.

Gun Control Dispute Hits Critical Stage

WASHINGTON (AP) — Shifting public opinion, a delayed vote and President Johnson's sudden call for stricter firearms laws have brought the gun control controversy to a critical stage in Congress.

A bill to ban the mail order sale of all weapons, including rifles and shotguns, was before the Senate Judiciary Committee today for a vote originally scheduled a week ago.

A majority of committee members favored the measure then as the public outcry over Sen. Robert F. Kennedy's assassination crested, but developments since have clouded the issue.

Johnson pushed after the assassination for the ban on rifles and shotguns, then asked Congress in the past week to also enact legislation requiring registration of all guns and licensing of their owners.

Some gun control hawks want to tack that request onto the rifle-shotgun bill.

But public opinion has shifted dramatically, with congressmen now saying their mail is running heavily against stiffer control laws, particularly those requiring registration.

400 Officers Quell Rioting In California

RICHMOND, Calif. (AP) — More than 400 police cleared the streets early today in a swift confrontation with snipers and arsonists, and firemen put out a dozen fires.

Some 60 persons were arrested during a second straight night of disturbances.

Police sealed off an eight-block section.

Reinforcements were called from a number of nearby cities, including 50 San Francisco officers with police dogs.

Police said they could not estimate how many people were involved in the disturbance, the extent of injuries nor total damage.

The trouble was regarded by officers as a continuation of a neighborhood disturbance that erupted Tuesday night after a Negro teen-ager was shot and wounded by a reserve policeman in North Richmond, 10 miles north of Oakland.

In the Wednesday night flareup, one of the largest downtown buildings, the Travelline furniture store, burned to the ground after police said a firebomb apparently had been thrown. All of the other fires were small and easily put out, firemen said.

Democrats Plan Drive In County

A membership drive to be headed by each precinct committeeman, was outlined during a meeting of the Columbiana County Democratic party Tuesday night in Lisbon.

Lawrence Applegate of East Liverpool was named to assist with the campaign.

Don R. Gosnev of Columbiana, county chairman, pointed out "that campaign costs have increased by more than one-third since 1964" and called on every worker to help raise funds.

A united effort was pledged on behalf of Democratic candidates for county and state offices in the coming campaign.

Plans were discussed for the Jefferson - Jackson Day dinner in October. Sharon Quigley of East Liverpool was named dinner chairman and Arch Strabla of Salem program chairman.

Attending last night's meeting were the following candidates: Roy Allen, for state representative; R. Max Gard and Lew Sowards, for county commissioner, and County Recorder John P. Wargo.

The DOCTOR Says

By Dr. W. G. Brandstadt

Bright's Disease Is Not Inherited

Q—What is the cause of Bright's disease? Is it hereditary? What would cause a person with this disease to develop uremia? Can it be cured?

Dr. Brandstadt

A—Bright's disease is now usually called nephritis. It is not hereditary. It is a frequent complication of streptococcic sore throat, scarlet fever or rheumatic fever. Sometimes the initial infection goes unrecognized until the kidney involvement is discovered. When the kidneys are so damaged that they can no longer clear the urea from the blood, uremia occurs.

—:—

THIS USUALLY calls for the use of an artificial kidney. Some victims have been cured with a low - protein diet (18 grams of protein a day) or the use of specially prepared amino acids. When the underlying cause is a very high blood pressure or hardening of the arteries in the kidneys, an operation to give the kidneys a new blood supply is sometimes beneficial.

Q—A blood test shows my urea nitrogen blood level to be 30. Is that serious? How can it be brought down to normal?

A—Since an elevated blood urea (normal reading is 10 to 20) is a sign of impaired kidney function and early uremia, it is not to be taken lightly. See answer to previous question.

Q—What is retrograde pyelitis? Is there any way to prevent a recurrence?

A—This is an infection that ascends from the bladder to the kidney pelvis rather than reaching the kidney through the blood stream. It may be caused by a variety of bacteria and fungi. It is treated with antibiotics and urinary antiseptics but cure is often difficult. The only way to prevent a recurrence is to treat the disease until all signs of the infection are eliminated.

Q—What can one do for a floating kidney?

A—A sagging or floating kidney usually causes no trouble. It is often seen in persons who are much underweight. In such cases, bringing the body weight up to normal or slightly higher eliminates the sagging. If the sagging is great enough to cause kinking of the ureters an operation to fix the kidneys firmly in place may be necessary but this is not recommended for the run-of-the mill floating kidney.

Please send your questions and comments to Wayne G. Brandstadt, M.D., in care of The Review While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Oregon's Crater Lake is a deep body of water located in the crater of Mt. Mazama, an inactive volcano. Geologists believe the lake was formed when the top of Mt. Mazama collapsed. This left a huge "saucer" which gradually was filled by rain.

door with a horse and wagon. The name of the firm was inspired by the brass star in the forehead pieces of his team of horses.

In 1923, the first plant of the dairy was erected at Glenmoor, and subsequent additions and improvements followed. In 1937, he bought out the Crockery City Dairy and centered the growing operations on W. 8th St.

The firm today distributes more than 5,000 gallons of milk daily and other dairy products and operates restaurants here and at Lisbon, employing over 150. His son, John W. Eiferd, is vice president, and another son, Elmer E. Eiferd, is treasurer.

Mr. Eiferd was a member of the Pittsburgh Dairy Council, the Ohio Dairy Association, the National Independent Dairy Association, the Kiwanis Club, East Liverpool Area Chamber of Commerce, U. S. Chamber of Commerce, Masonic Lodge 681, Al Koran Shrine, the Grotto of Youngstown, the East Liverpool Shrine Club, the Steubenville Consistory, Royal Arch Masons, Pilgrim Commandery, Knights Templar and Elks Lodge 258.

Besides his sons, he is survived by a daughter, Mrs. Thelma E. Kinsey of Proenix, Ariz.; five grandchildren, and seven great-grandchildren.

Services will be held Saturday afternoon at 2 at the Dawson Funeral Home by the Rev. L. R. Carothers of the EUB Church at Huron, former pastor of the Wellsville church. Burial will be in Columbiana County Memorial Park.

Friends may call Friday afternoon and night at the funeral home.

College of Regent members present were Evelyn Balser, Mildred Springer, Mrs. Barry, Marie Tweed, Leona Swiger, Mrs. Kilmer and Jean Adams.

Mrs. Green, senior regent, presented gifts to the other outgoing officers. She addressed th co-workers and thanked Loyal Order of Moose officials. Mrs. Barry and Mrs. Springer received gifts.

New members of the college are Jean Adams, Frank Krafft, William Jackson and Ray Barry.

Gifts were presented by outgoing officers. She addressed the ials. A new altar Bible was given to the Moose. Donations for building improvements also were made.

Krafft, Jackson, Grafton, Harold Dyke and Barry spoke briefly. Kolman offered vocal selections. A poem was read by Mrs. Jean Grafton.

Refreshments were served 100 from a buffet table centered with a watermelon basket filled with fruit and arrangements of flowers. The committee was Shelda D'Angelo, chairman, and Roxie Green, Janet Maxwell, Nancy Hall, Mable Smith, Dorothy Krafft, Donna VanKirk, Mary Susan Moore and Jean Grafton.

Music for dancing was provided by Ruth Hissam and Kolman.

'Open Enrollment' Set In Catholic Schools

DAYTON,, Ohio (AP) — An "open enrollment" policy designed to eliminate racial segregation will be put into force in Dayton's Roman Catholic schools next fall, according to the Rt. Rev. Msgr. Edward A. Connaughton.

Under the policy, the school system's 400 Catholic Negro children will be permitted to choose what school they will attend. White children will not have this choice, but will be permitted to enroll at either of the predominantly Negro schools, St. James or Resurrection.

6 Will Retire At Crucible

JEROME HEINEY

OLES WILLIAMS

CHARLES KIRK

Three management employes and three maintenance workers are retiring from the Midland Division of the Crucible Steel Corp.

The three members of management are Oles Williams of Industry, a general foreman in the electrical repair shop, with 48 years service; John G. Goyak of Smiths Ferry, a turn foreman in the finishing and shipping at the No. 1 Conditioning Department, with 35 years, and Charles E. Kirk of Lakeview Estates, a general foreman in the secondary A. & P. Lines of the Cold Strip, with 35 years.

Crucible said they will retire effective July 1.

The other two are Mike Devich of Industry, a pipefitter in the pipe shop department with almost 35 years service, and Jerome H. Heiney of East Liverpool, a welder in the service department with nearly 40 years service.

—:—

WILLIAMS joined the Midland Division in April, 1920, as a substation operator where he was employed for seven years. He also worked in the electrical maintenance department and spent 39½ years in the electrical repair shop as foreman and general foreman. He was promoted to the latter position in 1957.

Married, he has four children, Mrs. Maxine Queen of Industry, Miss Nancy Lee Williams at home, Clifford Williams of Sewickley, employed by the Midland Division as assistant general foreman - power maintenance department, and Bruce Williams of Industry.

Williams is a member of the Church of Christ at East Palestine.

—:—

GOYAK joined the Midland Division as a laborer in the No. 2 Finishing Mill in 1933. He was transferred to the No. 3 Mill as a loader in 1934 and worked in this department until early 1952. He became permanently employed in the No. 1 Conditioning Department as a turn foreman in 1952.

He is a member of the American Legion Post 481 of Midland, Polish Falcon Nest 538 of Midland and Croation Fraternal Union 535 Of Midland.

Goyak has two brothers, Joseph T. Goyak of Midland and Thomas S. Goyak of East Liverpool, who are employed at the Midland Division, and four sisters, Annette Goyak, Ann Goyak, Rose Goyak and Mrs. Mary Muhic, all of Midland.

—:—

KIRK joined the Spaulding Works of Crucible on Oct. 2, 1933, and worked in various capacities, including raw material inspector for two years, chief inspector, quality control for five years, metallurgist for nine years, general foreman for four years and divisional superintendent for 12 years. He was transferred to the Midland Division in May 1965 as shift superintendent of Cold Strip. Presently he is employed as general foreman.

Married, he has two sons, Bruce Kirk of Wilmington, Del., and Robert Kirk, a law student at Cornell University, and five grandchildren.

He is a member of the Longs Run Presbyterian Church and the American Society for Metals.

—:—

DEVICH joined the Midland Division as a laborer in the Coke Plant in February 1933.

He worked in the general labor department and the 24-inch Bar Mill before being transferred to the pipe shop in 1947, where he worked as a pipefitter helper and a pipefitter.

Married, he has four children, Mike Devich Jr., Georgia, Virginia and Joseph, all at home.

—:—

HEINEY joined the Midland Division in 1929 and worked for a year in the Steel Foundry. He was transferred to the burning and welding department in 1930 where he worked for 38 years.

Married, he has five sons, Joseph Allen Heiney, Orlando, Fla.; Jerome Heiney Jr., Wellsville, a shearhopper at the No. 1 Finishing Mill; Wesley Heiney and Robert Heiney, East Liverpool, and Michael Vincent Heiney in the Navy. He also has four daughters, Mrs. Phylis Coss of Cleveland and Mrs. Jacqueline Ward, Mrs. Kay Yannie and Mrs. Elta Velera of East Liverpool, and 26 grandchildren.

New Group Speeds Care Of Georgetown Cemetery

Plans for the continued care of the Georgetown Cemetery are being advanced daily by the newly - formed maintenance association of Greene Township, which has been granted a charter by the Beaver County Court.

John M. Finley, president, advises those who now are paying workmen for the care of cemetery lots to make arrangements with the association for the work.

Other officers of the association, set up as a charitable nonprofit organization, are: Robert H. Campbell, vice president; James Adney, treasurer; Donald W. McHaffie, secretary, and John E. Mackall, William Reckner and H. W. Schmidt, directors.

Those who desire to assist in the care and maintenance may send donations or bequests to the association in care of Adney at Box 47, Georgetown, Pa.

The Georgetown Cemetery dates back to the 1700's. Approximately 12 to 15 generations are buried there. One headstone reads "1795." Some residents feel that much of the history was lost when Robert "Link" Laughlin, former caretaker, died recently at the age of 101. Link's grave is located in the cemetery.

Six or eight years ago an initial sum of money was bequeathed by Carl Durst. The interest is for upkeep in the cemetery. Nephew of Wilk Peppard, he left the sum specifically for the upkeep of the Peppard lot.

Since that time, others have added gifts, allowing the association to be formed and clearing of the cemetery to begin.

Wages

(Continued from Page 1)

departments from $457 to $430 and will cost the city $7,950 for the remaining six months of 1968.

—:—

THE SETTLEMENT was negotiated in a two-hour session last night with three out-of-town officials of police and fire organizations. It then was confirmed with the local police and firemen, who agreed to return to duty "with the first morning shifts Thursday."

The back - to - work action brought to a close the movement by the fire and police departments which began Sunday as most of the employes absented themselves from their post, citing illnes, to force action by Council on their wage demands. The fire department had been working with a skeleton crew since the shift change Sunday at 7:45 a. m. The so-called "blue flu" epidemic hit the police department at the shift change Sunday midnight.

Councilmen said they will provide money for most of the raises by allowing the fire and police departments each to work one man short for the last six months of 1968. This would represent a saving of approximately $5,484. Each department now is short one man and the vacancies simply will not be filled. This will free the funds that would have been used for salaries to pay the raise to the remaining men. The fire department thus will have a 31-man complement and the police department will have 25.

—:—

COUNCIL solved the wage dilemma in a meeting with: Ralph Burden of Columbus, representing the International Association of Firefighters; Dan Eberhart of Youngstown, first vice president of the Ohio Association of Professional Firefighters, and William R. Moushey of Canton, second district trustee of the Ohio Fraternal Order of Police.

Moushey had been in East Liverpool since Tuesday night, while Burden and Eberhart arrived Wednesday. They came here at the request of the local Fraternal Order of Police Lodge and Local 24, International Association of Firefighters.

In addition to the immediate 5 per cent boost, Council agreed to negotiate on these further progressions in the wage pattern: Another 5 per cent on Jan. 1, 1969, which would raise fire and police salaries to $504, or $6,048 a year; another 5 per cent on July 1, 1969, that would hike wages by $25 to $529 monthly or $6,348 annually, and a fourth 5 per cent hike on Jan. 1, 1970, that would add $26 to base pay, for a salary of $550 monthly, or $6,660 a year.

The police and fire department representatives also stipulated that the offer was accepted with the understanding that Council would not act to "take away any of the benefits the men have now." They said they referred in particular to a Council announcement it would consider legislation tightening up the requirements for qualifying for sick pay.

—:—

FIVE voting members of Council attended the session. They were Robert W. Sample, Donal I. Burcham, John Wilson, Frank Duffy and Edward Massey. Councilmen James Lowe and Floyd Murray were absent because they were at work.

Sample, Burcham, Wilson and Massey voted to accept the pay proposition. Duffy said he would not vote until he knew the feelings of Murray and Lowe. However, four affirmative votes would be enough to enact the pay ordinance.

Last night's meeting also was attended by Mayor George Willshaw, Safety - Service Director Robert Vodrey, Council President Norman Bucher and Solicitor J. Michael Kapp.

The negotiating session began at 6:30 and concluded at 8:25. The proposal which ended the deadlock was made by Eberhart, speaking for both the fire and police departments. Council met privately to discuss the propositions for about five minutes and then advised the terms were acceptable. Burden, Moushey and Eberhart left the Council room for about 15 minutes and then returned with the announcement the agreement was satisfactory to the firemen and police.

—:—

THE UNOFFICIAL negotiations that led to breaking the ice began Tuesday night shortly after Council agreed not to negotiate with the firemen and police until they had returned to duty.

Bucher, Burcham and Kapp met with the wage and grievance committees of the two departments for a review of the city's financial condition and to reassure the men that Council "was ready and willing to talk if they would return. . ."

Wednesday afternoon, Kapp was invited to a meeting at the Holiday Inn near Waterford Park with Moushey, Burden and Eberhart and the other fire and police department negotiators.

As a result of a two-hour discussion, Burden, Moushey and Eberhard met later with Mayor Willshaw and Massey. In the upshot of the discussion, Council was asked to meet last night with the three out-of-town officials of the police and firemen's organizations — the meeting which led to the agreement.

Patrolman James Buckley, president of the FOP, and Det. William Devon, a member of the police negotiating committee, thanked Moushey for coming to East Liverpool to help negotiate a settlement.

"His experience and calm attitude were very helpful in helping achieve a settlement," Devon said.

—:—

ADVISED of the incinerator employes' walkout this morning, Safety - Service Director Vodrey said he contacted union officials and asked them to instruct the men to go back to work.

He pointed out a working agreement enacted by Council and signed by the union and the city administration provides for processing of such grievances through channels. It provides work will continue while the dispute is being ironed out.

The landfill trash disposal site on the Y. & O. Rd. in Madison Township still was operating shortly after the walkout.

Street department employes reported for work as usual this morning.

The incinerator department walkout halted garbage and trash collections for the 7,200 homes and business places in East Liverpool.

The department's truck drivers now are paid $2.20 hourly and laborers draw $2.14.

Teachers

(Continued from Page 1)

money," the ELTA statement went on. "The issue is whether one faculty member is entitled to considerations by the administrators which do not apply to other members, and is part of a concern by many in the community of this situation in our schools."

The ELTA states McNea receives $8,300 for conducting three physical education classes a day — from 8:15 a.m. to 11:10 a.m.—and all other assignments are extra. He has intramurals from 11:10 to 11:50 at a pay of $352, and the rest of the day free for his duties as athletic director ($528) and head football coach ($1,408), the ELTA statement says.

Robert Hedmond, previous football coach, had four academic classes, a study hall and a home room, it was declared.

The ELTA has suggested the post of athletic director be abolished since almost all the duties involved are being handled or could be handled by the individual coaches, ticket manager or athletic board treasurer.

The post costs the taxpayers and the school system the salary plus the loss of the teaching services for one period, the statement said.

—:—

SUPT. BLAIR has proposed the intramural sports program be abolished so as to restore one period of teaching for McNea. However, the ELTA statement points out this would deprive almost 400 students of a sports outlet.

Last year some 275 girls in two separate programs and 100 boys participated in intramurals.

The ELTA officers have conferred with Ohio Education Association and National Education Association representatives concerning the issue. William Oliver of the OEA has met with Supt. Blair.

Further action now awaits a response from Supt. Blair, it was stated. Blair, at a meeting with the teachers June 19, requested two weeks to resolve the issue.

The teachers are expected to ask him to announce a decision by next Tuesday, since the July 3 deadline might conflict with activities related with the July 4 holiday.

McNea and three grid aides resigned earlier this month, apparently over the concern by the ELTA for the assignment issue, but withdrew their resignations when assured by the administrators the proposals could not affect their present contracts.

Discussion Held

Proposals Are Ignored, Industry Group Claims

Failure of Industry Council to inform the Mayor's Citizens Advisory Committee of action on citizen requests was discussed by the committee Tuesday night at the Borough Building.

Since the committee was formed by Mayor Steve Suchanec in January, Council has informed the committee only once of action taken on a committee recommendation regarding State Highway maintenance of state roads and a one - lane bridge, behind Mickey's, on L. R. 04013, members said.

The committee said it has received no correspondence from Council on a variety of 14 other recommendations and requests. These include:

(1) "that Borough Council consider street lighting, as funds permit, for dangerous curves, intersections and homes along dark stretches of Barclay Hill Rd., for Plan No. 2 at Sunrise Hills, at the intersection of L. R. 04080 and L. R. 04108 and the intersection of L. R. 04108 and L. R. 080;

—:—

(2) "THAT Borough Council provide the Committee with petty cash in an amount to be determined by Borough Council;

(3) "that Borough Council keep the Committee informed as to Council's action on any Committee recommendations:

(4) "Paul Sosack, Jr. and Gene Holben ask that a Duquesne light pole, located 15 inches out in the road on Cherry Alley, be removed because it has been hit by cars and represents a danger to the Borough road grader;

(5) "Charles Hawthorne asks that drain pipe be installed on Terrace Ave. above Lee Block because water runs into the Hawthorne kitchen;

(6) "Steve Brazo of Debbie Drive asks that an off - street parking sign be removed from in front of his picture window and placed elsewhere on the property line; and that traffic signs on Debbie and Friendship Drive, which presently face across the road, are installed facing traffic;

—:—

(7) "ANTHONY Kress, committee member, requests that the Water Authority be advised to fill an excavation in front of Mrs. Mullen's home on Ohio Ave. which has not been satisfactorily filled in three and a half months;

(8) "The committee requests Council to give its permission, if possible, for its Recreation Chairman to attend the next meeting of the Advisory Committee to be held April 30, 1968, at 7:30 p. m. at the Borough Building for a discussion on recreation plans in the Borough;

(9) "The committee again requests of Council that it inform the committee of any action taken by Council on any recommendations of the Committee and address this information to Mr. C. L. Finley, President, Mayor's Citizens Advisory Committee, RD 1, Industry, Pa. 15052;

(10) "that Council press the Pennsylvania State Highway Department for immediate completion of Kelly Rd., L. R. 04080;

(11) "Bud Farrell, plant manager, Shell Chemical Co., has requested the grading and resurfacing of Orange St., from Wabash Ave. to the Pennsylvania Railroad Underpass. The committee urges filling in the potholes and other torn up sections with blacktop;

(12) "THE Pennsylvania State Highway Department should be contacted for repairs to Paradise Rd., L. R. 04107, which is becoming almost impassable with potholes;

(13) "Would Council consider making a complete littering or dumping of refuse ordinance for Borough roads with a fine as penalty to supplement the state law for highways?

(14) "A resident, Nick Mosura of Kelly Rd., has requested that a street light be moved to the next lower pole in order that his and Frank Mosura's homes may benefit from the light."

Requests and recommendations of the committee have been presented to Council by letters from the Committee to the mayor who in turn presents them, members said.

C. L. Finley, president, presided. Next meeting will be held July 30.

Plan Changed For Lisbon's Street Work

LISBON — The Ohio Highway Department has removed from the Route 164 relocation plan here those features objectionable to S. Lincoln Ave. (Route 164) residents.

The people turned out in strength June 4 at a public hearing in Village Hall to state opposition to the proposed widening of the street by two feet on each side. They said this would mean the removal of 44 maple trees and leave their homes too close to the highway.

Village Council returned from a meeting with Division 11 highway officials in New Philadelphia Wednesday afternoon to call a special meeting and accept the highway department's resolution which eliminates the widening of Lincoln.

Instead of widening S. Lincoln the full distance from the Erie-Lackawanna Railroad to W. Washington St. where the route turns east, the street will be widened (tapered) from the tracks north 261 feet to the James Hollister residence, the state men said.

This will require the removal of two trees and a stump. The state will not take the Verna Feight property at the southeast corner of Lincoln and Washington to improve the turning radius for trucks as originally proposed.

The project will eliminate two right - angle turns immediately south of the corporation line and replace a narrow concrete bridge over the middle fork of Little Beaver Creek.

Mayor Clyde B. Pike, State Rep. Clarence L. Wetzel and Councilmen Bill Mattix, Willis Coleman, Ray Beers, Larry Evans and Charles Webber made the trip to Division 11 headquarters to talk to Levi Kimball, deputy director, and Sherman S. Price, design and planning engineer. Councilman Bill Robinson is on vacation.

2 Schools OK'd By Beaver Board

BEAVER—The Beaver County Board of Education Wednesday approved building plans for two new schools at Aliquippa to meet federal and state requirements for de-segregation of students.

One school will house 1,400 pupils and the other 1,200 pupils from kindergarten through sixth grades.

Several special education instructors were employed, including Mrs. Mary Memec of Industry, Wisconsin State University graduate who will teach at the Industry School in Western Beaver District.

The board approved a budget of $970,211 for special education in the county, and $52,000 for the instruction materials center.

Deaths and Funerals

Mrs. Stella Tsapis

Mrs. Stella Tsapis, 65, of 103 School St., mother of Miss Callie Tsapis, member of the West Virginia House of Delegates, died suddenly Wednesday morning at 4:30 a.m. at Tompkins General Hospital, Utica, N. Y., where she was visiting a son, Stanley Tsapis.

Born Oct. 15, 1902, in Greece, she came to the United States in 1921.

She was married to Louis Tsapis, who died in 1956.

She was a member of All Saints Greek Orthodox Church of Weirton.

Besides her daughter and son, she is survived by two other daughters, Mrs. James Frangos of Weirton and Mrs. Leonard Tost of Weirton; a sister, Mrs. Maria Sanarakis of Greece, and seven grandchildren.

Services will be held Saturday afternoon at 1 at the church by Fr. Stephen P. Natsis, pastor. Burial will be in Chapel Hill Memorial Gardens, Weirton.

Friends may call at the Schwerha Mortuary in Weirton tonight and Friday.

Mrs. Ella Frederick

Mrs. Ella Frederick of 819 Ackley Terrace, Sewickley, Pa., formerly of 2605 St. Clair Ave., died at 12:30 p. m. Wednesday at Sewickley Valley Hospital following a lengthy illness.

She was born at Coraopolis, Pa., and lived in Beaver Falls prior to her marriage while her family resided at Wellsville. She made her home in East Liverpool from 1949 until the death of her husband Harold July 3, 1964.

She was a member of the Trinity United Presbyteria Church.

Survivors include a daughter, Mrs. Lois McCutcheon, with whom she resided at Sewickley; two sons, Dr. William C. Frederick of Staten Island, N. Y., and Harold R. Frederick of Harrisburg, Pa.; a sister, Mrs. E. A. Thomas of Beaver Falls; two brothers, Harry Shroads and Clair Shroads, both of Beaver Falls, and 11 grandchildren.

Services will be held Friday at 10:30 a. m. at the Dawson Funeral Home, with the Rev. H. Gene Toot of the Trinity church officiating. Burial will be in Riverview Cemetery.

Friends may call at the funeral home Thursday night.

Claude Davis

Claude Davis, 63, of 813 Market St., Toronto, was dead on arrival Wednesday at 10:25 a.m. at Weirton General Hospital, where he was taken after becoming ill at work. He was an electrician at the Weirton Steel Co.

He was born April 24, 1905, in Irondale, a son of the late Joseph Davis and Bertha Starkey Davis.

Mr. Davis is survived by his widow, Jeanne Hommel Davis, at home; four daughters, Mrs. Paul (Carol) Sherwood, Mrs. Walter (Martha) Parsons and Mrs. William (Harriett) Nightingale of Toronto and Mrs. James (Claudia) Channey of Steubenville; a son, John Davis of Toronto; three sisters, Mrs. Harold (Martha) Gill, Mrs. Gretchen Hogue and Mrs. Robert (Betty) Perkins of Irondale; a brother, Arnold Davis of Ft. Lauderdale, Fla., and nine grandchildren.

Services will be held at the Turel Funeral Home in Toronto, Saturday at 2 p. m. with Pastor James F. Harding Jr. of the River Ave. Church of Christ in charge. Burial will follow in Union Cemetery, Toronto.

Friends may call at the funeral home after 7 tonight.

Mrs. Frank White

Mrs. Dorothy Mae White, 37, of Pine Grove, Industry RD 1, died Wednesday at City Hospital following a lingering illness.

Mrs. White was born Dec. 18, 1930, at Reader, W. Va., but had been a resident of the Midland area about 27 years.

In addition to her husband, Frank White, at home, she is survived by three sons, Jerry McDole of East Liverpool and Robert and Ronnie McDole of Smiths Ferry RD 1; three daughters, Miss Delores McDole, Miss Gladys Kay McDole and Miss Clara McDole, all of Smiths Ferry RD 1; three sisters, Mrs. Leroy (Betty) Smith of Smiths Ferry, Mrs. Paul (Thelma) Headley of Wellsville and Mrs. Paul (Grace) Mick of Phoenix, Ariz.; her father, Okey Edgell of East Liverpool, and two grandchildren.

Services will be held at the Cannon Funeral Home in Midland Saturday at 1 p. m. Burial will be in Oak Grove Cemetery.

Friends may call at the funeral home tonight after 7.

William Marty

EAST PALESTINE — Services will be held Saturday for William Marty, 72, of 633 W. Martin St., retired potter, who died suddenly at home Wednesday at 9:45. He had been ill.

Born Aug. 4, 1895, at Beloit, he was a son of the late Jacob and Elizabeth Rieder Marty. He worked for 36 years as a kilnplacer at the former W. S. George Co. pottery, retiring in 1962.

He was for many years active in the Columbiana County Beekeepers Association, serving as an inspector for 15 years.

He served in the Army during World War I, and was a member of the Centenary United Methodist Church, Masonic Lodge 417 and other Masonic groups, American Legion Post 31 and Local 31 of the International Brotherhood of Operative Potters.

Survivors include his wife, the former Helen Jones, at home; and four brothers, John Marty of Barberton and George Marty, Lewis Marty and Norman Marty of Alliance.

Services will be held Saturday afternoon at 2 at the Van-Dyke Funeral Home by the Rev. Thomas Hammerton of the church. Burial will be in Glenview.

Friends may call Friday night at the funeral home.

Gun Control Dispute Hits Critical Stage

WASHINGTON (AP) — Shifting public opinion, a delayed vote and President Johnson's sudden call for stricter firearms laws have brought the gun control controversy to a critical stage in Congress.

A bill to ban the mail order sale of all weapons, including rifles and shotguns, was before the Senate Judiciary Committee today for a vote originally scheduled a week ago.

A majority of committee members favored the measure then as the public outcry over Sen. Robert F. Kennedy's assassination crested, but developments since have clouded the issue.

Johnson pushed after the assassination for the ban on rifles and shotguns, then asked Congress in the past week to also enact legislation requiring registration of all guns and licensing of their owners.

Some gun control hawks want to tack that request onto the rifle-shotgun bill.

But public opinion has shifted dramatically, with congressmen now saying their mail is running heavily against stiffer control laws, particularly those requiring registration.

400 Officers Quell Rioting In California

RICHMOND, Calif. (AP) — More than 400 police cleared the streets early today in a swift confrontation with snipers and arsonists, and firemen put out a dozen fires.

Some 60 persons were arrested during a second straight night of disturbances.

Police sealed off an eight-block section.

Reinforcements were called from a number of nearby cities, including 50 San Francisco officers with police dogs.

Police said they could not estimate how many people were involved in the disturbance, the extent of injuries nor total damage.

The trouble was regarded by officers as a continuation of a neighborhood disturbance that erupted Tuesday night after a Negro teen-ager was shot and wounded by a reserve policeman in North Richmond, 10 miles north of Oakland.

In the Wednesday night flare-up, one of the largest downtown buildings, the Travelline furniture store, burned to the ground after police said a firebomb apparently had been thrown. All of the other fires were small and easily put out, firemen said.

Democrats Plan Drive In County

A membership drive to be headed by each precinct committeeman, was outlined during a meeting of the Columbiana County Democratic party Tuesday night in Lisbon.

Lawrence Applegate of East Liverpool was named to assist with the campaign.

Don R. Gosney of Columbiana, county chairman, pointed out "that campaign costs have increased by more than one-third since 1964" and called on every worker to help raise funds.

A united effort was pledged on behalf of Democratic candidates for county and state offices in the coming campaign.

Plans were discussed for the Jefferson - Jackson Day dinner in October. Sharon Quigley of East Liverpool was named dinner chairman and Arch Strabla of Salem program chairman.

Attending last night's meeting were the following candidates: Roy Allen, for state representative; R. Max Gard and Lew Sowards, for county commissioner, and County Recorder John P. Wargo.

The DOCTOR Says

By Dr. W. G. Brandstadt

Bright's Disease Is Not Inherited

Q—What is the cause of Bright's disease? Is it hereditary? What would cause a person with this disease to develop uremia? Can it be cured?

Dr. Brandstadt

A—Bright's disease is now usually called nephritis. It is not hereditary. It is a frequent complication of streptococcic sore throat, scarlet fever or rheumatic fever. Sometimes the initial infection goes unrecognized until the kidney involvement is discovered. When the kidneys are so damaged that they can no longer clear the urea from the blood, uremia occurs.

—:—

THIS USUALLY calls for the use of an artificial kidney. Some victims have been cured with a low - protein diet (18 grams of protein a day) or the use of specially prepared amino acids. When the underlying cause is a very high blood pressure or hardening of the arteries in the kidneys, an operation to give the kidneys a new blood supply is sometimes beneficial.

Q—A blood test shows my urea nitrogen blood level to be 30. Is that serious? How can it be brought down to normal?

A—Since an elevated blood urea (normal reading is 10 to 20) is a sign of impaired kidney function and early uremia, it is not to be taken lightly. See answer to previous question.

Q—What is retrograde pyelitis? Is there any way to prevent a recurrence?

A—This is an infection that ascends from the bladder to the kidney pelvis rather than reaching the kidney through the blood stream. It may be caused by a variety of bacteria and fungi. It is treated with antibiotics and urinary antiseptics but cure is often difficult. The only way to prevent a recurrence is to treat the disease until all signs of the infection are eliminated.

Q—What can one do for a floating kidney?

A—A sagging or floating kidney usually causes no trouble. It is often seen in persons who are much underweight. In such cases, bringing the body weight up to normal or slightly higher eliminates the sagging. If the sagging is great enough to cause kinking of the ureters an operation to fix the kidneys firmly in place may be necessary but this is not recommended for the run-of-the mill floating kidney.

Please send your questions and comments to Wayne G. Brandstadt, M.D., in care of The Review. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

In 1923, the first plant of the dairy was erected at Glenmoor, and subsequent additions and improvements followed. In 1937, he bought out the Crockery City Dairy and centered the growing operations on W. 8th St.

The firm today distributes more than 5,000 gallons of milk daily and other dairy products and operates restaurants here and at Lisbon, employing over 150. His son, John W. Eiferd, is vice president, and another son, Elmer E. Eiferd, is treasurer.

Mr. Eiferd was a member of the Pittsburgh Dairy Council, the Ohio Dairy Association, the National Independent Dairy Association, the Kiwanis Club, East Liverpool Area Chamber of Commerce, U. S. Chamber of Commerce, Masonic Lodge 681, Al Koran Shrine, the Grotto of Youngstown, the East Liverpool Shrine Club, the Steubenville Consistory, Royal Arch Masons, Pilgrim Commandery, Knights Templar and Elks Lodge 258.

Besides his sons, he is survived by a daughter, Mrs. Thelma E. Kinsey of Proenix, Ariz.; five grandchildren, and seven great-grandchildren.

Services will be held Saturday afternoon at 2 at the Dawson Funeral Home by the Rev. L. R. Carothers of the EUB Church at Huron, former pastor of the Wellsville church. Burial will be in Columbiana County Memorial Park.

Friends may call Friday afternoon and night at the funeral home.

New Book Tells Story Of The Kennedys

TRIUMPH
and
TRAGEDY:
The Story of the
KENNEDYS

The Kennedys have had it all.

From hunger in Ireland to realization, three generations later, of the American Dream. Wealth. Position. Power.

And they have seen the dream become nightmare.

The violence done them by fate is cruel enough. But the violence done them by the dark side of the human mind has appalled the nation and the world.

The story of this American family, what has been given it and what has been taken from it, is as fantastic as it is frightening.

Once before the Associated Press has chronicled a shocking tragedy of this afflicted family in "The Torch Is Passed", one of the largest selling books of all time, and the classic account of the assassination of President Kennedy.

Now, in a time of national shock and sympathy, the AP is producing another book on this fated family.

It is called "Triumph and Tragedy: The Story of the Kennedys." Many of those who wrote "The Torch Is Passed" are at work on the new project. It will be a hardbound book fully illustrated in color and black and white, a fitting memoir of one of the most shocking personal and public tragedies of American history.

To reserve your copy, send only $3 now to "Triumph and Tragedy" in care of The East Liverpool Review, Box 66, Poughkeepsie, N. Y. 12601. The book will be mailed you just as soon as it is available.

Number Of GIs Killed In Viet Last Week Hit 2-Month Low

SAIGON (AP) — The number of Americans killed in action in South Vietnam last week was the lowest for U.S. forces in two months, the U.S. Command reported today.

South Vietnamese forces reported a small increase in their casualties over the week before, while the U.S. Command said enemy casualties decreased slightly.

U.S. Headquarters said 299 Americans were killed in action and 2,220 were wounded in the week ending last Saturday. It was the lowest number killed since the week ending April 20 when 287 U.S. servicemen died in action.

The figures reflected a general slackening in ground fighting but raised the number of Americans killed from Jan. 1 through June 22 to 9,370, or nearly equal the 9,419 killed in all of last year.

South Vietnamese headquarters said 355 government troops were killed last week and 1,149 were wounded, compared with 286 and 1,189 the week before.

The government headquarters also reported that 262 Viet Cong and North Vietnamese soldiers were captured or surrendered last week, probably the highest total of the war.

The U.S. Command said 1,319 Viet Cong and North Vietnamese soldiers were killed by allied forces last week, a decrease of exactly 200 from the week before.

Of the 2,220 Americans wounded last week, the U.S. Command said 1,184 were hospitalized.

The U.S. Command said the weekly report raised the total of American casualties since Jan. 1, 1961 to 25,367 killed, 82,972 wounded and hospitalized, 74,545 wounded but not hospitalized, and 1,200 missing or captured.

A total of 366,160 enemy have been killed since the start of 1961, the command said.

Woman Bound Over On Murder Charge

DAYTON, Ohio (AP) — Leola Slaughter, 38, of Dayton, accused of fatally shooting her boyfriend, was bound over to the grand jury Wednesday on a first-degree murder charge.

Miss Slaughter is accused of shooting Calvin Gray, 40, also of Dayton, last June 9.

Courthouse Gets New 'Free Line'

LISBON — East Palestine, New Waterford and Rogers residents now may call the Courthouse free.

The county began paying the bill Monday.

The free line number for all three exchanges is New Waterford 457-2272.

County commissioners ordered the free line for the northeastern communities after the Ohio Bell Telephone Co. initiated extended service between Salem and Lisbon exchanges. The county formerly paid for a free line to Salem.

The Courthouse also has a free line (East Liverpool 385-2310) for East Liverpool and Wellsville residents.

With the two free lines and extended service between Lisbon, Salem, Leetonia and Columbiana, the Courthouse is available without toll to more than two-thirds of the county area. Exceptions are the Salineville district and Hanover, West, Butler and Knox townships outside the Ohio Bell system.

Ohio Democratic Delegates Seen Meeting In July

CLEVELAND (AP) — Sen. Stephen M. Young, D - Ohio, favorite son candidate for the Democratic presidential nomination, says he expects Ohio's delegates to the Democratic national convention to meet late in July.

Young said Wednesday it is likely that the 115-vote delegation will conduct a straw poll on the presidential race but remain uncommitted formally to any major candidate.

"This will not be a caucus, but a get-together," the senator explained.

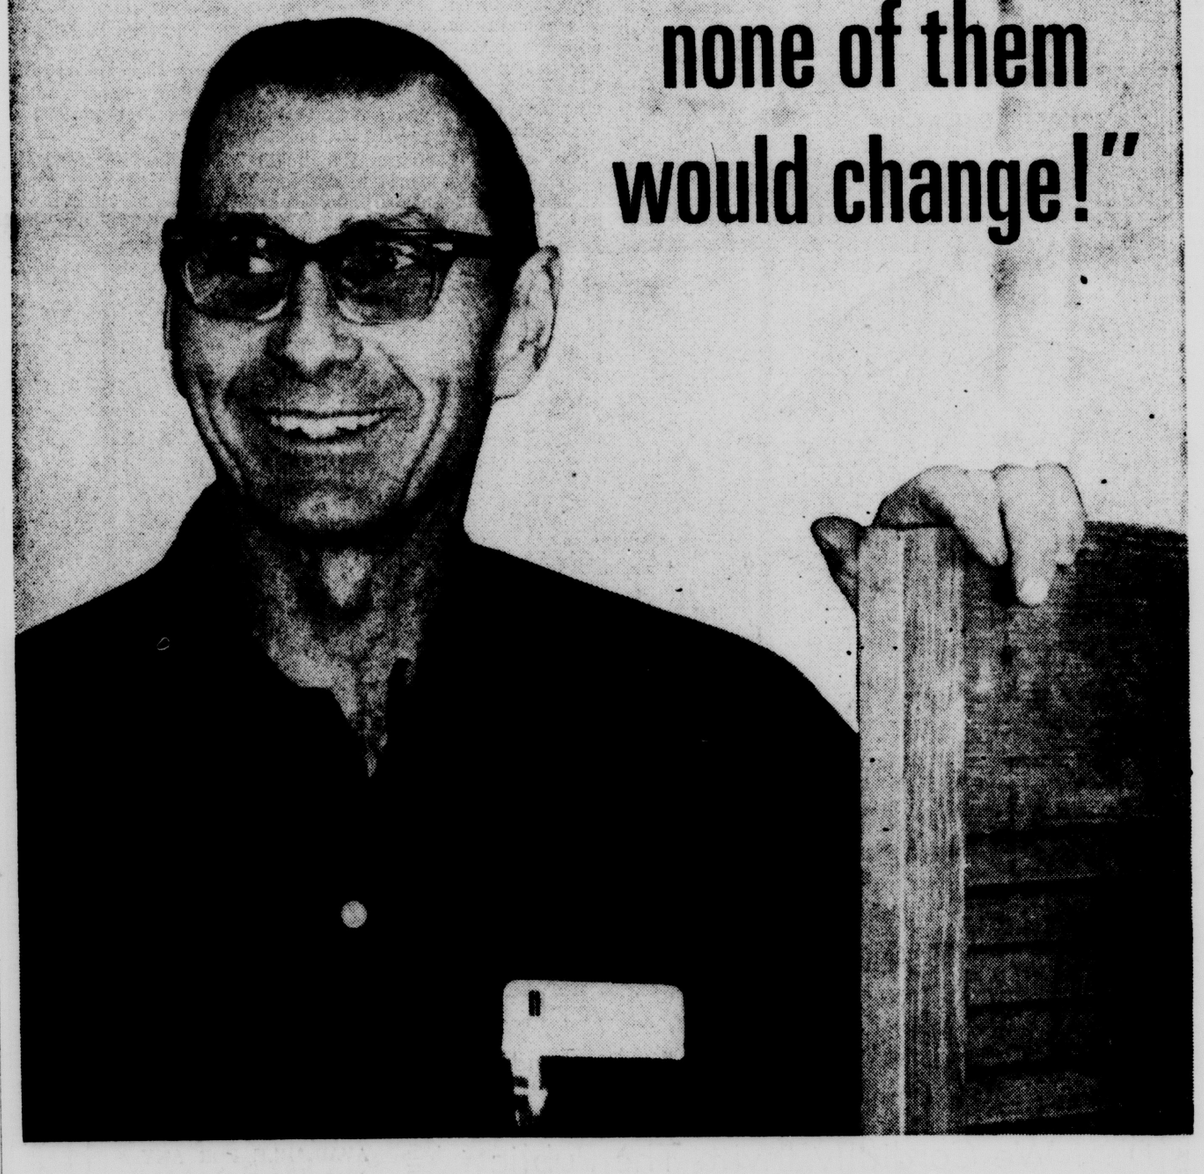

He said he would discuss a date for the meeting with Albert Porter, Cuyahoga County Democratic chairman and a Democratic national committeeman.

A delegate meeting had been scheduled by Young and Porter for June 8 in Cleveland, but they canceled it following the assassination of Sen. Robert F. Kennedy.

Named To Steel Post

CLEVELAND (AP) — W. C. Friesel was named Wednesday as managing director of the Association of Iron & Steel Engineers, succeeding T. J. Ess, who announced his retirement after 22 years as operating head of the 11,000-member technical society.

With Many Years Service

6 Will Retire At Crucible

JEROME HEINEY OLES WILLIAMS CHARLES KIRK

Three management employes and three maintenance workers are retiring from the Midland Division of the Crucible Steel Corp.

The three members of management are Oles Williams of Industry, a general foreman in the electrical repair shop, with 48 years service; John G. Goyak of Smiths Ferry, a turn foreman in the finishing and shipping at the No. 1 Conditioning Department, with 35 years, and Charles E. Kirk of Lakeview Estates, a general foreman in the secondary A. & P. Lines of the Cold Strip, with 35 years.

Crucible said they will retire effective July 1.

The other two are Mike Devich of Industry, a pipefitter in the pipe shop department with almost 35 years service, and Jerome H. Heiney of East Liverpool, a welder in the service department with nearly 40 years service.

—:—

WILLIAMS joined the Midland Division in April, 1920, as a substation operator where he was employed for seven years. He also worked in the electrical maintenance department and spent 39½ years in the electrical repair shop as foreman and general foreman. He was promoted to the latter position in 1957.

Married, he has four children, Mrs. Maxine Queen of Industry, Miss Nancy Lee Williams at home, Clifford Williams of Sewickley, employed by the Midland Division as assistant general foreman - power maintenance department, and Bruce Williams of Industry.

Williams is a member of the Church of Christ at East Palestine.

—:—

GOYAK joined the Midland Division as a laborer in the No. 2 Finishing Mill in 1933. He was transferred to the No. 3 Mill as a loader in 1934 and worked in this department until early 1952. He became permanently employed in the No. 1 Conditioning Department as a turn foreman in 1952.

He is a member of the American Legion Post 481 of Midland, Polish Falcon Nest 538 of Midland and Croation Fraternal Union 535 Of Midland.

Goyak has two brothers, Joseph T. Goyak of Midland and Thomas S. Goyak of East Liverpool, who are employed at the Midland Division, and four sisters, Annette Goyak, Ann Goyak, Rose Goyak and Mrs. Mary Muhic, all of Midland.

—:—

KIRK joined the Spaulding Works of Crucible on Oct. 2, 1933, and worked in various capacities, including raw material inspector for two years, chief inspector, quality control for five years, metallurgist for nine years, general foreman for four years and divisional superintendent for 12 years. He was transferred to the Midland Division in May 1965 as shift superintendent of Cold Strip. Presently he is employed as general foreman.

Married, he has two sons, Bruce Kirk of Wilmington, Del., and Robert Kirk, a law student at Cornell University, and five grandchildren.

He is a member of the Longs Run Presbyterian Church and the American Society for Metals.

—:—

DEVICH joined the Midland Division as a laborer in the Coke Plant in February 1933.

He worked in the general labor department and the 24-inch Bar Mill before being transferred to the pipe shop in 1947, where he worked as a pipefitter helper and a pipefitter.

Married, he has four children, Mike Devich Jr., Georgia, Virginia and Joseph, all at home.

—:—

HEINEY joined the Midland Division in 1929 and worked for a year in the Steel Foundry. He was transferred to the burning and welding department in 1930 where he worked for 38 years.

Married, he has five sons, Joseph Allen Heiney, Orlando, Fla.; Jerome Heiney Jr., Wellsville, a shearhopper at the No. 1 Finishing Mill; Wesley Heiney and Robert Heiney, East Liverpool, and Michael Vincent Heiney in the Navy. He also has four daughters, Mrs. Phylis Coss of Cleveland and Mrs. Jacqueline Ward, Mrs. Kay Yannie and Mrs. Elta Velera of East Liverpool, and 26 grandchildren.

Heiney is a former member of the Wellsville Volunteer Fire Department and a former fire instructor in Civil Defense for Eastern Ohio.

George Wilson of Wellsville, a machinist in the Blast Furnace, is retiring with almost 23 years service, effective July 1, and Sam Detore of Beaver a shearman in the forge stock department with 19 years service, retired May 1.

Charles V. Jones was named high priest of East Liverpool Chapter 100, Royal Arch Masons, during an election and installation Monday night in the Masonic Temple on Broadway.

Also named were Richard A. McCready, king; John W. Rowley, scribe; Elmer M. Matheny, captain of hosts; Ronald T. Hopper, principal sojourner; Donald D. Lyle, Royal Arch captain; Charles A. Huddlestun, master of the third veil; Stanley Skeens, master of the second veil; William R. Jennings, master of the first veil; H. Emil Heidel Jr., treasurer; T. F. Scheffer, secretary; Charles D. Zeder, guard; John T. Rayl, trustee, and Frank B. Miller, temple company representative. Rayl is the outgoing high priest.

Miller, Heidel, Scheffer and Zeder were re-elected.

They were installed by Alex Kidd and Samuel C. Blackburn, past high priests.

Following the chapter meeting, Blackburn was installed as eminent commander of Pilgrim Commandery 55, Knights Templar.

The group will resume meetings in September.

Probably the rarest small mammal in all of North America is the black-footed ferret. A black weasel with black feet and face mask, it once ranged the plains and foothills from Canada to Arizona—but the widespread destruction of prairie dogs, its main food, has left it on the edge of extinction.

Major Roof Repairs Set For Schools In Hancock

Major roof repairs were approved for four elementary schools in the district when the Hancock County Board of Education met this week at New Cumberland.

The work, to cost $2,743, will be done by the Romig Roofing Co. of Chester as follows:

Weirton Heights Addition—restrip metal edging and recoat roof, $350; Broadview — repair sections where felt has buckled and recoat entire roof, $525; Jefferson — patch roof where required and recoat roof, $495, and New Manchester — recoat roof of new building and replace the existing roof on the old building with half - inch insulation and composition roof, $873.

In addition, the roofing company inspected all school building roofs and noted a number of them were in need of minor repairs.

The schools and the roof repairs needed are as follows: Weirton Vocational — minor repairs to flashing on low section; Weir Junior High — central building, minor repairs to flashing while at Weir junior building coat concrete chimney caps to stop penetration of water into chimney; Marland Heights — minor reairs to expansion joints at building extension; Cove School — repair flashing; Dunbar School — replace ventilation tops; New Cumberland — coat valleys in gymnasium roof and replace vent and minor repairs to flashing on main roof; Wells — recoat roof valleys with hot asphalt and minor repairs to flashing; Chester Junior High—recoat parapet walls of gym; Weirton Heights — minor repairs to expansion joints.

It was noted by Dr. Vernon Wyland not all of the minor repair work to the school building roofs will be accomplished this year by the firm. He said the work will be done on a time and material basis.

The board approved the work with the stipulation that the work and materials used be overseen by an employe of the school system.

In other action, the board approved entering into a contract with M. David Shaffer and Associates of Wheeling to develop drawings and specifications for the conversion or replacement of boilers and new flourescent lighting in several of the schools.

The fee quotation submitted by the firm was 7 per cent of the cost on all buildings that have builder plans and specifications and 8 per cent on those buildings that do not have plans and specifications.

Also submitting a bid was the firm of Ray Shaw of Weirton, whose quotation was 8 per cent of all buildings.

Recently, the board had instructed Dr. Wyland to seek professional services governing these planned for changes.

Dr. Wyland informed the board it would not be possible to complete the total work this summer, but a portion of it would be completed now that the board has approved the entering of into a contract with the firm.

The eight buildings involved in the revamping program are New Cumberland Junior High, Marland Heights, Cove, Liberty, Dunbar, Weirton Heights, Chester Intermediate and Wells Junior High.

Quota Hears Background Of Nursing

The history of nursing was discussed by Mrs. Janet Colaizzi, educational director at the City Hospital School for Nurses Training, during the meeting of the Quota Club Tuesday night with Mrs. Marie Hays of Smithfield St.

She gave the background of the profession from 1840 in England and America. The guest speaker was introduced by Mrs. Juanita Clendenning, program chairman.

Miss Selma Ladzinske, president, conducted business and led a discussion on the regional division to be brought before the international conference July 6-8 at Kansas City, where she will serve as delegate.

Refreshments were served 18 at a buffet table covered with an embroidered cloth and centered with a floral arrangement flanked by pink tapers. Miss Ladzinske poured at the silver service.

A date will be announced for the annual picnic in August.

Group Will Plan Carnival Booth

HIGHLANDTOWN — Plans were outlined for a booth at the firemen's homecoming carnival when the Women's Corps met Tuesday night in the fire hall.

Donations to the Country Store booth may be made by contacting any member of the corps.

The trustees will select the new curtains to be purchased by the group and to be hung prior to the homecoming. New blouses, with the club's name, have been purchased.

Mrs. Barbara Boyd, Mrs. Nadine Leatherberry and Mrs. Val Pisarsky were guests. Meetings will be held July 2 and 9 to make final plans for the booth at the Homecoming.

Today In Washington

WASHINGTON (AP) — Former Postmaster General J. Edward Day says he will become president July 1 of the Associated Third Class Mail Users, the nation's largest organization of so-called "junk" mailers.

Day, postmaster general under President John F. Kennedy from 1961 to August 1963, will be in charge of the association's lobbying activities in his new position.

"It's just a client for my law firm, and we have 80 lawyers in the firm," he said Wednesday. "The unusual thing about this is that I am assuming the title of president."

Day succeeds Harry McGinnis who was embroiled in a dispute last December with Chairman A. S. Monroney, D-Okla., of the Senate Post Office Committee.

Monroney battled successfully for a multimillion-dollar increase in postal rates for bulk mail.

WASHINGTON (AP) — A $20 million cut for interstate services of the American Telephone & Telegraph Co. and associated Bell System companies has been ordered by the Federal Communications Commission.

A general rate reduction of that amount had been ordered previously but deferred. The new order Wednesday requires the companies to file rate schedules for the reductions by Aug. 1.

The FCC ordered a reduction last July 5 totaling $120 million and later made most of it effective last Nov. 1, but deferred the $20 million portion that now has been ordered into effect.

Capital Footnotes

State welfare agencies receiving federal funds have been directed to call their clients "Mr.," "Mrs." and "Miss"—and otherwise treat them courteously. The order came from Federal Social and Rehabilitation Administrator Mary E. Switzer who said there have been increasing complaints of discourteous treatment.

The drain of U.S. gold was $79 million during May, the lowest since last January, Treasury Department figures show.

Discussion Held

Proposals Are Ignored, Industry Group Claims

Failure of Industry Council to inform the Mayor's Citizens Advisory Committee of action on citizen requests was discussed by the committee Tuesday night at the Borough Building.

Since the committee was formed by Mayor Steve Suchanec in January, Council has informed the committee only once ot action taken on a committee recommendation regarding State Highway maintenance of state roads and a one - lane bridge, behind Mickey's, on L. R. 04013, members said.

The committee said it has received no correspondence from Council on a variety of 14 other recommendations and requests. These include:

(1) "that Borough Council consider street lighting, as funds permit, for dangerous curves, intersections and homes along dark stretches of Barclay Hill Rd., for Plan No. 2 at Sunrise Hills, at the intersection of L. R. 04080 and L. R. 04108 and the intersection of L. R. 04108 and L. R. 080;

—:—

(2) "THAT Borough Council provide the Committee with petty cash in an amount to be determined by Borough Council;

(3) "that Borough Council keep the Committee informed as to Council's action on any Committee recommendations:

(4) "Paul Sosack, Jr. and Gene Holben ask that a Duquesne light pole, located 15 inches out in the road on Cherry Alley, be removed because it has been hit by cars and represents a danger to the Borough road grader;

(5) "Charles Hawthorne asks that drain pipe be installed on Terrace Ave. above Lee Block because water runs into the Hawthorne kitchen;

(6) "Steve Brazo of Debbie Drive asks that an off - street parking sign be removed from in front of his picture window and placed elsewhere on the property line; and that traffic signs on Debbie and Friendship Drive, which presently face across the road, are installed facing traffic;

—:—

(7) "ANTHONY Kress, committee member, requests that the Water Authority be advised to fill an excavation in front of Mrs. Mullen's home on Ohio Ave. which has not been satisfactorily filled in three and a half months;

(8) "The committee requests Council to give its permission, if possible, for its Recreation Chairman to attend the next meeting of the Advisory Committee to be held April 30, 1968, at 7:30 p. m. at the Borough Building for a discussion on recreation plans in the Borough;

(9) "The committee again requests of Council that it inform the committee of any action taken by Council on any recommendations of the Committee and address this information to Mr. C. L. Finley, President, Mayor's Citizens Advisory Committee, RD 1, Industry, Pa. 15052;

(10) "that Council press the Pennsylvania State Highway Department for immediate completion of Kelly Rd., L. R. 04080;

(11) "Bud Farrell, plant manager, Shell Chemical Co., has requested the grading and resurfacing of Orange St., from Wabash Ave. to the Pennsylvania Railroad Underpass. The committee urges filling in the potholes and other torn up sections with blacktop;

(12) "THE Pennsylvania State Highway Department should be contacted for repairs to Paradise Rd., L. R. 04107, which is becoming almost impassable with potholes;

(13) "Would Council consider making a complete littering or dumping of refuse ordinance for Borough roads with a fine as penalty to supplement the state law for highways?

(14) "A resident, Nick Mosura of Kelly Rd., has requested that a street light be moved to the next lower pole in order that his and Frank Mosura's homes may benefit from the light."

Requests and recommendations of the committee have been presented to Council by letters from the Committee to the mayor who in turn presents them, members said.

C. L. Finley, president, presided. Next meeting will be held July 30.

Plan Changed For Lisbon's Street Work

LISBON — The Ohio Highway Department has removed from the Route 164 relocation plan here those features objectionable to S. Lincoln Ave. (Route 164) residents.

The people turned out in strength June 4 at a public hearing in Village Hall to state opposition to the proposed widening of the street by two feet on each side. They said this would mean the removal of 44 maple trees and leave their homes too close to the highway.

Village Council returned from a meeting with Division 11 highway officials in New Philadelphia Wednesday afternoon to call a special meeting and accept the highway department's resolution which eliminates the widening of Lincoln.

Instead of widening S. Lincoln the full distance from the Erie-Lackawanna Railroad to W. Washington St. where the route turns east, the street will be widened (tapered) from the tracks north 261 feet to the James Hollister residence, the state men said.

This will require the removal of two trees and a stump. The state will not take the Verna Feight property at the southeast corner of Lincoln and Washington to improve the turning radius for trucks as originally proposed.

The project will eliminate two right - angle turns immediately south of the corporation line and replace a narrow concrete bridge over the middle fork of Little Beaver Creek.

Mayor Clyde B. Pike, State Rep. Clarence L. Wetzel and Councilmen Bill Mattix, Willis Coleman, Ray Beers, Larry Evans and Charles Webber made the trip to Division 11 headquarters to talk to Levi Kimball, deputy director, and Sherman S. Price, design and planning engineer. Councilman Bill Robinson is on vacation.

2 Schools OK'd By Beaver Board

BEAVER—The Beaver County Board of Education Wednesday approved building plans for two new schools at Aliquippa to meet federal and state requirements for de-segregation of students.

One school will house 1,400 pupils and the other 1,200 pupils from kindergarten through sixth grades.

Several special education instructors were employed, including Mrs. Mary Memec of Industry, Wisconsin State University graduate who will teach at the Industry School in Western Beaver District.

The board approved a budget of $970,211 for special education in the county, and $52,000 for the instruction materials center.

Action Taken To Speed Ruling In Tax Dispute

Asst. Solicitor Jackman S. Vodrey and Prosecuting Atty. J. Warren Bettis agreed Wednesday on procedure that will cut down the time required for a decision by the State Board of Tax Appeals in the city's move to upset a ruling of the County Budget Commission.

The city seeks a ruling from the Board of Tax Appeals that it has a right to appropriate immediately the new revenue anticipated from a boost in the municipal income tax legislated in March. The County Budget Commission, taking the opposite view, ruled that the city cannot allocate the funds until they actually are collected.

Rather than appear personally before the Board of Tax Appeals today, as scheduled, Vodrey and Bettis agreed to file a joint stipulation of the facts. Since the case turns on an interpretation of the facts, the action will have the effect of bypassing a hearing and advancing a decision date.

In the ordinary procedure, each party to the case would receive a record of the hearing about 15 days after their appearances. The city then would be permitted to file a brief and 10 days following that, the county would file a brief.

Vodrey said he has proposed to Bettis that both parties file briefs simultaneously by July 10. The Board of Tax Appeals then could act to make a decision.

Filing the joint stipulation of facts should cut 30 to 45 days off the time required to obtain a decision under the normal procedure, Vodrey said.

The case turns primarily on whether or not an increase in a city income tax can be considered a "new" source of revenue or merely an increase in an existing source.

After approving the tax boost in March, Council sought County Budget Commission approval to allocate the funds in the annual appropriation ordinance, which was enacted a few days later. The Budget Commission declined to allow the action. Under its ruling, the funds could not be appropriated until very late in 1968.

There are no precedents in the law books because such an issue never has been decided before.

New Fireman Begins Duties

Karl Lee Kontnier, 26, of Densmore Ave. began his duties today as the newest member of the city fire department after receiving the oath of office from Municipal Judge Samuel M. Chertoff.

Kontnier was appointed by Safety - Service Director Robert E. Vodrey from a three - man list certified by the Municipal Civil Service Commission. He replaces Firemen Austin Conley resigned.

An East Liverpool High School graduate, Kontnier is married and has one child. He is a former employe of the Midland Division of the Crucible Steel Corp.

Kontnier reported for duty on the 7:45 a. m. shift at Central Station. Under wage raises proposed by Council Wednesday night, the post will pay $439 monthly for a six-month probation period. Then the salary will advance to $480.

Newell Resident Injured In Crash Of Motorcycles

A Newell youth is in "fairly good" condition today at City Hospital, where he was admitted Wednesday following an accident at 5 p. m. involving two motorcycles on the 6th St. hill in Newell.

Jerry Pruden of 413½ Grant St., suffered torn ligaments of the left knee. The operator of the other motorcycle, David M. Baker, 16, of 515 Grant St. was treated about 5:30 p. m. for abrasions of the right elbow, right rib section and hip.

Baker is a son of Ray Baker and Pruden a son of Paul Pruden.

The Baker family said the two cycles were traveling down the hill when the Pruden vehicle pulled in front of Baker's, causing Baker to strike him broadside.

No police report was made, the family said.

Steubenville Motorist Fined By Local Judge

Joseph Bonie, 26, of Steubenville was fined $10 and costs today in Municipal Court by Judge Samuel Chertoff on a charge of operating an auto without a muffler.

Bonie also was ordered to pay court costs on a charge of improper auto registration. He was cited Tuesday night on Route 7 by the Ohio Highway Patrol.

The court issued a bench warrant for the arrest of Charles R. Richards of 416 College St., who failed to appear on a charge of operating an auto without a license. He was cited at 1:20 this morning in Summit Ln. by Lt. Robert Pyle.

Roger L. Judy of Dorcas, W. Va., forfeited a $32.50 bond on a charge of failure to stop in the assured clear distance. He was cited Monday at 5:20 p. m. on Route 7 by the patrol.

LBJ Urges 'Viewpoints' About Poor

By DOUGLAS B. CORNELL
Associated Press Writer

WASHINGTON (AP) — President Johnson says those concerned about the nation's poor people should "make appropriate representations and certainly express their viewpoints," but only within the law.

"I think that everyone in Washington in a position to serve the people of this country are going to do everything they can to aid the poor," the President said during a Wednesday news conference. He had been asked if any good purpose could be served by leaders of the Poor People's Campaign turning to civil disobedience.

The news conference was staged mainly to announce Johnson's decision to accept Chief Justice Earl Warren's offer to retire from the Supreme Court.

The President said he would nominate Associate Justice Abe Fortas to be chief justice, while federal circuit Judge Homer Thornberry of Austin, Tex., would take Fortas' seat on the high court.

On a range of other topics, Johnson said he was prepared to act on the bill calling for a $10 billion tax increase and a $6 billion slash in spending as soon as the customary review of government agencies affected is finished, probably in a day or two.

He also said he hopes to get his way with Congress on requiring registration of every gun in America and licensing of all gun owners.

Otherwise the conference produced results pretty much on the negative side. Johnson said that:

He knows of no basis for rumors of a U.S.-Soviet summit session or a presidential trip to Russia.

He is unable to evaluate reasons for intensified Communist pressure on West Berlin.

He preferred not to comment on the infiltration and ground situations in Vietnam or on some possible offensive.

Miami County Plans Tax On Auto License

PIQUA, Ohio (AP)— Miami County Commissioners voted 2-1 Wednesday in favor of the $5 auto license tag surcharge.

Robert Clawson, one of those voting for the increase, said he would prefer to let taxpayers make a trial decision at a referendum in the fall.

New Book Tells Story Of The Kennedys

TRIUMPH
and
TRAGEDY:
The Story of the
KENNEDYS

The Kennedys have had it all.

From hunger in Ireland to realization, three generations later, of the American Dream. Wealth. Position. Power.

And they have seen the dream become nightmare.

The violence done them by fate is cruel enough. But the violence done them by the dark side of the human mind has appalled the nation and the world.

The story of this American family, what has been given it and what has been taken from it, is as fantastic as it is frightening.

Once before the Associated Press has chronicled a shocking tragedy of this afflicted family in "The Torch Is Passed", one of the largest selling books of all time, and the classic account of the assassination of President Kennedy.

Now, in a time of national shock and sympathy, the AP is producing another book on this fated family.

It is called "Triumph and Tragedy: The Story of the Kennedys." Many of those who wrote "The Torch Is Passed" are at work on the new project. It will be a hardbound book fully illustrated in color and black and white, a fitting memoir of one of the most shocking personal and public tragedies of American history.

To reserve your copy, send only $3 now to "Triumph and Tragedy" in care of The East Liverpool Review, Box 66, Poughkeepsie, N. Y. 12601. The book will be mailed you just as soon as it is available.

Number Of GIs Killed In Viet Last Week Hit 2-Month Low

SAIGON (AP) — The number of Americans killed in action in South Vietnam last week was the lowest for U.S. forces in two months, the U.S. Command reported today.

South Vietnamese forces reported a small increase in their casualties over the week before, while the U.S. Command said enemy casualties decreased slightly.

U.S. Headquarters said 299 Americans were killed in action and 2,220 were wounded in the week ending last Saturday. It was the lowest number killed since the week ending April 20 when 287 U.S. servicemen died in action.

The figures reflected a general slackening in ground fighting but raised the number of Americans killed from Jan. 1 through June 22 to 9,370, or nearly equal the 9,419 killed in all of last year.

South Vietnamese headquarters said 355 government troops were killed last week and 1,149 were wounded, compared with 286 and 1,189 the week before.

The government headquarters also reported that 262 Viet Cong and North Vietnamese soldiers were captured or surrendered last week, probably the highest total of the war.

The U.S. Command said 1,319 Viet Cong and North Vietnamese soldiers were killed by allied forces last week, a decrease of exactly 200 from the week before.

Of the 2,220 Americans wounded last week, the U.S. Command said 1,184 were hospitalized.

The U.S. Command said the weekly report raised the total of American casualties since Jan. 1, 1961 to 25,367 killed, 82,972 wounded and hospitalized, 74,545 wounded but not hospitalized, and 1,200 missing or captured.

A total of 366,160 enemy have been killed since the start of 1961, the command said.

Woman Bound Over On Murder Charge

DAYTON, Ohio (AP) — Leola Slaughter, 38, of Dayton, accused of fatally shooting her boyfriend, was bound over to the grand jury Wednesday on a first-degree murder charge.

Miss Slaughter is accused of shooting Calvin Gray, 40, also of Dayton, last June 9.

The bora, buran and karaburan are winds of the Adriatic, Siberia and Tarim Basin, respectively.

Courthouse Gets New 'Free Line'

LISBON — East Palestine, New Waterford and Rogers residents now may call the Courthouse free.

The county began paying the bill Monday.

The free line number for all three exchanges is New Waterford 457-2272.

County commissioners ordered the free line for the northeastern communities after the Ohio Bell Telephone Co. initiated extended service between Salem and Lisbon exchanges. The county formerly paid for a free line to Salem.

The Courthouse also has a free line (East Liverpool 385-2310) for East Liverpool and Wellsville residents.

With the two free lines and extended service between Lisbon, Salem, Leetonia and Columbiana, the Courthouse is available without toll to more than two-thirds of the county area. Exceptions are the Salineville district and Hanover, West, Butler and Knox townships outside the Ohio Bell system.

Ohio Democratic Delegates Seen Meeting In July

CLEVELAND (AP) — Sen. Stephen M. Young, D - Ohio, favorite son candidate for the Democratic presidential nomination, says he expects Ohio's delegates to the Democratic national convention to meet late in July.

Young said Wednesday it is likely that the 115-vote delegation will conduct a straw poll on the presidential race but remain uncommitted formally to any major candidate.

"This will not be a caucus, but a get-together," the senator explained.

He said he would discuss a date for the meeting with Albert Porter, Cuyahoga County Democratic chairman and a Democratic national committeeman.

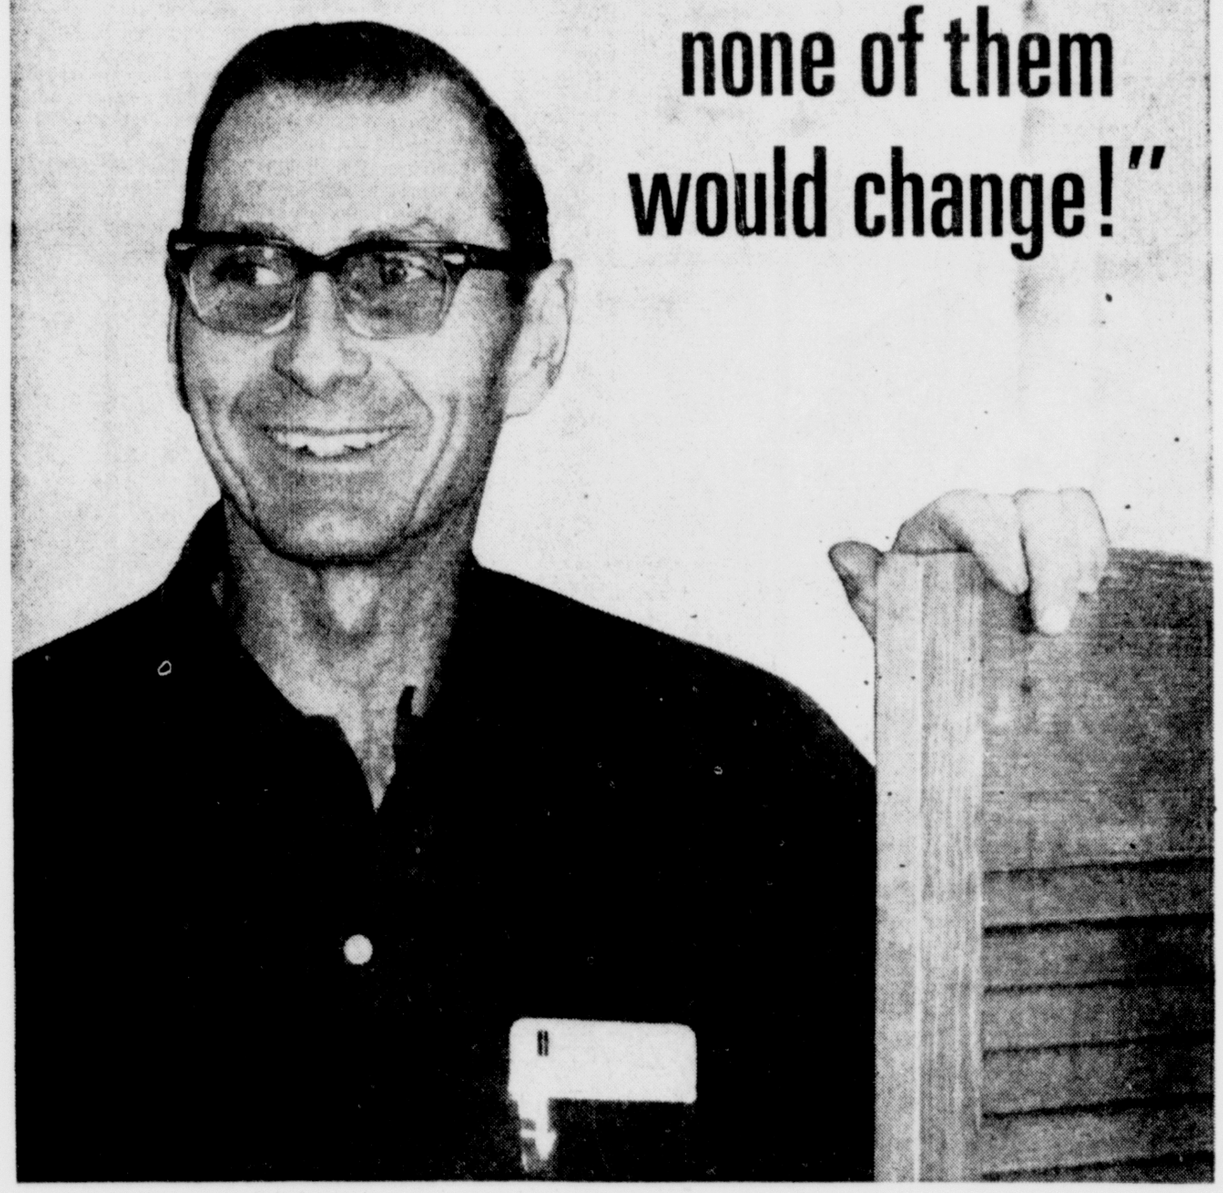

A delegate meeting had been scheduled by Young and Porter for June 8 in Cleveland, but they canceled it following the assassination of Sen. Robert F. Kennedy.

Named To Steel Post

CLEVELAND (AP) — W. C. Friesel was named Wednesday as managing director of the Association of Iron & Steel Engineers, succeeding T. J. Ess, who announced his retirement after 22 years as operating head of the 11,000-member technical society.

"Buyers of my homes are so satisfied with electric heating, none of them would change!"

"A customer asked for an electric heating installation in 1959, and every home, except one, I've built since then has had electric heating," says Mr. Stevenson. "Everyone likes the cleanliness and comfort...so do I in my own home."

Builders know what's best for homes. That's why so many new homes in the Ohio Power area have flameless electric heating. It's the clean, trouble-free, economical way to heat your home.

ANN LANDERS

Silverware Suspicions

By Ann Landers

Dear Ann Landers: I've been staring at this piece of paper for 15 minutes, not knowing how to put my problem into words. Well, here goes: Have you ever heard of counting the silverware when the company leaves? I never thought I'd have to do it, but I was wrong.

Several months ago we had dinner at the home of friends. I noticed Mrs. A. had at least five different patterns of sterling silver — service for two in one pattern, three in another pattern, and so on. She had service for four in the same pattern I have.

This woman is in our bridge club and she has been here several times for lunch as well as for dinner parties. Recently I was preparing for a buffet supper for 12 when I discovered I was short 3 teaspoons, 2 dinner forks, 2 salad forks, a sugar shell and a cake server.

Have you any suggestions as to how I can hang on to the silver I have left? Don't tell me not to invite her any more. She is a close friend and her husband and my husband are business associates.—TARNISHED RELATIONSHIP.

-:-

Dear Tarnished: The next time you are in the woman's home make a point of the fact that SOME of her silver matches yours and then ask why she doesn't settle on one pattern instead of trying so many.

Do it privately and be sure to convey the message that you are interested in her answers — not just making small talk. She'll get the message.

Motherly Hate

Dear Ann: I had to write and comment on your advice to "Countdown Mother" — the woman who confessed she hated her daughter and treated her shabbily from the day the child was born.

Several women at our card club discussed that letter and they couldn't understand how a mother in her right mind could despise her own child. I remained silent although I was well qualified to speak since I was such a mother myself.

One day I slapped my child so hard she fell off the chair. She had asked for a second helping of mashed potatoes and wouldn't eat it. Her nose began to bleed and I couldn't stop it. I called the doctor.

When he came I was petrified because the child had lost so much blood. He asked me what happened. I told him the truth. That wonderful doctor urged me to get psychiatric help. He offered to arrange for an appointment at the community clinic.

After 16 months of therapy I'm a new woman. I now understand why I hated that child. Furthermore, with understanding has come complete acceptance, if not genuine love.

Please continue to tell all mothers who have hostile feelings toward their children to get professional help. It changed my life and saved my daughter. —COUNTDOWN MOTHER NO. 2.

-:-

Dear Mother: Thank you for your letter. It should give encouragement to other mothers who suffer with the same problem. Knowing that there IS help, that such a situation is not utterly hopeless, can be immensely supportive.

Confidentially

To Brought Up With a Closed Mind and Proud of It: Your mind isn't "closed" my friend — it's nailed shut. I strongly suggest that you open it up occassionally. Something of value may drop in.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a long-self-addressed, stamped envelope.

Fire-Bombings Injure Six, Gut Three Buildings

PITTSBURGH (AP) — Firebombings in the Hazelwood section early Thursday gutted three buildings and injured six persons.

Witnesses told police they saw youths throw three firebombs into the door of the M. Levin Furniture store. The fire then spread to two adjacent buildings.

Fire Chief Harry Keller estimated damage at about $40,000.

Police found another firebomb in the doorway of a hardware. However, it had failed to ignite.

Firemen said two cars were also bombed including a brand new motel.

Following the bombings, Police Supt. James W. Slusser issued an order to all policemen to "use every means at your command" to protect the safety of innocent lives.

The injured, which included one fireman and a child, were taken to Presbyterian Hospital. One was admitted.

The same section in Hazelwood was the scene of disturbances in May.

Music Figure Dies

LOS ANGELES (AP) — Harry "Ziggy" Elman, 54, jazz age trumpet player whose recording of "And the Angels Sing" was a hit in the 1940s, died Wednesday after a long illness. Elman collaborated with Johnny Mercer in writing songs and made several films in later life.

Man Is Bound Over On Murder Charge

CHILLICOTHE, Ohio (AP) — A Chillicothe man accused of fatally injuring a fellow tavern patron by hitting him on the head with a bar stool has been bound over to the Ross County Grand Jury on a first - degree manslaughter charge.

Ezra A. Nunley, 32, is charged in the death of Edward O. Woodall, 35, of West Hamlin, W. Va. Nunley allegedly hit Woodall with a stool during a tavern fight June 11 and a leg of the stool penetrated about three inches into Woodall's forehead. Woodall died five days later.

Mexican Figure Dies

MEXICO CITY (AP) — Jose Ortiz Tirado, 74, a former president of the Supreme Court of Mexico, died Wednesday of a respiratory illness.

Eviction Action Dropped Against White And Negro

CINCINNATI (AP) — Eviction proceedings were withdrawn Wednesday against a white woman and a Negro woman sharing an apartment in suburban Chevoit, but an attorney for the owners of the apartment said another suit would be filed if the rent was not paid within a week.

The suit had been filed because the two women had failed to pay the rent for the month of June, he said.

The two women, Ann Ogletree, 24, and Suzanne M. Malcolm, 20, won a halt in eviction proceedings Tuesday on their complaint filed before U.S. District Judge David S. Porter. The two contended they were ordered to move because Miss Ogletree is a Negro.

The apartment the two have rented since May is owned by

Major Roof Repairs Set For Schools In Hancock

Major roof repairs were approved for four elementary schools in the district when the Hancock County Board of Education met this week at New Cumberland.

The work, to cost $2,743, will be done by the Romig Roofing Co. of Chester as follows:

Weirton Heights Addition—restrip metal edging and recoat roof, $350; Broadview — repair sections where felt has buckled and recoat entire roof, $525; Jefferson — patch roof where required and recoat roof, $495, and New Manchester — recoat roof of new building and replace the existing roof on the old building with half-inch insulation and composition roof, $873.

In addition, the roofing company inspected all school building roofs and noted a number of them were in need of minor repairs.

The schools and the roof repairs needed are as follows: Weirton Vocational — minor repairs to flashing on low section; Weir Junior High — central building, minor repairs to flashing while at Weir junior building coat concrete chimney caps to stop penetration of water into chimney; Marland Heights — minor reairs to expansion joints at building extension; Cove School — repair flashing; Dunbar School — replace ventilation tops; New Cumberland — coat valleys in gymnasium roof and replace vent and minor repairs to flashing on main roof; Wells — recoat roof valleys with hot asphalt and minor repairs to flashing; Chester Junior High—recoat parapet walls of gym; Weirton Heights — minor repairs to expansion joints.

It was noted by Dr. Vernon Wyland not all of the minor repair work to the school building roofs will be accomplished this year by the firm. He said the work will be done on a time and material basis.

The board approved the work with the stipulation that the work and materials used be overseen by an employe of the school system.

In other action, the board approved entering into a contract with M. David Shaffer and Associates of Wheeling to develop drawings and specifications for the conversion or replacement of boilers and new flourescent lighting in several of the schools.

The fee quotation submitted by the firm was 7 per cent of the cost on all buildings that have builder plans and specifications and 8 per cent on those buildings that do not have plans and specifications.

Also submitting a bid was the firm of Ray Shaw of Weirton, whose quotation was 8 per cent of all buildings.

Recently, the board had instructed Dr. Wyland to seek professional services governing these planned for changes.

Dr. Wyland informed the board it would not be possible to complete the total work this summer, but a portion of it would be completed now that the board has approved the entering of into a contract with the firm.

The eight buildings involved in the revamping program are New Cumberland Junior High, Marland Heights, Cove, Liberty, Dunbar, Weirton Heights, Chester Intermediate and Wells Junior High.

Today In Washington

WASHINGTON (AP) — Former Postmaster General J. Edward Day says he will become president July 1 of the Associated Third Class Mail Users, the nation's largest organization of so-called "junk" mailers.

Day, postmaster general under President John F. Kennedy from 1961 to August 1963, will be in charge of the association's lobbying activities in his new position.

"It's just a client for my law firm, and we have 80 lawyers in the firm," he said Wednesday. "The unusual thing about this is that I am assuming the title of president."

Day succeeds Harry McGinnis who was embroiled in a dispute last December with Chairman A. S. Monroney, D-Okla., of the Senate Post Office Committee.

Monroney battled successfully for a multimillion-dollar increase in postal rates for bulk mail.

—:—

WASHINGTON (AP) — A $20 million cut for interstate services of the American Telephone & Telegraph Co. and associated Bell System companies has been ordered by the Federal Communications Commission.

A general rate reduction of that amount had been ordered previously but deferred. The new order Wednesday requires the companies to file rate schedules for the reductions by Aug. 1.

The FCC ordered a reduction last July 5 totaling $120 million and later made most of it effective last Nov. 1, but deferred the $20 million portion that now has been ordered into effect.

Capital Footnotes

State welfare agencies receiving federal funds have been directed to call their clients "Mr.," "Mrs." and "Miss"—and otherwise treat them courteously. The order came from Federal Social and Rehabilitation Administrator Mary E. Switzer who said there have been increasing complaints of discourteous treatment.

The drain of U.S. gold was $79 million during May, the lowest since last January, Treasury Department figures show.

—:—

Capital Quote

"The mood of Congress and the country is in disagreement with the views of the Supreme Court on many issues. In this light it is important that a new administration and the American people not be deprived of the right to fill these positions."—Sen. Howard Baker Jr., R-Tenn., a signer of a Republican petition opposing President Johnson's two Supreme Court appointments as a "lame duck" president.

Padgett Will Teach, Take Advanced Study

Charles W. Padgett, who was graduated this month at Geneva College, has accepted a teaching position in the East Liverpool school system and plans to study toward an advanced degree.

Padgett, the son of Mr. and Mrs. Wilford Padgett of 561 Broadview Circle, received his bachelor of science degree in biology at the Beaver Falls school.

Quota Hears Background Of Nursing

The history of nursing was discussed by Mrs. Janet Colaizzi, educational director at the City Hospital School for Nurses Training, during the meeting of the Quota Club Tuesday night with Mrs. Marie Hays of Smithfield St.

She gave the background of the profession from 1840 in England and America. The guest speaker was introduced by Mrs. Juanita Clendenning, program chairman.

Miss Selma Ladzinske, president, conducted business and led a discussion on the regional division to be brought before the international conference July 6-8 at Kansas City, where she will serve as delegate.

Refreshments were served 18 at a buffet table covered with an embroidered cloth and centered with a floral arrangement flanked by pink tapers. Miss Ladzinske poured at the silver service.

A date will be announced for the annual picnic in August.

Hammondsville District News

Mrs. Charles Smith and daughter, Barbara, and Mr. and Mrs. Leroy Kelly of Hammondsville have returned after a two-week trip which included a visit to the San Antonio (Tex.) fair.

They were accompanied at the fair by her son, Spec. 5 Joseph Smith of Ft. Hood, and Miss Betty Ivey of Holland, Tex. They also visited Mrs. Margaret Kraft and children of Marion, Ind.

Mr. and Mrs. Gary Frampton and children have returned from a vacation trip to the San Antonio fair and relatives there and at Knoxville and Memphis, Tenn.

Mr. and Mrs. Donald Stewart and daughter have completed a vacation trip to Florida.

Mrs. Laura Sprouse of Monroeville, former Hammondsville resident, has returned after a visit with her son, Fred Sprouse, and family of Bloomington, Calif.

Mrs. Evelyn Conn and children of Toledo have ended a visit with her mother, Mrs. Edith Ketchum.

Kenneth Burgett and son have concluded a visit with Mrs. Burgett, a patient at University Hospital, Columbus.

Mrs. Verne Maple and son have returned from East Liverpool City Hospital and are staying with Mrs. Cecil Maple.

Mrs. Robert Vance and daughters of North Ridgeville are visiting her parents, Mr. and Mrs. Leroy Kelly.

Picture postcards first were made in Atlantic City in 1895.

Group Will Plan Carnival Booth

HIGHLANDTOWN — Plans were outlined for a booth at the firemen's homecoming carnival when the Women's Corps met Tuesday night in the fire hall.

Donations to the Country Store booth may be made by contacting any member of the corps.

The trustees will select the new curtains to be purchased by the group and to be hung prior to the homecoming. New blouses, with the club's name, have been purchased.

Mrs. Barbara Boyd, Mrs. Nadine Leatherberry and Mrs. Val Pisarsky were guests. Meetings will be held July 2 and 9 to make final plans for the booth at the Homecoming.

Average elevation above sea level of Antarctica, highest of all the world's continents, is about 8,000 feet. Some of its mountains jut through icecaps 14,000 feet thick.

Action Taken To Speed Ruling In Tax Dispute

Asst. Solicitor Jackman S. Vodrey and Prosecuting Atty. J. Warren Bettis agreed Wednesday on procedure that will cut down the time required for a decision by the State Board of Tax Appeals in the city's move to upset a ruling of the County Budget Commission.

The city seeks a ruling from the Board of Tax Appeals that it has a right to appropriate immediately the new revenue anticipated from a boost in the municipal income tax legislated in March. The County Budget Commission, taking the opposite view, ruled that the city cannot allocate the funds until they actually are collected.

Rather than appear personally before the Board of Tax Appeals today, as scheduled, Vodrey and Bettis agreed to file a joint stipulation of the facts. Since the case turns on an interpretation of the facts, the action will have the effect of bypassing a hearing and advancing a decision date.

In the ordinary procedure, each party to the case would receive a record of the hearing about 15 days after their appearances. The city then would be permitted to file a brief and 10 days following that, the county would file a brief.

Vodrey said he has proposed to Bettis that both parties file briefs simultaneously by July 10. The Board of Tax Appeals then could act to make a decision.

Filing the joint stipulation of facts should cut 30 to 45 days off the time required to obtain a decision under the normal procedure, Vodrey said.

The case turns primarily on whether or not an increase in a city income tax can be considered a "new" source of revenue or merely an increase in an existing source.

After approving the tax boost in March, Council sought County Budget Commission approval to allocate the funds in the annual appropriation ordinance, which was enacted a few days later. The Budget Commission declined to allow the action. Under its ruling, the funds could not be appropriated until very late in 1968.

There are no precedents in the law books because such an issue never has been decided before.

New Fireman Begins Duties

Karl Lee Kontnier, 26, of Densmore Ave. began his duties today as the newest member of the city fire department after receiving the oath of office from Municipal Judge Samuel M. Chertoff.

Kontnier was appointed by Safety - Service Director Robert E. Vodrey from a three - man list certified by the Municipal Civil Service Commission. He replaces Firemen Austin Conley resigned.

An East Liverpool High School graduate, Kontnier is married and has one child. He is a former employe of the Midland Division of the Crucible Steel Corp.

Kontnier reported for duty on the 7:45 a. m. shift at Central Station. Under wage raises proposed by Council Wednesday night, the post will pay $439 monthly for a six-month probation period. Then the salary will advance to $480.

Newell Resident Injured In Crash Of Motorcycles

A Newell youth is in "fairly good" condition today at City Hospital, where he was admitted Wednesday following an accident at 5 p. m. involving two motorcycles on the 6th St. hill in Newell.

Jerry Pruden of 413½ Grant St., suffered torn ligaments of the left knee. The operator of the other motorcycle, David M. Baker, 16, of 515 Grant St. was treated about 5:30 p. m. for abrasions of the right elbow, right rib section and hip.

Baker is a son of Ray Baker and Pruden a son of Paul Pruden.

The Baker family said the two cycles were traveling down the hill when the Pruden vehicle pulled in front of Baker's, causing Baker to strike him broadside.

No police report was made, the family said.

Steubenville Motorist Fined By Local Judge

Joseph Bonie, 26, of Steubenville was fined $10 and costs today in Municipal Court by Judge Samuel Chertoff on a charge of operating an auto without a muffler.

Bonie also was ordered to pay court costs on a charge of improper auto registration. He was cited Tuesday night on Route 7 by the Ohio Highway Patrol.

The court issued a bench warrant for the arrest of Charles R. Richards of 416 College St., who failed to appear on a charge of operating an auto without a license. He was cited at 1:20 this morning in Summit Ln. by Lt. Robert Pyle.

Roger L. Judy of Dorcas, W. Va., forfeited a $32.50 bond on a charge of failure to stop in the assured clear distance. He was cited Monday at 5:20 p. m. on Route 7 by the patrol.

LBJ Urges 'Viewpoints' About Poor

By DOUGLAS B. CORNELL
Associated Press Writer

WASHINGTON (AP) — President Johnson says those concerned about the nation's poor people should "make appropriate representations and certainly express their viewpoints," but only within the law.

"I think that everyone in Washington in a position to serve the people of this country are going to do everything they can to aid the poor," the President said during a Wednesday news conference. He had been asked if any good purpose could be served by leaders of the Poor People's Campaign turning to civil disobedience.

The news conference was staged mainly to announce Johnson's decision to accept Chief Justice Earl Warren's offer to retire from the Supreme Court.

The President said he would nominate Associate Justice Abe Fortas to be chief justice, while federal circuit Judge Homer Thornberry of Austin, Tex., would take Fortas' seat on the high court.

On a range of other topics, Johnson said he was prepared to act on the bill calling for a $10 billion tax increase and a $6 billion slash in spending as soon as the customary review of government agencies affected is finished, probably in a day or two.

He also said he hopes to get his way with Congress on requiring registration of every gun in America and licensing of all gun owners.

Otherwise the conference produced results pretty much on the negative side. Johnson said that:

He knows of no basis for rumors of a U.S.-Soviet summit session or a presidential trip to Russia.

He is unable to evaluate reasons for intensified Communist pressure on West Berlin.

He preferred not to comment on the infiltration and ground situations in Vietnam or on some possible offensive.

Miami County Plans Tax On Auto License

PIQUA, Ohio (AP)— Miami County Commissioners voted 2-1 Wednesday in favor of the $5 auto license tag surcharge.

Robert Clawson, one of those voting for the increase, said he would prefer to let taxpayers make a trial decision at a referendum in the fall.

One Of Life's Ordeals

by HAL BOYLE

NEW YORK (AP) — One of life's little ordeals is to become bald.

Some 40 per cent of men are afflicted to a greater or lesser degree with hereditary early baldness.

The first warning often comes from an offhand remark by a barber:

"Getting a bit thin on top, sir. I'd do something about it if I were you."

Panic seizes you at once. What can you do about it?

Every time you use your comb after that and a hair comes out it looks like the last leaf upon the tree. So you take scalp treatments, douse your skull with all kinds of tonics, rub into your scalp enough unguents and ointments to grease a battleship.

But the more you do about it, the more you worry. And the more you worry, the more you can't help noticing that your forehead is getting higher.

Sorrowfully, you are forced to admit that there are two things money can't do. It can't buy true love, and it can't grow hair on a permanently bald head—except, perhaps, by expensive surgical transplants beyond the ordinary purse.

"No practical remedy for this common baldness is available," says the Encyclopedia Britannica, which put the chief blame on heredity, age, and the influence of male sex hormones.

The same bitter truth is embalmed in the homely old folk saying, "The best way to avoid losing falling hair is to keep it in a cigar box."

Baldness is not actually a physical handicap, or in most cases a social handicap. It is simply an emotional handicap. With his hair gone or going a fellow simply doesn't feel quite all there. But it isn't nearly as bad as losing your teeth—or your judgment.

The worst thing about it is the jests of your friends who pretend to mistake your gleaming pate for a lighthouse on sunny days or insist on calling you "Curly." A few punches to the nose, however, can cure this.

The second worst thing is to see so many dull young hippie-type men going around with such long thatches of hair dangling from their heads it's no wonder their brains are heated to a boil.

But envy never helped anybody, and it is of no help to a baldy. He must find other solaces, and they are available.

For example, he might learn to take pride in his condition. After all, many modern savants predict the whole human race will be bald in a few centuries. The baldy is merely ahead of the pack.

Also, baldness saves a man time, money and makes him look crisper and neater. Doesn't a cueball look tidier than a hairball?

The ordeal of baldness could be lessened in other respects if society itself would show a bit more kindness.

Let's stop kidding bald men. Another constructive step would be to start a campaign to get Congress to have the bald eagle replaced by the bald man as our national symbol.

This makes real sense. The bald eagle is slowly dying out, but there are millions of new bald men every year. Nothing is more symbolic of America today than baldness.

Post Sets Up Committees

Committee appointments were announced by Kenneth Hoover, commander, when Wellsville American Legion Post 70 met Monday night in the Post Home.

They are: Bar — Sam Maylone, Bob Tolson, Don Henthorn and Sam Giordano; Buckeye Boys State — Roger Hobson, Gene Williamson and George Lawton; house — Tolson, Charles Rudder, William Boyce and Dorman Householder; finance—Tolson, Sam Maylone, Roger Hobson and Jerome Gitschier.

Dawson, second vice commander, said that Russ Ludwig and the Blue Shades will play for dancing from 10 p. m. to 1 a. m. Saturday.

Dave Byers, chairman, reported that the newly - formed color guard and drill team won a first-place trophy during the Wellsville firemen's homecoming parade. The post will purchase 10 new uniforms for the color guard and also 20 American Legion T-shirts for the minor league baseball team it sponsors.

Maylone, chairman, reported a few seats still available on the chartered bus going to the state convention in Columbus July 12 and that hotel accommodations have been made. He asked those going to check on room requirements.

A letter of appreciation was received from the American Cancer Society thanking the post for its efforts in the $1,695 solicitation.

The next meeting will be Monday at 8 p. m.

4-H Welding Course Will Be Established

LISBON—A Columbiana County 4-H Welding Club will be organized at 8 p. m. Tuesday in the Vo-ag shop at United High School on Route 9 near New Garden.

Gordon L. McDonald, county 4-H extension agent, said the club will be for beginners as well as boys with limited welding experience.

James Clendening, vocational agriculture instructor at United will meet with the group Tuesday.

Mary Queen of Scots was the first known woman golfer.

4-H News

Two 4-H club members from Hancock County received a blue ribbon for placing first in "Dental Health Visual Presentations" during an 11-county roundup at Morgantown.

Patty Bradley and Douglas Baker of the Green Clover 4-H Club of Weirton will represent the area in state competition during July at the Morgantown Medical Center.

The report consisted of county dental health activities during the past year under the leadership of committee members, Mrs. Andrew Waggoner of New Cumberland and Mrs. Stephen Bradley and Mrs. James Rhoades of Weirton.

In the king and queen contests for oral health, in the senior division, Bill Wilharm of Palisades Dr., Weirton, and Judy Coleman of New Cumberland received blue ribbons.

In the general division of the junior talent contest, a first - place and white ribbon went to Tracey Carson, Vicki Poling and Terri Webster, all of New Cumberland, for their baton and hoola hoop performance.

In the senior public speaking contest, Terri Arehart of New Cumberland RD 1 received a blue ribbon.

In the visual presentations related to 4-H projects, a team consisting of 10-year-olds, Carol Porec and Rhonda Virtue of Wylie Ridge, New Cumberland, received a blue ribbon with a score of 97 points for second place in the food and nutrition division with the presentation on the "Golden Protein" demonstrating deviled eggs.

A first place and a blue ribbon went to another 10-year-old team, Steve Cameron and Betsy Robb of New Manchester. They competed in the recreation and wise use of leisure time, Junior Division, with an archery presentation called "Today's Robin Hood." In the recreation and leisure time area in the senior-division, Debbie Stafford of New Cumberland received a red ribbon for her photography demonstration titled "Dark Room Magic."

In the clothing and grooming senior division, Betty Holtzman of New Cumberland received a red ribbon for her presentation of "A Protector," demonstrating how to make a headscarf. Also in the grooming junior division, Karen Baker received a first place and blue ribbon for her presentation "No Body's Perfect" on her project "Your Appearance Counts."

Miller Declares 'Rocky' Carries GOP's Chances

COLUMBUS, Ohio (AP)—The Republican party will not win the 1968 presidential election unless Nelson Rockefeller heads the ticket, William E. Miller said here Wednesday.

Miller, here to open the New York Governor's Ohio campaign headquarters, predicted that Rockefeller "will carry 40 of the 50 states" if nominated for president.

Miller is a former Republican national chairman and was Barry Goldwater's vice presidential running mate in 1964.

Referring to assertions that Richard M. Nixon already has the GOP nomination locked up, Miller said "it just isn't true." He said it "would be unfortunate if there is a coronation . . . instead of a convention," and called for an open convention.

Other than saying Rockefeller had "substantial support" among Ohio delegates, Miller would not speculate on the New York governor's chances of capturing the state's 58 convention votes.

Miller stopped off here en route from New York to Dallas, Tex., to help a Rockefeller organization there.

ANN LANDERS

Silverware Suspicions

By Ann Landers

Dear Ann Landers: I've been staring at this piece of paper for 15 minutes, not knowing how to put my problem into words. Well, here goes: Have you ever heard of counting the silverware when the company leaves? I never thought I'd have to do it, but I was wrong.

Several months ago we had dinner at the home of friends. I noticed Mrs. A. had at least five different patterns of sterling silver — service for two in one pattern, three in another pattern, and so on. She had service for four in the same pattern I have.

This woman is in our bridge club and she has been here several times for lunch as well as for dinner parties. Recently I was preparing for a buffet supper for 12 when I discovered I was short 3 teaspoons, 2 dinner forks, 2 salad forks, a sugar shell and a cake server.

Have you any suggestions as to how I can hang on to the silver I have left? Don't tell me not to invite her any more. She is a close friend and her husband and my husband are business associates.—TARNISHED RELATIONSHIP.

-:-

Dear Tarnished: The next time you are in the woman's home make a point of the fact that SOME of her silver matches yours and then ask why she doesn't settle on one pattern instead of trying so many.

Do it privately and be sure to convey the message that you are interested in her answers — not just making small talk. She'll get the message.

Motherly Hate

Dear Ann: I had to write and comment on your advice to "Countdown Mother" — the woman who confessed she hated her daughter and treated her shabbily from the day the child was born.

Several women at our card club discussed that letter and they couldn't understand how a mother in her right mind could despise her own child. I remained silent although I was well qualified to speak since I was such a mother myself.

One day I slapped my child so hard she fell off the chair. She had asked for a second helping of mashed potatoes and wouldn't eat it. Her nose began to bleed and I couldn't stop it. I called the doctor.

When he came I was petrified because the child had lost so much blood. He asked me what happened. I told him the truth. That wonderful doctor urged me to get psychiatric help. He offered to arrange for an appointment at the community clinic.

After 16 months of therapy I'm a new woman. I now understand why I hated that child. Furthermore, with understanding has come complete acceptance, if not genuine love.

Please continue to tell all mothers who have hostile feelings toward their children to get professional help. It changed my life and saved my daughter. —COUNTDOWN MOTHER NO. 2.

-:-

Dear Mother: Thank you for your letter. It should give encouragement to other mothers who suffer with the same problem. Knowing that there IS help, that such a situation is not utterly hopeless, can be immensely supportive.

Confidentially

To Brought Up With a Closed Mind and Proud of It: Your mind isn't "closed" my friend — it's nailed shut. I strongly suggest that you open it up occassionally. Something of value may drop in.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a long-self-addressed, stamped envelope.

Fire-Bombings Injure Six, Gut Three Buildings

PITTSBURGH (AP) — Firebombings in the Hazelwood section early Thursday gutted three buildings and injured six persons.

Witnesses told police they saw youths throw three firebombs into the door of the M. Levin Furniture store. The fire then spread to two adjacent buildings.

Fire Chief Harry Keller estimated damage at about $40,000.

Police found another firebomb in the doorway of a hardware. However, it had failed to ignite.

Firemen said two cars were also bombed including a brand new motel.

Following the bombings, Police Supt. James W. Slusser issued an order to all policemen to "use every means at your command" to protect the safety of innocent lives.

The injured, which included one fireman and a child, were taken to Presbyterian Hospital. One was admitted.

The same section in Hazelwood was the scene of disturbances in May.

Music Figure Dies

LOS ANGELES (AP) — Harry "Ziggy" Elman, 54, jazz age trumpet player whose recording of "And the Angels Sing" was a hit in the 1940s, died Wednesday after a long illness. Elman collaborated with Johnny Mercer in writing songs and made several films in later life.

Man Is Bound Over On Murder Charge

CHILLICOTHE, Ohio (AP) — A Chillicothe man accused of fatally injuring a fellow tavern patron by hitting him on the head with a bar stool has been bound over to the Ross County Grand Jury on a first - degree manslaughter charge.

Ezra A. Nunley, 32, is charged in the death of Edward O. Woodall, 35, of West Hamlin, W. Va. Nunley allegedly hit Woodall with a stool during a tavern fight June 11 and a leg of the stool penetrated about three inches into Woodall's forehead. Woodall died five days later.

Mexican Figure Dies

MEXICO CITY (AP) — Jose Ortiz Tirado, 74, a former president of the Supreme Court of Mexico, died Wednesday of a respiratory illness.

Eviction Action Dropped Against White And Negro

CINCINNATI (AP) — Eviction proceedings were withdrawn Wednesday against a white woman and a Negro woman sharing an apartment in suburban Chevoit, but an attorney for the owners of the apartment said another suit would be filed if the rent was not paid within a week.

The suit had been filed because the two women had failed to pay the rent for the month of June, he said.

The two women, Ann Ogletree, 24, and Suzanne M. Malcolm, 20, won a halt in eviction proceedings Tuesday on their complaint filed before U.S. District Judge David S. Porter. The two contended they were ordered to move because Miss Ogletree is a Negro.

The apartment the two have rented since May is owned by

In Vietnam, Other Countries

Concern Being Expressed Over GIs Moral Behavior

NEW YORK (AP) — A high ranking Defense Department spokesman says the department and "responsible military commanders are deeply concerned regarding moral conditions" affecting GIs in Vietnam and other countries.

Maj. Gen. William W. Berg, deputy assistant secretary of and Vietnamese girls and there defense, made the comment in a letter to McCall's magazine regarding an article in its July edition by Robert Shaplen titled "The Girls They Leave Behind."

The article describes the state of romance between GIs and Vietnamese girls, detailing romances that run from "contract" relationships and casual affairs to marriage.

In his letter to Norman Hill of McCall's, Berg said, "The moral behavior of service personnel is a problem which should and does receive continuing command attention."

He said that "in general, service personnel are neither more nor less moral than when they entered the service; unfortunately, some persist in engaging in immoral conduct despite counselling and advice to the contrary."

The article says that "Despite the fact that about 150 marriages take place each year between American servicemen are other relationships, short of marriage, that are warm and genuine, 'romance' in Vietnam has by and large been more calculated, practical, and professional than during any previous war in which Americans have participated."

"Tens of thousands of young Vietnamese girls have become prostitutes "or have 'contracted' themselves to live with American soldiers on a temporary basis, usually for six or seven months," it says.

The reason more marriages don't result, the article says, is because of the relatively short time most servicemen are in Vietnam, the language barrier, and red tape thrown up by the Defense Department. This includes the requirement that numerous documents be submitted, including police statements of good conduct for the girl, a chaplain's consent for the GI, medical certificates and others.

The one year rotation system does not encourage marriage, McCall's says, "but in passing the girls along to one another, it does make for orderly arrangements."

WORLD ALMANAC FACTS

Diatoms, microscopic plants of the Algae group, are among nature's most beautiful and ecologically important creations. Diatoms are encased in exquisitely designed siliceious shells, which collect in countless quantitites at the water's bottom, helping to form rich oil deposits. Besides being a major source of food for sea life, diatoms give off most of the earth's oxygen.

Teachers Set For Hancock

The Hancock County Board of Education has approved the appointment of 10 teachers and a librarian for the summer school program.

The teachers and their subjects follow: Secondary — Milton Weinberg, Louis Kuntupis and William Owings, English; Richard H. Taylor, Larry J. Liberto and Phillip Cottrill, math; Bradley M. Wilcox, life science; Thomas L. Salvati, social studies and Linda Chetock, librarian.

Elementary — Mary Ann Cacic, reading improvement and Mary Hodge, math improvement.

The board was informed 225 students are enrolled in the secondary program, with 54 in the elementary. Courses being offered in the secondary program are English 7 to 12, Algebra 1 and 2, modern geometry, general math, biology, general science, American history, geography, history, civics, world history and senior problems.

Also approved was the addition of two more teachers to the county "Head Start" program. They are Geraldine Bednarzik and Opal Proudfoot. The board was informed the hiring of the two additional teachers was necessary due to the heavy enrollment, which required two additional classes. A supplemental grant was obtained from the government for the two additional classes.

Five bus drivers also were approved as follows: summer school classes, Thomas Beaver, J. Orville Johnson and Albert Shughart, and "Head Start," Donald Brown and Glenn Witherow.

Demosthenes, the great Greek patriot and orator, took his own life, preferring death to being taken captive by the Macedonian general, Antipater.

Police Warn Against Use Of Fireworks

Warnings against the illegal use of fireworks were issued today by law enforcement officials in Columbiana County as the July 4 holiday approached.

Ohio law specifically prohibits the sale and igniting and discharge of any fireworks. Cap guns are not included in the ban, and may be used.

Communities, carnivals or organizations planning fireworks displays must obtain written permission from the police chief or fire chief of a community or the Sheriff in county areas.

Sponsors of such displays are responsible for any damage which occurs. Fireworks must be stored in closed wooden boxes or under a tarpaulin.

Violators are subject to fines of from $25 to $500.

Ohio citizens also violate federal law if they purchase fireworks outside the state and transport them into the state knowing the fireworks are to be purchased or used in a manner prohibited by law. The penality is a fine of up to $1,000 and up to a year in jail.

The Ohio Department of Industrial Relations announced all 30 inspectors of the division's building and factory section have been instructed to serve warnings on proprietors of illegal stands and fireworks bootleggers.

The Ohio Highway Patrol will assist in locating such stands.

The division reported a number of fireworks injuries already has been reported and urged merchants and private individuals to obey the law.

Debbie Stacey Wins More Baton Honors

Debbie Stacey, 11, daughter of Mr. and Mrs. Laird C. Stacey of 1005 Main St., Wellsville, won four trophies during National Baton Twirling Association competition over the weekend.

Sunday at Akron, she received a first place in modeling a military uniform, a second place in advance military strut and a third place in advance baton twirling.

She was awarded the fourth trophy for twirling Saturday during competition at Pleasant Hills, Pa.

Debbie is mascot for the Wellsville High School band.

Hamilton Countians Face Auto Tag Tax

CINCINNATI (AP) — Hamilton Countains will pay an additional $5 next year when they buy Ohio automobile license tags.

County Commissioners tacked on the increase Wednesday to bolster the county's road construction fund by $2.25 million. The current fee is $10.

4 Are Secret

9 Indictments Returned By County's Grand Jury

LISBON — The Columbiana County grand jury returned nine indictments Wednesday to Judge Joel H. Sharp of Common Pleas Court.

Recalled by Prosecuting Atty. J. Warren Bettis for a one-day session, the jurors heard 18 witnesses in 11 cases. Four indictments are secret. Two charges were dropped after consideration.

Defendants and charges follow:

Benjamin Irvine of 21 5th St., Midland, issuing a fraudulent $54 check Jan. 21, 1967, to Jerome R. Glonek, manager of the Thrifty City Store in East Liverpool.

William Matevich, 18, New Waterford; William Weckerly, Heather Trailer Court, New Brighton, and Cornelius Cronin III of 2101 25th St., Beaver Falls burglary last May 4 at William A. Dickey & Sons variety store in Negley.

Raleigh Barnett, 31, of Hanoverton RD 1, assault with a dangerous weapon on William K. Schoonmaker of Salem. The alleged offense occurred June 23, 1967, following a collision between cars driven by Barnett and Schoonmaker. Barnett was sentenced in Southwest Court Tuesday to 60 days in the County Jail for driving without an operator's license — a charge stemming from the 1967 accident. Court records show he skipped bond last summer and was not apprehended until a few days ago.

Defendants in the secret bills will be named as soon as they are notified.

Replies To Rockefeller Statements

Nixon Declares He Wants No Backing By Wallace

By The Associated Press

Former Vice President Richard M. Nixon, replying to statements by GOP presidential rival Nelson A. Rockefeller, says he wants no support from third party presidential candidate George C. Wallace.

"I've been in politics for 22 years and I've never had a racist in my organization," Nixon said in New York Wednesday. "From what I've read, Wallace's appeal is in the direction of racist elements. Both major parties disassociate themselves from him.

Nixon said he hopes Vice President Hubert H. Humphrey, Democratic presidential aspirant, will make a similar statement, "and that should clear the air."

New York Gov. Rockefeller had accused the Nixon camp of courting Wallace support to win southern votes.

Wallace, meanwhile, said he will not withdraw from the presidential race under any circumstances.

The former Alabama governor said early in his campaign he would withdraw if it appeared candidates of either major party would adopt the policies he said America needs.

But now "it's too late" Wallace said in Montgomery, Ala. He said for any of the Republican or Democratic candidates to support his policies now it would only make them more likely to come to pass.

In the Democratic race, Humphrey said every able American child should be guaranteed an education from age four through college and Sen. Eugene J. McCarthy said he has no intention of "meddling" in the Paris peace talks.

Humphrey said in Denver, Colo., potential high school dropouts should be counseled on a case-by-case basis and new courses should be developed for students who go directly from high school to work.

McCarthy said he wants to meet with North Vietnam diplomats in Paris this summer only to "hear what the Vietnamese are saying with my own ears" and not to participate in any way in the peace talks.

"This would not be an official mission," he said in New York, "and it would be consistent with my campaign and I think in the best interest of the United States of America."

In other political developments:

—Rockefeller called in Hartford, Conn., for "a totally new system for distributing federal funds"—including direct payments to states and cities unrestricted as to use—to support governments close to the people.

Driver Seeks Probation In Traffic Death

An East Liverpool potter whose traffic manslaughter trial ended June 19 with a deadlocked jury will not go to trial again.

William K. Betteridge, 57, of Lisbon St. Ext. changed his plea from "not guilty" to "guilty" Tuesday before Judge Raymond S. Buzzard in Common Pleas Court at Lisbon and asked for probation.

Judge Buzzard directed Richard V. Rose, adult probation officer, to conduct a pre-sentence investigation and report. The court released Betteridge on his own recognizance.

The state alleged Betteridge was driving too fast and driving too fast to stop in an assured clear distance when his car struck Carl W. Smith, 6, son of Mr. and Mrs. John Smith of Glenmoor, April 27, 1967, on Route 267 in Glenmoor. The boy was dead on arrival at City Hospital.

Jurors deliberated 7½ hours before informing Judge Buzzard they could not reach a verdict. Counsel questioned them afterward and learned they were 11 to 1 for conviction. All 12 jurors must sign a verdict in criminal proceedings.

Black Bess was the celebrated mare which carried the highwayman, Dick Turpin, on his trip from London to York.

Men have used artificial devices to keep cool for centuries, the National Geographic Society says. Ancient Egyptians soaked the walls of their homes with water; Roman slaves brought down mountain snow to pack in the hollow outer walls of their masters' villas.

We Point with Pride to the Festival

A 21-GUN SALUTE!

The tremendous success of the Tri-State area's First Annual Pottery Festival gives us an opportunity to pay tribute to an event that we hope will continue in years to come. Adjectives fail to properly describe the favorable reaction from the people from out of town and the residents in our area to this grand event.

Those who say this town is dead must feel a little guilty. We are reminded of the steps forward our area has taken in recent years. The new look in our public schools; the industrial development in the area, the results of the Community Improvement Corporation, a satellite of the Chamber of Commerce; the united efforts of individuals and city administration to improve parking and the general appearance are beginning to show results. Some may say we are a little slow to move, but when our people make up their minds, the results are quite exciting. The Pottery Festival is another example of this point. It also proves that if enough people are willing and available, that there is no limit to what they can accomplish.

So a low bow to the Chamber of Commerce; Jud English, Chairman; the Merchants division; to the merchants and industries; to the Trades and Labor Council; to the IBOP; to the civic groups, and the many men and women who contributed towards making this event pleasant, newsworthy, and a most exciting show.

HINTS FROM HELOISE

Weed Diggers Get Break

DEAR FOLKS: Recently I just learned a new method of pulling weeds to keep your hands from getting stuck, cut and covered with welts — especially on Johnson grass and stinging nettles (which hurts like the dickens if you touch it).

Heloise

Take a plastic bag from the dry cleaners out to the yard with you. When you see some of those biting weeds put the soft, thin bag over your hand, hold it around your wrist or elbow with the other hand and then just pull away!

You can work for hours in your garden with no marks or scratches on your arm, fingers or hand. Also, since this plastic is thin and pliable, you can feel when the root is coming loose.

How about that?

I have also used this method when cutting down sticky, thorny bushes. It's wonderful when you are trimming plants.

Another thing. . .even though the weed is mushy after you have watered it, you don't get a bit of soil into the crevices of your hand or under your fingernails.

So let's go weed pickin'. But remember to take one of those plastic cleaner bags along with you. . . It's absolutely the greatest.

HELOISE.

-:-

P.S. Guess you can tell I've been pulling weeds this week. If I could find something for my back, I'd have it made.

DEAR HELOISE: Before we charcoal our hamburgers and potatoes, I always pour some oil on a paper towel and rub the grill with it. . .

Hey, look Ma, the food doesn't stick to the grill and tear apart when I turn it.

DORIS DEAN.

DEAR HELOISE: I needed a needle to sew a button on my husband's shirt. Remembering your hint about taking apart a pincushion to find needles, I decided to see if there really might happen to be one in there.

So I squeezed very carefully and guess what? I found fourteen!

PEGGY CUNNINGHAM.

DEAR HELOISE: Could you or any of your readers tell me how to preserve a tulle wedding veil so it won't turn yellow.

THERESA REGAN.

-:-

We frequently hear of brides wearing their mother's or grandmother's veils. Would some of you who have done so, please tell Theresa (and me) the secret of keeping them beautiful?

Perhaps brides with new veils would like to have this information, too.

We'd love to hear how you do it. Just write to me in care of this newspaper.

HELOISE.

DEAR HELOISE: Did you know you can make a delicious caramel pudding out of a can of sweetened condensed milk without even opening it?

Just peel off the wrapper, fill a saucepan with enough water to COVER the can (be sure and keep the can covered during the cooking period by adding more water), bring to a boil and SIMMER for three hours.

After it's cool, open the can and see for yourself! A really delicious pudding.

NANCY MITCHELL.

-:-

I bought a 15-oz. can and tried it. Wow! I SIMMERED it for three hours UNDER water like you said, let it cool and then opened.

My 98 pounds will go up to 100 if I eat much of that delicious stuff.

The kiddies love it spread on vanilla wafers or between graham crackers.

These can be made up by the bunch and frozen. Quick snack or dessert anytime.

HELOISE.

DEAR HELOISE: Cardboard inner soles are much more comfortable to bare feet than the leather ones that come in shoes.

I use facial tissue boxes and cut inner soles to fit my shoes. Perspiration is absorbed by the cardboard, and they can be changed frequently.

MISS T. JAEGER.

WORLD ALMANAC FACTS

A "Hobson's choice," meaning "this or none," originated to describe the eccentricity of Thomas Hobson (circa 1544-1630), an English livery stable owner. Hobson insisted that customers take the horse standing nearest the door "so that every customer was alike well-served, according to his chance." Hobson refused business rather than rent a horse out of its turn.

Four More Ohioans Victims In Vietnam

WASHINGTON (AP) — Army Cpl. Kenneth C. Fleming Jr. of Zanesville, Ohio, and Marine Pfc. Terry L. Parsons of Columbus, Ohio, are among the latest servicemen listed by the Defense Department as having been killed in action in Vietnam.

Army Spec. 4 Thomas R. Edwards of Middletown, Ohio, was changed from missing to dead of hostile causes.

Marine Pfc. Eddie Riggins of Cleveland was listed as having died as a result of nonhostile action.

18 Inmates Are Cited In Prison Riot

COLUMBUS, Ohio (AP) — State highway patrol investigators have cited 18 Ohio Penitentiary inmates in connection with Monday's costly riot, and Warden Ernest L. Maxwell said Wednesday another 37 convicts probably will be implicated.

The suspects were put in special cells, isolated from other inmates.

"We are rounding up the troublemakers and agitators," Maxwell said, adding that investigators have "some very good evidence" against suspected prisoners.

Meanwhile, Ohio Adjt. Gen. Sylvester Del Corso announced Wednesday that half of the 800 National Guardsmen mobilized for duty after the fire and riot were being sent home.

He said almost all the troops, ordered into the prison Monday afternoon for guard and patrol duties, would be moved out by tonight.

Maxwell said Wednesday that damage to the penitentiary from the fires and demolished equipment would amount to about $1 million.

Many of the 15 damaged buildings will be back in operation soon, he said, but it is possible that the more heavily damaged structures will not be rebuilt because of plans to build a new penitentiary at Lucasville.

Bids for construction of the new prison will be opened Sept. 1, according to state officials.

Personalities In The News

PARIS (AP) — French singer Charles Trenet took Charlie Chaplin to court Wednesday on charges of stealing his music.

Neither of the personalities showed up, but their attorneys and the court listened to records and piano versions of Trenet's 27-year-old "La Romance de Paris" and Chaplin's 1961 melody "C'est Ma Chanson," which was sung in his film, "The Countess of Hong Kong."

The judge, Maurice Mouzon, observed that the first four notes of the songs are the same. But, argued Chaplin's attorney, the rhythm is different.

The verdict will be announced in one to two weeks.

One Of Life's Ordeals

by HAL BOYLE

NEW YORK (AP) — One of life's little ordeals is to become bald.

Some 40 per cent of men are afflicted to a greater or lesser degree with hereditary early baldness.

The first warning often comes from an offhand remark by a barber:

"Getting a bit thin on top, sir. I'd do something about it if I were you."

Panic seizes you at once. What can you do about it?

Every time you use your comb after that and a hair comes out it looks like the last leaf upon the tree. So you take scalp treatments, douse your skull with all kinds of tonics, rub into your scalp enough unguents and ointments to grease a battleship.

But the more you do about it, the more you worry. And the more you worry, the more you can't help noticing that your forehead is getting higher.

Sorrowfully, you are forced to admit that there are two things money can't do. It can't buy true love, and it can't grow hair on a permanently bald head—except, perhaps, by expensive surgical transplants beyond the ordinary purse.

"No practical remedy for this common baldness is available," says the Encyclopedia Britannica, which put the chief blame on heredity, age, and the influence of male sex hormones.

The same bitter truth is embalmed in the homely old folk saying, "The best way to avoid losing falling hair is to keep it in a cigar box."

Baldness is not actually a physical handicap, or in most cases a social handicap. It is simply an emotional handicap. With his hair gone or going a fellow simply doesn't feel quite all there. But it isn't nearly as bad as losing your teeth—or your judgment.

The worst thing about it is the jests of your friends who pretend to mistake your gleaming pate for a lighthouse on sunny days or insist on calling you "Curly." A few punches to the nose, however, can cure this.

The second worst thing is to see so many dull young hippie-type men going around with such long thatches of hair dangling from their heads it's no wonder their brains are heated to a boil.

But envy never helped anybody, and it is of no help to a baldy. He must find other solaces, and they are available.

For example, he might learn to take pride in his condition. After all, many modern savants predict the whole human race will be bald in a few centuries. The baldy is merely ahead of the pack.

Also, baldness saves a man time, money and makes him look crisper and neater. Doesn't a cueball look tidier than a hairball?

The ordeal of baldness could be lessened in other respects if society itself would show a bit more kindness.

Let's stop kidding bald men.

Another constructive step would be to start a campaign to get Congress to have the bald eagle replaced by the bald man as our national symbol.

This makes real sense. The bald eagle is slowly dying out, but there are millions of new bald men every year. Nothing is more symbolic of America today than baldness.

Post Sets Up Committees

Committee appointments were announced by Kenneth Hoover, commander, when Wellsville American Legion Post 70 met Monday night in the Post Home.

They are: Bar — Sam Maylone, Bob Tolson, Don Henthorn and Sam Giordano; Buckeye Boys State — Roger Hobson, Gene Williamson and George Lawton; house — Tolson, Charles Rudder, William Boyce and Dorman Householder; finance—Tolson, Sam Maylone, Roger Hobson and Jerome Gitschier.

Judge advocate — Delmar T. O'Hara; post service officer — Tom Enochs; publicity officer — Maylone; religious emphasis — George Wilkins and Cedric Stanway; color guard—Dave Byers, Jack Whitaker and Lee Tice.

Historian—Robert Beresford; child welfare — Joe Ross; delegates to Memorial Council — Ralph Kelley, Householder and William Daugherty; Gifts for Yanks — Boyce; Americanism — Francis House; Vietnam members — Dave Byers and Gary Dawson.

Dawson, second vice commander, said that Russ Ludwig and the Blue Shades will play for dancing from 10 p. m. to 1 a. m. Saturday.

Dave Byers, chairman, reported that the newly - formed color guard and drill team won a first-place trophy during the Wellsville firemen's homecoming parade. The post will purchase 10 new uniforms for the color guard and also 20 American Legion T-shirts for the minor league baseball team it sponsors.

Maylone, chairman, reported a few seats still available on the chartered bus going to the state convention in Columbus July 12 and that hotel accommodations have been made. He asked those going to check on room requirements.

A letter of appreciation was received from the American Cancer Society thanking the post for its efforts in the $1,695 solicitation.

The next meeting will be Monday at 8 p. m.

Miller Declares 'Rocky' Carries GOP's Chances

COLUMBUS, Ohio (AP)—The Republican party will not win the 1968 presidential election unless Nelson Rockefeller heads the ticket, William E. Miller said here Wednesday.

Miller, here to open the New York Governor's Ohio campaign headquarters, predicted that Rockefeller "will carry 40 of the 50 states" if nominated for president.

Miller is a former Republican national chairman and was Barry Goldwater's vice presidential running mate in 1964.

Referring to assertions that Richard M. Nixon already has the GOP nomination locked up, Miller said "it just isn't true." He said it "would be unfortunate if there is a coronation . . . instead of a convention," and called for an open convention.

Other than saying Rockefeller had "substantial support" among Ohio delegates, Miller would not speculate on the New York governor's chances of capturing the state's 58 convention votes.

Miller stopped off here en route from New York to Dallas, Tex., to help a Rockefeller organization there.

Final baseball statistics for various area colleges are beginning to trickle in.

Ohio U., which finished 23-6 under veteran coach Bob Wren, was ranked eighth in the country in the final Collegiate Baseball magazine poll. Mike Murphy was the 10th All-American produced by Wren and Rich McKinney the 39th player to sign a pro contract.

Dennis Taylor, the ace of West Virginia U.'s mound staff, has signed with the Cubs. Taylor was 6-0 with an 0.45 ERA and averaged 12.5 strikeouts per nine innings. He has reported to the Cubs' farm team at Caldwell, Idaho.

Tony Del Bene of Youngstown U. was 22nd nationally among small college hitters with a .419 mark. Brad Lawson was 27th with a .414 average. Nick Gesacion of the Penguins was 10th nationally in stolen bases, with 21 in 24 games, and Lawson was 11th with 18 steals. Lawson and Gesacion were both freshmen this year.

SWIMMER Neil Wade of Ohio U. has received notification of being named All-America in both the 100 and 220-yard breaststroke events.

ELROY FACE of the Pirates is fourth in the race for the "Fireman's Trophy" in the National League. Face has one win in relief and six saves. Ron Kline is tied for fifth with four wins and two saves. Phil Regan leads with 11 points and Al Worthington of the Twins leads the American League with 14 points.

Gibson Blanks Pirates 3-0 For Fifth Straight Shutout

★ ★ ★ ★ ★ ★

Bucs Win Second

By DICK COUCH
Associated Press Sports Writer

Momentum will be in Bob Gibson's corner when the St. Louis swifty resumes his pursuit of Don Drysdale . . . and collides head-on with Mr. Zero himself.

Gibson reeled off his fifth straight shutout . . . one short of the major league record set earlier this month by Los Angeles' Drysdale . . . with a four-hit 3-0 triumph over Pittsburgh in the opener of a doubleheader Wednesday night.

But Drysdale, whose shutout string ran out about the same time Gibson started picking up steam, proved he hasn't lost his magic by hurling 7 2-3 hitless innings on the way to his 200th career victory, a two-hit 2-1 nod over San Francisco.

Drysdale, who holds the all-time mark of 58 2-3 consecutive scoreless innings, and Gibson, with a string of 47 blanks intact, are due to oppose each other next Monday night at Los Angeles.

The Pirates rebounded from their loss to Gibson and trimmed the National League leading Cardinals 3-1 in the nightcap. Cincinnati shaded the New York Mets 7-6, Houston nipped the Chicago Cubs 2-1 and Philadelphia slipped past Atlanta 3-2 in 11 innings.

Gibson, who started his string of shutouts with a 4-0 victory over Houston on June 6, two days before Philadelphia ended Drysdale's skein, struck out seven, walked none and continued to shrug off his run at the whitewash record.

"I really don't care about it, but everybody talks about it," said the big right-hander, 9-5 on the year. "If I set a record . . . fine. I don't really care.

"Shutouts are secondary. Get yourself preoccupied with shutouts and pretty soon you're behind. I'm not looking forward to a shutout. I'm looking forward to a win."

Gibson contributed a fourth-inning double to the Cards' attack and scored on Lou Brock's double. Mike Shannon homered in the eighth.

The Cardinals stopped Maury Wills' 24-game hitting streak in the second game, but the Pirates rallied behind Matty Alou, who collected three hits and drove in two runs. Ron Kline preserved the victory with a clutch relief job in the ninth.

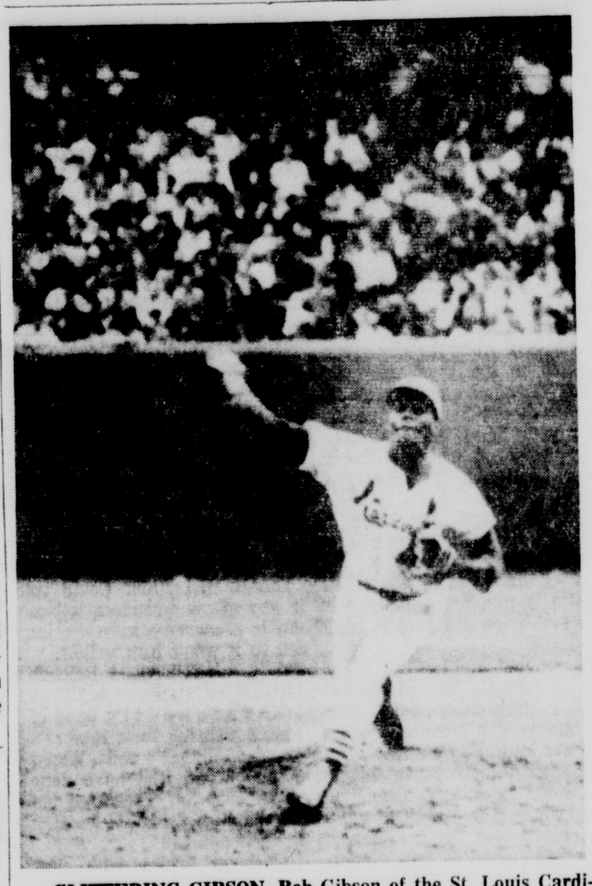

Dave Marshall's pinch single with two out in the eighth deprived Drysdale, 10-4, of both a no-hitter and a shutout after the Dodger ace dug himself into a hole with a walk and a throwing error. Jim Hart's two-out single in the ninth was the only other San Francisco hit.

The Dodgers gave Drysdale all the support he needed in the seventh inning, when Wes Parker doubled across one run and Hart threw wide to the plate for another.

New York rallied for three runs in the ninth, but Ted Abernathy pitched out of the jam and prevented the Mets from bringing their record to .500. Tony Perez socked a bases-loaded triple for Cincinnati in the fifth.

Chicago got only two hits off Dave Giusti in losing its 11th game in the last 12. Jim Wynn homered for the first Houston run and Giusti singled home the second.

The Phillies edged Atlanta on Tony Gonzalez' run-scoring single in the 11th. The hit scored Clay Dalrymple, who had doubled. The Braves' runs came on Mike Lum's first major league homer.

Highland Legion Blanks Midland 5-0 In Mudbath

★ ★ ★ ★ ★ ★

Mraovic Loser

By JOHN MUELLER

The Midland American Legion baseball team, with help from the weather and a quagmire infield, gave the Highland Legion team a 5-0 victory at Midland last evening.

Midland's George Mraovic and Highland's Greg Musgrave were hooked up in a scoreless pitching duel, with Mraovic having a slight edge, when the weather intervened. Dan Davis was at bat in the top of the fourth for Highland. Minutes before the rain had started and came down in a steady shower. Mraovic, having trouble controlling the wet ball, finally hit the batter on the 2-2 pitch. At this point the umpires called time.

The game resumed in a light shower after a 20-minute wait. Davis went to second on a wild pitch with Don Davidson at bat. Davidson bunted and when Mark Braund threw wildly to first, Davis scored and Davidson went to second. Davidson went to third on a wild pitch with Gene McNiller at the plate. McNiller walked. Paul Francis threw out Stan Weister and Davidson scored. Jeff Huber went out on a routine grounder but Highland had all the runs it needed for the win.

Highland added a pair in the fifth frame after two were out. Two walks wrapped around a single by Davis, a passed ball and an error by Mraovic made the gift package complete.

Three consecutive singles and a passed ball accounted for the winners' final run in the sixth.

Midland never threatened although they had runners on base in five of the six innings. The umpires called the game because of darkness in the top of the seventh with runners on first and second and one out.

Mraovic went five full innings for Midland and faced two batters in the sixth, both of whom singled. He was charged with all the runs, gave up four hits, walked four, struck out seven and hit one batter. Bill Coble pitching one inning in relief, gave up two bunt singles and struck out two.

Musgrave went the distance for Highland. He gave up five hits, walked one and struck out five.

Nicklaus, Casper Absent

Trevino, Palmer Favored As Cleveland Open Starts

CLEVELAND (AP) — Slump-ridden Arnold Palmer and U.S. Open king Lee Trevino head the cast of 44 pros who teed off today in the first round of the $110,000 Cleveland Open Golf Tournament.

The sixth annual event, with the top prize of $22,000 awaiting the winner, was without some of the game's glamour boys.

Leading money-winner Billy Casper, Masters' champion Bob Goalby, former PGA titlist Bobby Nichols and Columbus belter Jack Nicklaus were absent.

But in addition to Palmer and Trevino, the pro circuit's newest sensation, the field included 41 of the top 50 money-winners and 15 victors of the tour's 20 tournaments.

Palmer, always a favorite here since he captured the first Cleveland Open in 1963, has only one tournament victory to show for the year.

The game's all-time leading money-winner toured the par 71, 6,742-yard Lakewood Country Club course Wednesday with a fine four-under 67 in the pro-amateur but complained he still wasn't playing well.

"It hasn't been any one part of my game that is giving me trouble so it's hard to concentrate on hat I'm doing wrong," Palmer said.

Trevino, complaining about the steady rain that drenched most of the players, said he played well after a week's layoff. He shot a 69.

"I'm as ready as I'll ever be," the popular Mexican-American noted.

Allen's Triple Sparks Senators

Dobson Blanks Angels

By HAL BOCK
Associated Press Sports Writer

Neat, quiet and nice.

That was the way Oakland's Chuck Dobson put away the California Angels 3-0 on a three-hitter Wednesday night.

No fussing. No feuding. Just a professional, clean-cut job.

Listening to Bill Rigney, manager of the Angels, talk the night before, you'd have expected the two teams at each other's throats. It never happened.

"My players are sore at someone," Rigney had said after three batters were hit by pitches and another spiked in California's 7-6 victory Tuesday night. "I wouldn't miss Wednesday night's game for anything in the world."

In other AL action Wednesday, Baltimore rapped Boston 6-2 and Washington whacked Cleveland 8-2. Detroit's game at New York was rained out.

Dobson, staked to a quick 2-0 lead, was in command from the start and didn't allow an Angel past first base after the first inning. Jim Fregosi had two of the three singles Dobson, 5-7, allowed.

Mike Hershberger doubled home one run and scored another for the A's in the first and Phil Roof completed the scoring with his first homer of the year in the second.

Baltimore used a familiar theme to beat Boston with Frank Robinson, Brooks Robinson and Boog Powell all smashing home runs. It was the kind of power show that carried the Orioles to the American League pennant in 1966.

Brooks tagged his seventh of the year—a two-run shot in the fourth. Powell hit No. 12 and Frank followed with No. 4 for two more runs in the sixth.

Elston Howard's two-run homer was the only damaging blow off Dave McNally, who finished with a six-hitter.

Washington scored eight runs in the first two innings and Camilo Pascual coasted past Cleveland on a four-hitter.

Catcher Jim French, recalled earlier Wednesday from the minors, drove in two first inning runs with a single and Bernie Allen's two-run triple keyed a six-run Senator uprising in the second.

Pascual, who won his seventh, owns Washington's only two victories in the last 13 games.

1968 Grid Season Kicks Off Tomorrow

ATLANTA (AP) — Last fall's college football standouts battle Friday night in the eighth annual Coaches All-America game which either kicks off the 1968 season or wraps up the 1967 campaign.

The nationally televised duel matches quarterback Gary Beban of UCLA, the heralded Heisman Trophy winner, against Greg Landry of Massachusetts.

Beban, who has been erratic in practice, will direct the West while Landry will quarterback the East.

West Coach Dee Andros of Oregon and East Coach John Pont of Indiana both have predicted an explosive game, although last year's scrap ended in a 12-9 conquest for the East.

This year's game may be another low-scoring show, with both teams boasting top defensive players.

The East's defense will be led by tackle Kevin Hardy of Notre Dame, tackle Claude Humphrey of Tennessee A&I, linebacker D. D. Lewis of Mississippi State and halfback Frank Loria of Virginia Tech.

Heading up the West's defense will be tackle Wayne Meyland of Nebraska, guard Granville Liggins of Oklahoma, linebacker Fred Carr of Texas El Paso and halfback Dick Anderson of Colorado.

The West, which trails in the series 4-3, has some offensive standouts including pass-catching whiz Rick Eber of Tulsa, explosive halfback Max Anderson of Arizona State and long-range kicker Jerry De Poyster of Wyoming.

Andros admitted, however, that he doesn't have a block-busting runner with the power of the East's Larry Csonka, 235-pound Syracuse fullback.

"Csonka is all everybody said he was," said Pont, who also can call on Tennessee halfback Walter Chadwick and Tulane's Bobby Duhon for running assignments.

Both Pont and Andros indicated they would give all 30 members of each squad a chance to play, because temperatures probably will be in the low 80s.

Kickoff is set for 8:30 p.m., with ABC televising the game.

1st National Still Unbeaten In Minor Play

First National remained unbeaten in minor league play last night by outslugging TS&T 11-9.

Pusateri's edged Rogers' 2-1 in the other contest.

Mike Yanni had a triple and two singles to lead First National. Ken Morris added a double and single and Andy Calhoun two singles. Jim Davis was the winner and Eckstein the loser. Glen Lockhart had a triple and single.

Post 374 Rained Out At Weirton

American Legion Post 374 led Weirton 3-1 after two innings in an Ohio Valley Athletic Conference game last night at Weirton when the contest was rained out.

Bill Montgomery was on the mound for the locals.

The legion team will continue action tonight and tomorrow by playing Columbiana County League foes Salem and Columbiana at Midland. Saturday Post 374 goes to Tiltonsville and Sunday Bridgeport shows at the Colt Field for an exhibition contest.

Vernon Dell Wins In Little League

Vernon Dell beat Golden Star 3-0 in a rain - shortened Little League game last night.

Jake Nicholson was the winner, fanning 8 in five innings, and allowing only a single by Tom Piatt. Bill Henderson had a double and single and Dave Rinehart two singles for Vernon Dell.

Shug Jordan Recovering From Cancer

AUBURN, Ala. (AP)—Auburn football Coach Ralph "Srug" Jordan is expected to make a complete recovery from cancer.

A medical bulletin released through the Auburn Athletic Department Wednesday reported Jordan, 57, was diagnosed to have cancer "in its early stages."

Jordan underwent exploratory surgery Monday at St. Francis Hospital in Columbus, Ga. He is scheduled to be discharged today.

The bulletin did not state the location of the cancer but at the time he entered the hospital, the Alabama Journal reported Jordan would undergo surgery for a prostate ailment.

DRINK AND KILL. Of more than 1000 drivers who killed someone while driving under the influence of alcohol in a current study, only one fourth were convicted of drunk driving and less than 5% of those went to jail. It's past time to smash down hard on criminal drinking drivers! If you drink, don't be CAUGHT DEAD driving!

LOOKING FOR A PARTICULAR CAR, like a 1965 DODGE, or a '66-'67 Chevy or a 1927 Bugatti? We don't have a Bugatti, but we can make a good try at finding the other two. Let us know what car you want and we'll help you find it. We sell lots of used cars! Stop by today at M & A MOTORS, Wellsville and East Liverpool.

OF THE 52,000 PERSONS KILLED IN traffic accidents last year in the U.S. safety experts say that 10,000 of those could have been saved if they had been wearing seat belts. Buckle up before you drive. You BET YOUR LIFE if you don't!

WE TAKE CARS FOR GRANTED HERE, but do you realize that the U.S. has half of the world's total highway vehicles? True. We have over 94,000,000 of them, and there are only 189,000,000 in the whole world!

BE CAREFUL OF MISLEADING ADVERTISING such as a car displayed on TV as a "special", but you find it's gone when you reach the dealership. This car was probably whole-saled several days before it was advertised. Watch for "below invoice price" deals. These often are cars from which standard equipment has been removed.

Concern Being Expressed Over GIs Moral Behavior

NEW YORK (AP) — A high ranking Defense Department spokesman says the department and "responsible military commanders are deeply concerned regarding moral conditions" affecting GIs in Vietnam and other countries.

Maj. Gen. William W. Berg, deputy assistant secretary of defense, made the comment in a letter to McCall's magazine regarding an article in its July edition by Robert Shaplen titled "The Girls They Leave Behind."

The article describes the state of romance between GIs and Vietnamese girls, detailing romances that run from "contract" relationships and casual affairs to marriage.

In his letter to Norman Hill of McCall's, Berg said, "The moral behavior of service personnel is a problem which should and does receive continuing command attention."

He said that "in general, service personnel are neither more nor less moral than when they entered the service; unfortunately, some persist in engaging in immoral conduct despite counselling and advice to the contrary."

The article says that "Despite the fact that about 150 marriages take place each year between American servicemen are other relationships, short of marriage, that are warm and genuine, 'romance' in Vietnam has by and large been more calculated, practical, and professional than during any previous war in which Americans have participated."

"Tens of thousands of young Vietnamese girls have become prostitutes "or have 'contracted' themselves to live with American soldiers on a temporary basis, usually for six or seven months," it says.

The reason more marriages don't result, the article says, is because of the relatively short time most servicemen are in Vietnam, the language barrier, and red tape thrown up by the Defense Department. This includes the requirement that numerous documents be submitted, including police statements of good conduct for the girl, a chaplain's consent for the GI, medical certificates and others.

The one year rotation system does not encourage marriage, McCall's says, "but in passing the girls along to one another, it does make for orderly arrangements."

WORLD ALMANAC FACTS

Diatoms, microscopic plants of the Algae group, are among nature's most beautiful and ecologically important creations. Diatoms are encased in exquisitely designed siliceous shells, which collect in countless quantitites at the water's bottom, helping to form rich oil deposits. Besides being a major source of food for sea life, diatoms give off most of the earth's oxygen.

Teachers Set For Hancock

The Hancock County Board of Education has approved the appointment of 10 teachers and a librarian for the summer school program.

The teachers and their subjects follow: Secondary — Milton Weinberg, Louis Kuntupis and William Owings, English; Richard H. Taylor, Larry J. Liberto and Phillip Cottrill, math; Bradley M. Wilcox, life science; Thomas L. Salvati, social studies and Linda Chetock, librarian.

Elementary — Mary Ann Cacic, reading improvement and Mary Hodge, math improvement.

The board was informed 225 students are enrolled in the secondary program, with 54 in the elementary. Courses being offered in the secondary program are English 7 to 12, Algebra 1 and 2, modern geometry, general math, biology, general science, American history, geography, history, civics, world history and senior problems.

Also approved was the addition of two more teachers to the county "Head Start" program. They are Geraldine Bednarzik and Opal Proudfoot. The board was informed the hiring of the two additional teachers was necessary due to the heavy enrollment, which required two additional classes. A supplemental grant was obtained from the government for the two additional classes.

Five bus drivers also were approved as follows: summer school classes, Thomas Beaver, J. Orville Johnson and Albert Shughart, and "Head Start," Donald Brown and Glenn Witherow.

Demosthenes, the great Greek patriot and orator, took his own life, preferring death to being taken captive by the Macedonian general, Antipater.

Police Warn Against Use Of Fireworks

Warnings against the illegal use of fireworks were issued today by law enforcement officials in Columbiana County as the July 4 holiday approached.

Ohio law specifically prohibits the sale and igniting and discharge of any fireworks. Cap guns are not included in the ban, and may be used.

Communities, carnivals or organizations planning fireworks displays must obtain written permission from the police chief or fire chief of a community or the Sheriff in county areas.

Sponsors of such displays are responsible for any damage which occurs. Fireworks must be stored in closed wooden boxes or under a tarpaulin.

Violators are subject to fines of from $25 to $500.

Ohio citizens also violate federal law if they purchase fireworks outside the state and transport them into the state knowing the fireworks are to be purchased or used in a manner prohibited by law. The penality is a fine of up to $1,000 and up to a year in jail.

The Ohio Department of Industrial Relations announced all 30 inspectors of the division's building and factory section have been instructed to serve warnings on proprietors of illegal stands and fireworks bootleggers.

The Ohio Highway Patrol will assist in locating such stands.

The division reported a number of fireworks injuries already has been reported and urged merchants and private individuals to obey the law.

Debbie Stacey Wins More Baton Honors

Debbie Stacey, 11, daughter of Mr. and Mrs. Laird C. Stacey of 1005 Main St., Wellsville, won four trophies during National Baton Twirling Association competition over the weekend.

Sunday at Akron, she received a first place in modeling a military uniform, a second place in advance military strut and a third place in advance baton twirling.

She was awarded the fourth trophy for twirling Saturday during competition at Pleasant Hills, Pa.

Debbie is mascot for the Wellsville High School band.

Hamilton Countians Face Auto Tag Tax

CINCINNATI (AP) — Hamilton Countains will pay an additional $5 next year when they buy Ohio automobile license tags.

County Commissioners tacked on the increase Wednesday to bolster the county's road construction fund by $2.25 million. The current fee is $10.

4 Are Secret

9 Indictments Returned By County's Grand Jury

LISBON — The Columbiana County grand jury returned nine indictments Wednesday to Judge Joel H. Sharp of Common Pleas Court.

Recalled by Prosecuting Atty. J. Warren Bettis for a one-day session, the jurors heard 18 witnesses in 11 cases. Four indictments are secret. Two charges were dropped after consideration.

Defendants and charges follow:

Benjamin Irvine of 21 5th St., Midland, issuing a fraudulent $54 check Jan. 21, 1967, to Jerome R. Glonek, manager of the Thrifty City Store in East Liverpool.

William Matevich, 18, New Waterford; William Weckerly, Heather Trailer Court, New Brighton, and Cornelius Cronin III of 2101 25th St., Beaver Falls burglary last May 4 at William A. Dickey & Sons variety store in Negley.

Raleigh Barnett, 31, of Hanoverton RD 1, assault with a dangerous weapon on William K. Schoonmaker of Salem. The alleged offense occurred June 23, 1967, following a collision between cars driven by Barnett and Schoonmaker. Barnett was sentenced in Southwest Court Tuesday to 60 days in the County Jail for driving without an operator's license — a charge stemming from the 1967 accident. Court records show he skipped bond last summer and was not apprehended until a few days ago.

Defendants in the secret bills will be named as soon as they are notified.

Replies To Rockefeller Statements

Nixon Declares He Wants No Backing By Wallace

By The Associated Press

Former Vice President Richard M. Nixon, replying to statements by GOP presidential rival Nelson A. Rockefeller, says he wants no support from third party presidential candidate George C. Wallace.

"I've been in politics for 22 years and I've never had a racist in my organization," Nixon said in New York Wednesday. "From what I've read, Wallace's appeal is in the direction of racist elements. Both major parties disassociate themselves from him.

Nixon said he hopes Vice President Hubert H. Humphrey, Democratic presidential aspirant, will make a similar statement, "and that should clear the air."

New York Gov. Rockefeller had accused the Nixon camp of courting Wallace support to win southern votes.

Wallace, meanwhile, said he will not withdraw from the presidential race under any circumstances.

The former Alabama governor said early in his campaign he would withdraw if it appeared candidates of either major party would adopt the policies he said America needs.

But now "it's too late" Wallace said in Montgomery, Ala. He said for any of the Republican or Democratic candidates to support his policies now it would only make them more likely to come to pass.

In the Democratic race, Humphrey said every able American child should be guaranteed an education from age four through college and Sen. Eugene J. McCarthy said he has no intention of "meddling" in the Paris peace talks.

Humphrey said in Denver, Colo., potential high school dropouts should be counseled on a case-by-case basis and new courses should be developed for students who go directly from high school to work.

McCarthy said he wants to meet with North Vietnam diplomats in Paris this summer only to "hear what the Vietnamese are saying with my own ears" and not to participate in any way in the peace talks.

"This would not be an official mission," he said in New York, "and it would be consistent with my campaign and I think in the best interest of the United States of America."

In other political developments:

—Rockefeller called in Hartford, Conn., for "a totally new system for distributing federal funds"—including direct payments to states and cities unrestricted as to use—to support governments close to the people.

Driver Seeks Probation In Traffic Death

An East Liverpool potter whose traffic manslaughter trial ended June 19 with a deadlocked jury will not go to trial again.

William K. Betteridge, 57, of Lisbon St. Ext. changed his plea from "not guilty" to "guilty" Tuesday before Judge Raymond S. Buzzard in Common Pleas Court at Lisbon and asked for probation.

Judge Buzzard directed Richard V. Rose, adult probation officer, to conduct a pre-sentence investigation and report. The court released Betteridge on his own recognizance.

The state alleged Betteridge was driving too fast and driving too fast to stop in an assured clear distance when his car struck Carl W. Smith, 6, son of Mr. and Mrs. John Smith of Glenmoor, April 27, 1967, on Route 267 in Glenmoor. The boy was dead on arrival at City Hospital.

Jurors deliberated 7½ hours before informing Judge Buzzard they could not reach a verdict. Counsel questioned them afterward and learned they were 11 to 1 for conviction. All 12 jurors must sign a verdict in criminal proceedings.

Black Bess was the celebrated mare which carried the highwayman, Dick Turpin, on his trip from London to York.

Men have used artificial devices to keep cool for centuries, the National Geographic Society says. Ancient Egyptians soaked the walls of their homes with water; Roman slaves brought down mountain snow to pack in the hollow outer walls of their masters' villas.

We Point with Pride to the Festival

A 21-GUN SALUTE!

The tremendous success of the Tri-State area's First Annual Pottery Festival gives us an opportunity to pay tribute to an event that we hope will continue in years to come. Adjectives fail to properly describe the favorable reaction from the people from out of town and the residents in our area to this grand event.

Those who say this town is dead must feel a little guilty. We are reminded of the steps forward our area has taken in recent years. The new look in our public schools; the industrial development in the area, the results of the Community Improvement Corporation, a satellite of the Chamber of Commerce; the united efforts of individuals and city administration to improve parking and the general appearance are beginning to show results. Some may say we are a little slow to move, but when our people make up their minds, the results are quite exciting. The Pottery Festival is another example of this point. It also proves that if enough people are willing and available, that there is no limit to what they can accomplish.

So a low bow to the Chamber of Commerce; Jud English, Chairman; the Merchants division; to the merchants and industries; to the Trades and Labor Council; to the IBOP; to the civic groups, and the many men and women who contributed towards making this event pleasant, newsworthy, and a most exciting show.

Eckert Recommends NL Adopt 2-Division Play

NEW YORK (AP) — Baseball's executive council, heeding Commissioner William D. Eckert's call for a "united front," has recommended uniform scheduling and division play next year when the major leagues expand to 12 teams apiece.

Following a meeting in New York Wednesday, the five-man executive council, headed by the commissioner, unanimously recommended that the National League adopt a two-division setup and the American League retain the present 162-game schedule.

The two leagues will act on the recommendations in Houston July 10, the day after the All-Star Game in the Astrodome.

The American League has announced it will go to two divisions of six teams each and will cut its schedule to 156 games followed by a playoff between division champions, with the winner advancing to the World Series.

Last month, the National League granted 1969 franchises to Montreal and San Diego, then later announced it would stay with one division and a 162-game schedule.

"I have always advocated that the two leagues move forward jointly and present a united front with the common aim —what is best for the baseball public," Eckert said in calling for an end to inter-league differences over expansion.

Fears had been expressed that the excitement created by an American League pennant playoff between division champs would detract from the prestige of a National League pennant race in September.

Unanimous approval of the National League club owners is necessary for a switch to two divisions.

Under the American League's divisional split Kansas City and Seattle, the new clubs, will play in the Western Division along with Chicago, Minnesota, California and Oakland. Boston, New York, Washington, Baltimore, Cleveland and Detroit will be in the Eastern Division.

Sports Quiz

Here is a sports quiz to test the knowledge of area sports fans.

The quiz will appear in The Review every Thursday, along with the answers to the preceeding week's quiz and the names of the people who got the most questions right.

The questions are not meant to be easy, and pertain in many cases to what is sometimes called "sports trivia." Please do not phone the Review with answers or questions about the quiz. Answer may be mailed in or dropped off at the Review before noon on Wednesdays.

Jack Vodrey of Park Blvd. returned to his winning ways this week, getting six questions right. He did not know that the only tripleheader in major league history was in 1903, with the Pirates taking the Dodgers three times; that Fred Clarke of the Pirates in 1906 stole home without knowing it (the count was 3-1 on the batter with the bases loaded and everyone thought the pitch was ball four, but the umpire, on a delayed call, called it a strike after Clarke had strolled home with a "steal"); that on July 10, 1929 the Pirates and Phillies combined for one homer every inning; and that Mike Grady in 1895 was charged with four errors on one batted ball.

Vodrey knew Goose Goslin as the person to ground into four doubleplays in a game in 1934, knew Carl Weilman fanned six times in a game in 1913 (the record has since been tied by Don Hoak), knew that all nine Cleveland batters got a hit and scored a run in the fifth inning on June 9, 1908, knew "Satchel" Page was the oldest player ever to appear in a major league game (59, with Kansas City in 1965), knew W. D. Gray of the Senators walked eight batters in an inning and knew J. H. Burnett had nine hits in an 18-inning game in 1932.

This week's questions:

1. Who competes, in what sport for the Curtis Cup?
2. The Rider Cup?
3. The Wightman Cup?
4. The Calder Cup?
5. The Lambert Cup?
6. The Canada Cup?
7. The World Cup?
8. Pimm's Cup?
9. The Semple Cup?
10. The Prince of Wales Trophy?

PITCHING—Bob Gibson, Cardinals, pitched a four-hitter for his fifth consecutive shutout and extended his scoreless inning string to 47 as St. Louis dropped Pittsburgh 3-0 in the first game of a doubleheader.

Ryun Gets Special Deal In Qualifying

LOS ANGELES (AP) — Sixteen American athletes with either injuries or illness too severe to permit them to compete this weekend in the U.S. Olympic trials will get another chance to make the team.

World mile recordholder Jim Ryun and world long jump recordholder Ralph Boston are among those who will be allowed to compete at South Lake Tahoe during the training week of Sept. 9-17. The action came as no surprise.

A subcommittee of U.S. track and field officials voted Wednesday on petitions submitted by athletes.

Ryun contracted a mild case of mononucleosis last month and has since been recuperating in Arizona.

Boston told the group he might be able to compete at the Los Angeles Coliseum this Saturday and Sunday in the trials but was granted permission to miss if he isn't up to it. He is a two-time Olympian.

Other name trackmen who got free passes for the meet are high hurdlers Richmond Flowers and Willie Davenport, middle distance runners Preston Davis, Jere Van Dyke and Ron Kutschinski and world pole vault recordholder Paul Wilson. Also allowed to miss this weekend's festivities are former Olympic champion Billy Mills, distance runner Ken Moore, triple jumper Aaron Hopkins, sprinters Willie Turner and Oliver Ford, shot putter Neal Steinhauer, walker Larry Walker and decathlon ace Dave Thoreson.

Peggy Conley Leads Curtis Qualifying

WALTON HEATH, England (AP) — Let the wind blow and the rains come, Peggy Conley loves it.

"I do, I really do like what others call bad weather," said the 21-year-old Spokane, Wash. student whose 77 Wednesday led qualifiers for the 1968 British Women's Golf Championship.

"We see a lot of weather where I come from," she said.

Indeed, the rain and wind which turned Walton Heath's 6,242-yard par 75 course into a fickle enemy failed to daunt either Peggy or her six colleagues on the American Curtis Cup team.

Patsy Burns Leads EPCC Lady Golfers

The East Palestine Country Club Ladies Golf League held its guest day Tuesday and Patsy Burns, chairman of the event, had the low gross score for members, a 44.

Jane Berrisford had low net with a 35, Ann McCarthy took only 13 putts, Helen Morris had the longest putt on number four and also won the door prize, Rose Castellogini had the longest drive on number nine and Katy Van Fossen was closest to the pin on number two.

For guests, Ruth Gurney was closest to the pin on number two, Edna Hirt had the longest drive on number nine, Ruth Armstrong had a chip-in, Jane White had 14 putts, Ann Palisian had low net with 34 and 50.

Mrs. Sullivan led the top best ball of four team, which had a 27. Others were Thelma Van Fossen, Anita Mentz and Margaret Reesh. The low gross foursome was Lorna Nash, Ruth Holliman, Mary Holleballugh and Ruth Vastine, with a 222.

Florence Hartford and Sherril Jones were the luncheon committee.

Truckers Win 21-1 In Softball

LISBON — Albco Foundry edged Lisbon Merchants 8-7 in softball league action Wednesday night at Pine Tree Inn Field.

Unbeaten Toot Trucking (11-0) romped over Tangerine Lounge of Salineville 21-1. The Tangerines took a 7-0 forfeit from Salem Security Service Tuesday evening.

Bob Huffman had three hits in four at-bats last night to lead the Foundrymen to their second victory. Gibby Cannon was the winning pitcher. Walt Schmidt, who pitched for the Merchants, was 3-for-3 at bat and Jerry Bush homered for the losers.

Jerry Bryson pitched for the Truckers, whose hitting attack was led by Don Kendrick with two homers among his 4-for-5. Jack Smith took the loss.

East Liverpool will play Wellsville Merchants at 5:45 p.m. today at Pine Tree and Salem Security Serevice will meet Wellsville Appliance at 7:15

HINTS FROM HELOISE

Weed Diggers Get Break

DEAR FOLKS: Recently I just learned a new method of pulling weeds to keep your hands from getting stuck, cut and covered with welts — especially on Johnson grass and stinging nettles (which hurts like the dickens if you touch it).

Heloise

Take a plastic bag from the dry cleaners out to the yard with you. When you see some of those biting weeds put the soft, thin bag over your hand, hold it around your wrist or elbow with the other hand and then just pull away!

You can work for hours in your garden with no marks or scratches on your arm, fingers or hand. Also, since this plastic is thin and pliable, you can feel when the root is coming loose.

How about that?

I have also used this method when cutting down sticky, thorny bushes. It's wonderful when you are trimming plants.

Another thing. . .even though the weed is mushy after you have watered it, you don't get a bit of soil into the crevices of your hand or under your fingernails.

So let's go weed pickin'. But remember to take one of those plastic cleaner bags along with you. . . It's absolutely the greatest.

HELOISE.

-:-

P.S. Guess you can tell I've been pulling weeds this week. If I could find something for my back, I'd have it made.

DEAR HELOISE: Before we charcoal our hamburgers and potatoes, I always pour some oil on a paper towel and rub the grill with it. . .

Hey, look Ma, the food doesn't stick to the grill and tear apart when I turn it.

DORIS DEAN.

DEAR HELOISE: I needed a needle to sew a button on my husband's shirt. Remembering your hint about taking apart a pincushion to find needles, I decided to see if there really might happen to be one in there.

So I squeezed very carefully and guess what? I found fourteen!

PEGGY CUNNINGHAM.

DEAR HELOISE: Could you or any of your readers tell me how to preserve a tulle wedding veil so it won't turn yellow.

THERESA REGAN.

-:-

We frequently hear of brides wearing their mother's or grandmother's veils. Would some of you who have done so, please tell Theresa (and me) the secret of keeping them beautiful?

Perhaps brides with new veils would like to have this information, too.

We'd love to hear how you do it. Just write to me in care of this newspaper.

HELOISE.

DEAR HELOISE: Did you know you can make a delicious caramel pudding out of a can of sweetened condensed milk without even opening it?

Just peel off the wrapper, fill a saucepan with enough water to COVER the can (be sure and keep the can covered during the cooking period by adding more water), bring to a boil and SIMMER for three hours.

After it's cool, open the can and see for yourself! A really delicious pudding.

NANCY-MITCHELL.

-:-

I bought a 15-oz. can and tried it. Wow! I SIMMERED it for three hours UNDER water like you said, let it cool and then opened.

My 98 pounds will go up to 100 if I eat much of that delicious stuff.

The kiddies love it spread on vanilla wafers or between graham crackers.

These can be made up by the bunch and frozen. Quick snack or dessert anytime.

HELOISE.

DEAR HELOISE: Cardboard inner soles are much more comfortable to bare feet than the leather ones that come in shoes.

I use facial tissue boxes and cut inner soles to fit my shoes. Perspiration is absorbed by the cardboard, and they can be changed frequently.

MISS T, JAEGER.

WORLD ALMANAC FACTS

A "Hobson's choice," meaning "this or none," originated to describe the eccentricity of Thomas Hobson (circa 1544-1630), an English livery stable owner. Hobson insisted that customers take the horse standing nearest the door "so that every customer was alike well-served, according to his chance." Hobson refused business rather than rent a horse out of its turn.

18 Inmates Are Cited In Prison Riot

COLUMBUS, Ohio (AP) — State highway patrol investigators have cited 18 Ohio Penitentiary inmates in connection with Monday's costly riot, and Warden Ernest L. Maxwell said Wednesday another 37 convicts probably will be implicated.

The suspects were put in special cells, isolated from other inmates.

"We are rounding up the troublemakers and agitators," Maxwell said, adding that investigators have "some very good evidence" against suspected prisoners.

Meanwhile, Ohio Adjt. Gen. Sylvester Del Corso announced Wednesday that half of the 800 National Guardsmen mobilized for duty after the fire and riot were being sent home.

He said almost all the troops, ordered into the prison Monday afternoon for guard and patrol duties, would be moved out by tonight.

Maxwell said Wednesday that damage to the penitentiary from the fires and demolished equipment would amount to about $1 million.

Many of the 15 damaged buildings will be back in operation soon, he said, but it is possible that the more heavily damaged structures will not be rebuilt because of plans to build a new penitentiary at Lucasville.

Bids for construction of the new prison will be opened Sept. 1, according to state officials.

Four More Ohioans Victims In Vietnam

WASHINGTON (AP) — Army Cpl. Kenneth C. Fleming Jr. of Zanesville, Ohio, and Marine Pfc. Terry L. Parsons of Columbus, Ohio, are among the latest servicemen listed by the Defense Department as having been killed in action in Vietnam.

Army Spec. 4 Thomas R. Edwards of Middletown, Ohio, was changed from missing to dead of hostile causes.

Marine Pfc. Eddie Riggins of Cleveland was listed as having died as a result of nonhostile action.

Personalities In The News

PARIS (AP) — French singer Charles Trenet took Charlie Chaplin to court Wednesday on charges of stealing his music.

Neither of the personalities showed up, but their attorneys and the court listened to records and piano versions of Trenet's 27-year-old "La Romance de Paris" and Chaplin's 1961 melody "C'est Ma Chanson," which was sung in his film, "The Countess of Hong Kong."

The judge, Maurice Mouzon, observed that the first four notes of the songs are the same. But, argued Chaplin's attorney, the rhythm is different.

The verdict will be announced in one to two weeks.

SPOKANE, Wash. (AP) — Lord Bertrand Russell, the British philosopher, says in a letter to a Spokane woman there is no truth to "continuing rumors" about his becoming devout at 96.

"There is a lie factory at work on behalf of the afterlife," Russell said in a letter to Mrs. Charles Chambers, vice president of the North American Humanist Association.

He was responding, Mrs. Chambers said, to her letter inquiring about reports that Russell may be turning religious with age.

"My views on religion remain those which I acquired at the age of 16," Russell wrote. "I consider all forms of religion not only false, but harmful."

Halfday Of Freedom Marks 2nd Jailbreak

NEWARK, Ohio (AP) — The second jail break in two weeks for Richard Osborn, 24, of Newark resulted in only a halfday of freedom. He turned himself in to authorities here Wednesday afternoon.

Osborn, scheduled to go on trial Wednesday for forgery, was missing from his cell at the Licking County jail when guards checked it Wednesday morning. He had pried a screen off the door sometime after midnight.

Ossborn escaped from the jail June 15 only to be arrested the next day in Columbus.

Man Is Jailed In Sales Case

LISBON — Mathew Carroll, 44, of Fayetteville, Ark., is being held in the County Jail here in lieu of $1,000 bond for arraignment in Southwest Court on a malicious entry charge.

Chief of Police Leon T. Zahrndt of Lisbon filed the affidavit Wednesday afternoon, charging Carroll with taking a set of golf clubs and a cart Tuesday afternoon from an enclosed porch at the Kenneth Morris residence, 816 N. Market St.

The chief said Carroll "hocked" the bag and clubs with Don Coleman, service station operator, for $8, then reclaimed them in a short while to sell to Eddie Ward, insuranceman, for $16.

Carroll had only $2 or $3 on him when Deputy Sheriff Howard Gray apprehended him Wednesday morning on the Square. Mrs. Morris, who works at the County Jail, had mentioned the theft of the golf equipment at work yesterday. Sheriff's deputies had questioned Carroll Tuesday when the Salem Golf Club reported he was attempting to sell equipment there, but had released him when everything appeared all right. That was before the sheriff's office heard about the theft.

Gray was on his way to talk with Zahrndt when he saw Carroll standing on the street. Mrs. Morris identified the equipment. Elvin Davis identified Carroll as the man who tried to sell him the golf clubs about 1 a.m. Wednesday at Haught's Tavern.

Carroll said he sold the clubs for a young companion — whose name he did not know — who had picked them up while hitching a couple of days ago. Police have the license number of the youth's car, but have been unable to locate him.

The chief said he is continuing his investigation of a dozen or more local youths in connection with burglaries, thefts and vandalism. No charges have been filed.

Janitors at David Anderson High School said someone broke into the school Wednesday night, but nothing is missing. A hammer and putty knife were found at the front door.

Police suspect Carroll's companion in connection with the theft of a purse Tuesday night at Bill's Laundry and a break-in Wednesday night at Jack Taylor's service station on Jackson St.

Trio Linked To Robbery

The Jefferson County sheriff's office has issued warrants for the return of two Weirton youths and a Colliers (W. Va.) man in connection with an armed robbery of a nightclub in the southern part of the county.

The warrants are for Olin Gorby, 18, of Colliers, and Charles Clark Jr., 18, and a juvenile, 17, both of Weirton. All three are being held by Washington, Pa., police on an attempted burglary charge.

The three became suspects following the arrest of Claude Thompson, 23, of Adena; after an intensive 10-day investigation of the robbery of the Glen Robbins Fire House Club June 16.

Larry Buck, bartender at the time of the holdup, said two men, wearing stockings over their faces, came into the bar carrying a 12-gauge shotgun and demanded he give them all the money.

Buck said he handed over $20 and some change. The two men then rushed out and entered a waiting 1961 Rambler. The car headed toward Belmont County, Buck said.

The customers in the bar were not molested, deputies pointed out.

Thompson was traced through the efforts of Deputy Adolph Oleksiak, who learned a shotgun, similar to the one used by the bandits, had recently been pawned.

2 Begin Their Terms In Ohio Reformatory

LISBON — Sheriff Russell J. Van Fossan and Deputy Richard Koffel took two youths to the Ohio State Reformatory this morning to begin serving sentences of 1 to 15 years.

The prisoners are Charles Lee Fulton, 20, of Mount Vernon RD 5, convicted of burglary March 8 at Ivan's Exchange in Salem, and Thomas F. Phillips, 19, of Columbiana, who pleaded guilty to burglaries April 19 at Blosco's Bargain Center in East Palestine and April 23 at the David White residence, New Waterford RD 1.

How Can I?

By ANNE ASHLEY

Q.—How can I test for the hardness or softness of water for laundering?

A.—By adding ¼ - teaspoon of powdered soap to a pint of warm water in a quart jar, and shaking this. If no suds form, or if the suds do not remain firm, your water is hard.

Q.—How can I prevent the bark surface on rustic furniture from peeling off?

A.—By giving it a coat or two of spar varnish.

Q.—How can I remedy sticking piano keys?

A—Try raising the heat and lowering the humidity in the room for several days. Work the keys up and down and sideways. If the stickiness doesn't disappear, best to call in a piano tuner.

$2,696 OK'd As Budget In Junior Fair

LISBON — The Columbiana County Fair directors adopted a $2,696 budget for the Junior Fair at their meeting Wednesday night on the grounds.

The figure is $100 more than last year. Ben Weingart of Leetonia, president, was in charge.

Wayne Boyd of Wellsville RD 1, representing the junior board, attended to offer the youths' help in painting and getting the grounds ready for the 123rd annual exposition Aug. 21-25.

Directors decided to use military drill teams this year, instead of twirling units, between numbers of the Sunday afternoon band concert.

A majorettes' group sponsored by the Lisbon Volunteer Fire Department was given permission to use the grounds for practice this summer.

Tom Mollenkopf, summer 4-H assistant, attended on behalf of the County Saddle Horse Club. The group will hold its "selection day" in horse and pony divisions July 21 on the grounds.

New high - quality stainless steel tanks 18 feet by 15 feet have been ordered by Calvert of Canada Ltd. for its new distillery at Gimli, Manitoba. Each tank has a capacity of 12,500 imperial gallons (15,625 U. S. gallons).

A nickel - plated formula racing car, the Brabham Vegantune Formula B, was exhibited at the 1968 New York International Auto Show. The entire chassis, most of the suspension and many parts of the engine are nickel-chrome plated.

Final baseball statistics for various area colleges are beginning to trickle in.

Ohio U., which finished 23-6 under veteran coach Bob Wren, was ranked eighth in the country in the final Collegiate Baseball magazine poll. Mike Murphy was the 10th All-American produced by Wren and Rich McKinney the 39th player to sign a pro contract.

Dennis Taylor, the ace of West Virginia U.'s mound staff, has signed with the Cubs. Taylor was 6-0 with an 0.45 ERA and averaged 12.5 strikeouts per nine innings. He has reported to the Cubs' farm team at Caldwell, Idaho.

Tony Del Bene of Youngstown U. was 22nd nationally among small college hitters with a .419 mark. Brad Lawson was 27th with a .414 average. Nick Gesacion of the Penguins was 10th nationally in stolen bases, with 21 in 24 games, and Lawson was 11th with 18 steals. Lawson and Gesacion were both freshmen this year.

SWIMMER Neil Wade of Ohio U. has received notification of being named All-America in both the 100 and 220-yard breaststroke events.

ELROY FACE of the Pirates is fourth in the race for the "Fireman's Trophy" in the National League. Face has one win in relief and six saves. Ron Kline is tied for fifth with four wins and two saves. Phil Regan leads with 11 points and Al Worthington of the Twins leads the American League with 14 points.

JOHN MUELLER, our Midland correspondent, reports that the Waterford Park golf course is one of the toughest short courses in the area.

Gibson Blanks Pirates 3-0 For Fifth Straight Shutout

By DICK COUCH
Associated Press Sports Writer

Momentum will be in Bob Gibson's corner when the St. Louis swifty resumes his pursuit of Don Drysdale . . . and collides head-on with Mr. Zero himself.

Gibson reeled off his fifth straight shutout . . . one short of the major league record set earlier this month by Los Angeles' Drysdale . . . with a four-hit 3-0 triumph over Pittsburgh in the opener of a doubleheader Wednesday night.

But Drysdale, whose shutout string ran out about the same time Gibson started picking up steam, proved he hasn't lost his magic by hurling 7 2-3 hitless innings on the way to his 200th career victory, a two-hit 2-1 nod over San Francisco.

Drysdale, who holds the all-time mark of 58 2-3 consecutive scoreless innings, and Gibson, with a string of 47 blanks intact, are due to oppose each other next Monday night at Los Angeles.

Bucs Win Second

The Pirates rebounded from their loss to Gibson and trimmed the National League leading Cardinals 3-1 in the nightcap. Cincinnati shaded the New York Mets 7-6, Houston nipped the Chicago Cubs 2-1 and Philadelphia slipped past Atlanta 3-2 in 11 innings.

Gibson, who started his string of shutouts with a 4-0 victory over Houston on June 6, two days before Philadelphia ended Drysdale's skein, struck out seven, walked none and continued to shrug off his run at the whitewash record.

"I really don't care about it, but everybody talks about it," said the big right-hander, 9-5 on the year. "If I set a record . . . fine. I don't really care.

"Shutouts are secondary. Get yourself preoccupied with shutouts and pretty soon you're behind. I'm not looking forward to a shutout. I'm looking forward to a win."

Gibson contributed a fourth-inning double to the Cards' attack and scored on Lou Brock's double. Mike Shannon homered in the eighth.

The Cardinals stopped Maury Wills' 24-game hitting streak in the second game, but the Pirates rallied behind Matty Alou, who collected three hits and drove in two runs. Ron Kline preserved the victory with a clutch relief job in the ninth.

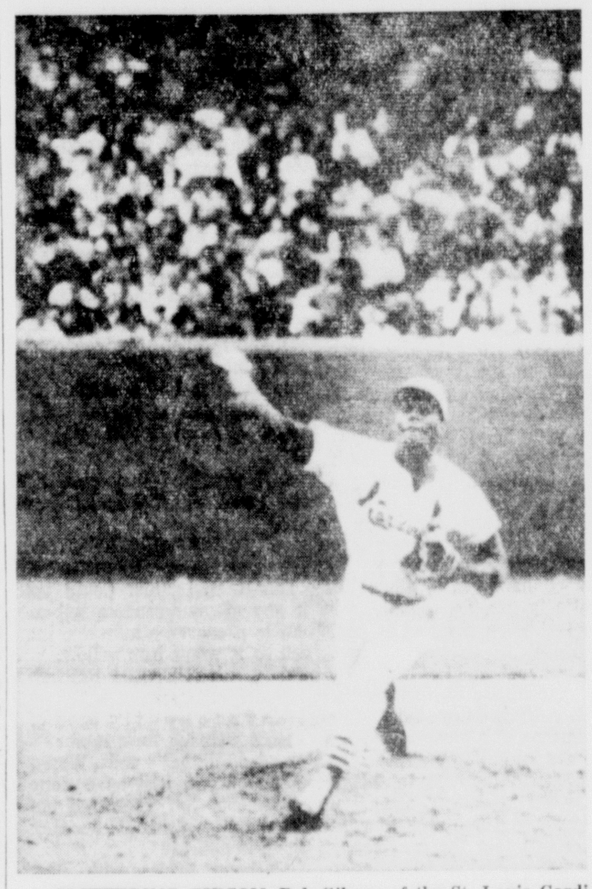

Dave Marshall's pinch single with two out in the eighth deprived Drysdale, 10-4, of both a no-hitter and a shutout after the Dodger ace dug himself into a hole with a walk and a throwing error. Jim Hart's two-out single in the ninth was the only other San Francisco hit.

The Dodgers gave Drysdale all the support he needed in the seventh inning, when Wes Parker doubled across one run and Hart threw wide to the plate for another.

New York rallied for three runs in the ninth, but Ted Abernathy pitched out of the jam and prevented the Mets from bringing their record to .500. Tony Perez socked a bases-loaded triple for Cincinnati in the fifth.

Chicago got only two hits off Dave Giusti in losing its 11th game in the last 12. Jim Wynn homered for the first Houston run and Giusti singled home the second.

The Phillies edged Atlanta on Tony Gonzalez' run-scoring single in the 11th. The hit scored Clay Dalrymple, who had doubled. The Braves' runs came on Mike Lum's first major league homer.

GLITTERING GIBSON. Bob Gibson of the St. Louis Cardinals is shown on his way to his fifth straight shutout, a 3-0 win over the Priates last night in St. Louis. (UPI Telephoto)

Highland Legion Blanks Midland 5-0 In Mudbath

By JOHN MUELLER

The Midland American Legion baseball team, with help from the weather and a quagmire infield, gave the Highland Legion team a 5-0 victory at Midland last evening.

Midland's George Mraovic and Highland's Greg Musgrave were hooked up in a scoreless pitching duel, with Mraovic having a slight edge, when the weather intervened. Dan Davis was at bat in the top of the fourth for Highland. Minutes before the rain had started and came down in a steady shower. Mraovic, having trouble controlling the wet ball, finally hit the batter on the 2-2 pitch. At this point the umpires called time.

The game resumed in a light shower after a 20-minute wait. Davis went to second on a wild pitch with Don Davidson at bat. Davidson bunted and when Mark Braund threw wildly to first, Davis scored and Davidson went to second. Davidson went to third on a wild pitch with Gene McNiller at the plate. McNiller walked. Paul Francis threw out Stan Weister and Davidson scored. Jeff Huber went out on a routine grounder but Highland had all the runs it needed for the win.

Highland added a pair in the fifth frame after two were out. Two walks wrapped around a single by Davis, a passed ball and an error by Mraovic made the gift package complete.

Three consecutive singles and a passed ball accounted for the winners' final run in the sixth.

Midland never threatened although they had runners on base in five of the six innings. The umpires called the game because of darkness in the top of the seventh with runners on first and second and one out.

Mraovic went five full innings for Midland and faced two batters in the sixth, both of whom singled. He was charged with all the runs, gave up four hits, walked four, struck out seven and hit one batter. Bill Coble pitching one inning in relief, gave up two bunt singles and struck out two.

Musgrave went the distance for Highland. He gave up five hits, walked one and struck out five.

Allen's Triple Sparks Senators

Dobson Blanks Angels

By HAL BOCK
Associated Press Sports Writer

Neat, quiet and nice.

That was the way Oakland's Chuck Dobson put away the California Angels 3-0 on a three-hitter Wednesday night.

No fussing. No feuding. Just a professional, clean-cut job.

Listening to Bill Rigney, manager of the Angels, talk the night before, you'd have expected the two teams at each other's throats. It never happened.

"My players are sore at someone," Rigney had said after three batters were hit by pitches and another spiked in California's 7-6 victory Tuesday night. "I wouldn't miss Wednesday night's game for anything in the world."

In other AL action Wednesday, Baltimore rapped Boston 6-2 and Washington whacked Cleveland 8-2. Detroit's game at New York was rained out.

Dobson, staked to a quick 2-0 lead, was in command from the start and didn't allow an Angel past first base after the first inning. Jim Fregosi had two of the three singles Dobson, 5-7, allowed.

Mike Hershberger doubled home one run and scored another for the A's in the first and Phil Roof completed the scoring with his first homer of the year in the second.

Baltimore used a familiar theme to beat Boston with Frank Robinson, Brooks Robinson and Boog Powell all smashing home runs. It was the kind of power show that carried the Orioles to the American League pennant in 1966.

Brooks tagged his seventh of the year—a two-run shot in the fourth. Powell hit No. 12 and Frank followed with No. 4 for two more runs in the sixth.

Elston Howard's two-run homer was the only damaging blow off Dave McNally, who finished with a six-hitter.

Washington scored eight runs in the first two innings and Camilo Pascual coasted past Cleveland on a four-hitter.

Catcher Jim French, recalled earlier Wednesday from the minors, drove in two first inning runs with a single and Bernie Allen's two-run triple keyed a six-run Senator uprising in the second.

Pascual, who won his seventh, owns Washington's only two victories in the last 13 games.

Lawrenceville Wins First In South Side

Lawrenceville won its first game in eight starts in the junior division of the South Side Athletic Club league last night with a 7-6 win over Hookstown.

Paul Amos was the winner and collected two hits. Steve Toms had a triple and single. Mark Searight had a homer and single and R. Wright two hits for the losers. K. Waxler was the losing pitcher.

Nicklaus, Casper Absent

Trevino, Palmer Favored As Cleveland Open Starts

CLEVELAND (AP) — Slump-ridden Arnold Palmer and U.S. Open king Lee Trevino head the cast of 44 pros who teed off today in the first round of the $110,000 Cleveland Open Golf Tournament.

The sixth annual event, with the top prize of $22,000 awaiting the winner, was without some of the game's glamour boys.

Leading money-winner Bifly Casper, Masters' champion Bob Goalby, former PGA titlist Bobby Nichols and Columbus belter Jack Nicklaus were absent.

But in addition to Palmer and Trevino, the pro circuit's newest sensation, the field included 41 of the top 50 money-winners and 15 victors of the tour's 20 tournaments.

Palmer, always a favorite here since he captured the first Cleveland Open in 1963, has only one tournament victory to show for the year.

The game's all-time leading money-winner toured the par 71, 6,742-yard Lakewood Country Club course Wednesday with a fine four-under 67 in the pro-amateur but complained he still wasn't playing well.

"It hasn't been any one part of my game that is giving me trouble so it's hard to concentrate on hat I'm doing wrong," Palmer said.

Trevino, complaining about the steady rain that drenched most of the players, said he played well after a week's layoff. He shot a 69.

"I'm as ready as I'll ever be," the popular Mexican-American noted.

1968 Grid Season Kicks Off Tomorrow

ATLANTA (AP) — Last fall's college football standouts battle Friday night in the eighth annual Coaches All-America game which either kicks off the 1968 season or wraps up the 1967 campaign.

The nationally televised duel matches quarterback Gary Beban of UCLA, the heralded Heisman Trophy winner, against Greg Landry of Massachusetts.

Beban, who has been erratic in practice, will direct the West while Landry will quarterback the East.

West Coach Dee Andros of Oregon and East Coach John Pont of Indiana both have predicted an explosive game, although last year's scrap ended in a 12-9 conquest for the East.

This year's game may be another low-scoring show, with both teams boasting top defensive players.

The East's defense will be led by tackle Kevin Hardy of Notre Dame, tackle Claude Humphrey of Tennessee A&I, linebacker D. D. Lewis of Mississippi State and halfback Frank Loria of Virginia Tech.

Heading up the West's defense will be tackle Wayne Meyland of Nebraska, guard Granville Liggins of Oklahoma, linebacker Fred Carr of Texas El Paso and halfback Dick Anderson of Colorado.

The West, which trails in the series 4-3, has some offensive standouts including pass-catching whiz Rick Eber of Tulsa, explosive halfback Max Anderson of Arizona State and long-range kicker Jerry De Poyster of Wyoming.

Andros admitted, however, that he doesn't have a block-busting runner with the power of the East's Larry Csonka, 235-pound Syracuse fullback.

"Csonka is all everybody said he was," said Pont, who also can call on Tennessee halfback Walter Chadwick and Tulane's Bobby Duhon for running assignments.

Both Pont and Andros indicated they would give all 30 members of each squad a chance to play, because temperatures probably will be in the low 80s.

Kickoff is set for 8:30 p.m., with ABC televising the game.

1st National Still Unbeaten In Minor Play

First National remained unbeaten in minor league play last night by outslugging TS&T 11-9.

Pusateri's edged Rogers' 2-1 in the other contest.

Mike Yanni had a triple and two singles to lead First National. Ken Morris added a double and single and Andy Calhoun two singles. Jim Davis was the winner and Eckstein the loser. Glen Lockhart had a triple and single.

1ST NATIONAL	013 601—11 10
TS&T	103 230— 9 4

D. Bickel of Pusateri's outdueled S. Sinclair of Rogers', allowing only three hits and fanning 13. Sinclair whiffed 8. Bickel and M. Petkovich doubled and D. Boley had two singles for the winners. J. Anderson had a double and single for the losers.

Post 374 Rained Out At Weirton

American Legion Post 374 led Weirton 3-1 after two innings in an Ohio Valley Athletic Conference game last night at Weirton when the contest was rained out.

Bill Montgomery was on the mound for the locals.

The legion team will continue action tonight and tomorrow by playing Columbiana County League foes Salem and Columbiana at Midland. Saturday Post 374 goes to Tiltonsville and Sunday Bridgeport shows at the Colt Field for an exhibition contest.

Vernon Dell Wins In Little League

Vernon Dell beat Golden Star 3-0 in a rain - shortened Little League game last night.

Jake Nicholson was the winner, fanning 8 in five innings, and allowing only a single by Tom Piatt. Bill Henderson had a double and single and Dave Rinehart two singles for Vernon Dell.

Shug Jordan Recovering From Cancer

AUBURN, Ala. (AP)—Auburn football Coach Ralph "Shug" Jordan is expected to make a complete recovery from cancer.

A medical bulletin released through the Auburn Athletic Department Wednesday reported Jordan, 57, was diagnosed to have cancer "in its early stages."

Jordan underwent exploratory surgery Monday at St. Francis Hospital in Columbus, Ga. He is scheduled to be discharged today.

The bulletin did not state the location of the cancer but at the time he entered the hospital, the Alabama Journal reported Jordan would undergo surgery for a prostate ailment.

HEAR ABOUT THE MAN WHO PAID $125 for a wash job on his car? He broke off a fire plug. The judge gave him the $125 bill!

DRINK AND KILL. Of more than 1000 drivers who killed someone while driving under the influence of alcohol in a current study, only one fourth were convicted of drunk driving and less than 5% of those went to jail. It's past time to smash down hard on criminal drinking drivers! If you drink, don't be CAUGHT DEAD driving!

LOOKING FOR A PARTICULAR CAR, like a 1965 DODGE, or a '66-'67 Chevy or a 1927 Bugatti? We don't have a Bugatti, but we can make a good try at finding the other two. Let us know what car you want and we'll help you find it. We sell lots of used cars! Stop by today at M & A MOTORS, Wellsville and East Liverpool.

OF THE 52,000 PERSONS KILLED IN traffic accidents last year in the U.S. safety experts say that 10,000 of those could have been saved if they had been wearing seat belts. Buckle up before you drive. You BET YOUR LIFE if you don't!

WE TAKE CARS FOR GRANTED HERE, but do you realize that the U.S. has half of the world's total highway vehicles? True. We have over 94,000,000 of them, and there are only 189,000,000 in the whole world!

BE CAREFUL OF MISLEADING ADVERTISING such as a car displayed on TV as a "special", but you find it's gone when you reach the dealership. This car was probably whole-saled several days before it was advertised. Watch for "below invoice price" deals. These often are cars from which standard equipment has been removed.

Eckert Recommends NL Adopt 2-Division Play

NEW YORK (AP) — Baseball's executive council, heeding Commissioner William D. Eckert's call for a "united front," has recommended uniform scheduling and division play next year when the major leagues expand to 12 teams apiece.

Following a meeting in New York Wednesday, the five-man executive council, headed by the commissioner, unanimously recommended that the National League adopt a two-division setup and the American League retain the present 162-game schedule.

The two leagues will act on the recommendations in Houston July 10, the day after the All-Star Game in the Astrodome.

The American League has announced it will go to two divisions of six teams each and will cut its schedule to 156 games followed by a playoff between division champions, with the winner advancing to the World Series.

Last month, the National League granted 1969 franchises to Montreal and San Diego, then later announced it would stay with one division and a 162-game schedule.

"I have always advocated that the two leagues move forward jointly and present a united front with the common aim —what is best for the baseball public," Eckert said in calling for an end to inter-league differences over expansion.

Fears had been expressed that the excitement created by an American League pennant playoff between division champs would detract from the prestige of a National League pennant race in September.

Unanimous approval of the National League club owners is necessary for a switch to two divisions.

Under the American League's divisional split Kansas City and Seattle, the new clubs, will play in the Western Division along with Chicago, Minnesota, California and Oakland. Boston, New York, Washington, Baltimore, Cleveland and Detroit will be in the Eastern Division.

Sports Quiz

Here is a sports quiz to test the knowledge of area sports fans.

The quiz will appear in The Review every Thursday, along with the answers to the preceeding week's quiz and the names of the people who got the most questions right.

The questions are not meant to be easy, and pertain in many cases to what is sometimes called "sports trivia." Please do not phone the Review with answers or questions about the quiz. Answer may be mailed in or dropped off at the Review before noon on Wednesdays.

Jack Vodrey of Park Blvd. returned to his winning ways this week, getting six questions right. He did not know that the only tripleheader in major league history was in 1903, with the Pirates taking the Dodgers three times; that Fred Clarke of the Pirates in 1906 stole home without knowing it (the count was 3-1 on the batter with the bases loaded and everyone thought the pitch was ball four, but the umpire, on a delayed call, called it a strike after Clarke had strolled home with a "steal"); that on July 10, 1929 the Pirates and Phillies combined for one homer every inning; and that Mike Grady in 1895 was charged with four errors on one batted ball.

Vodrey knew Goose Goslin as the person to ground into four doubleplays in a game in 1934, knew Carl Weilman fanned six times in a game in 1913 (the record has since been tied by Don Hoak), knew that all nine Cleveland batters got a hit and scored a run in the fifth inning on June 9, 1968, knew "Satchel" Page was the oldest player ever to appear in a major league game (59, with Kansas City in 1965), knew W. D. Gray of the Senators walked eight batters in an inning and knew J. H. Burnett had nine hits in an 18-inning game in 1932.

This week's questions:
1. Who competes, in what sport for the Curtis Cup?
2. The Rider Cup?
3. The Wightman Cup?
4. The Calder Cup?
5. The Lambert Cup?
6. The Canada Cup?
7. The World Cup?
8. Pimm's Cup?
9. The Semple Cup?
10. The Prince of Wales Trophy?

Ryun Gets Special Deal In Qualifying

LOS ANGELES (AP) — Sixteen American athletes with either injuries or illness too severe to permit them to compete this weekend in the U.S. Olympic trials will get another chance to make the team.

World mile recordholder Jim Ryun and world long jump recordholder Ralph Boston are among those who will be allowed to compete at South Lake Tahoe during the training week of Sept. 9-17. The action came as no surprise.

A subcommittee of U.S. track and field officials voted Wednesday on petitions submitted by athletes.

Ryun contracted a mild case of mononucleosis last month and has since been recuperating in Arizona.

Boston told the group he might be able to compete at the Los Angeles Coliseum this Saturday and Sunday in the trials but was granted permission to miss if he isn't up to it. He is a two-time Olympian.

Other name trackmen who got free passes for the meet are high hurdlers Richmond Flowers and Willie Davenport, middle distance runners Preston Davis, Jere Van Dyke and Ron Kutschinski and world pole vault recordholder Paul Wilson. Also allowed to miss this weekend's festivities are former Olympic champion Billy Mills, distance runner Ken Moore, triple jumper Aaron Hopkins, sprinters Willie Turner and Oliver Ford, shot putter Neal Steinhauer, walker Larry Walker and decathlon ace Dave Thoreson.

Patsy Burns Leads EPCC Lady Golfers

The East Palestine Country Club Ladies Golf League held its guest day Tuesday and Patsy Burns, chairman of the event, had the low gross score for members, a 44.

Jane Berrisford had low net with a 35, Ann McCarthy took only 13 putts, Helen Morris had the longest putt on number four and also won the door prize, Rose Castellogini had the longest drive on number nine and Katy Van Fossen was closest to the pin on number two.

For guests, Ruth Gurney was closest to the pin on number two, Edna Hirt had the longest drive on number nine, Ruth Armstrong had a chip-in, Jane White had 14 putts, Ann Palisian had low net with 34 and 50.

Mrs. Sullivan led the top best ball of four team, which had a 27. Others were Thelma Van Fossen, Anita Mentz and Margaret Reesh. The low gross foursome was Lorna Nash, Ruth Holliman, Mary Holleballugh and Ruth Vastine, with a 222.

Florence Hartford and Sherril Jones were the luncheon committee.

Truckers Win 21-1 In Softball

LISBON — Albco Foundry edged Lisbon Merchants 8-7 in softball league action Wednesday night at Pine Tree Inn Field.

Unbeaten Toot Trucking (11-0) romped over Tangerine Lounge of Salineville 21-1. The Tangerines took a 7-0 forfeit from Salem Security Service Tuesday evening.

Bob Huffman had three hits in four at-bats last night to lead the Foundrymen to their second victory. Gibby Cannon was the winning pitcher. Walt Schmidt, who pitched for the Merchants, was 3-for-3 at bat and Jerry Bush homered for the losers.

Jerry Bryson pitched for the Truckers, whose hitting attack was led by Don Kendrick with two homers among his 4-for-5. Jack Smith took the loss.

East Liverpool will play Wellsville Merchants at 5:45 p.m. today at Pine Tree and Salem Security Serevice will meet Wellsville Appliance at 7:15

Peggy Conley Leads Curtis Qualifying

WALTON HEATH, England (AP) — Let the wind blow and the rains come, Peggy Conley loves it.

"I do, I really do like what others call bad weather," said the 21-year-old Spokane, Wash. student whose 77 Wednesday led qualifiers for the 1968 British Women's Golf Championship.

"We see a lot of weather where I come from," she said.

Indeed, the rain and wind which turned Walton Heath's 6,242-yard par 75 course into a fickle enemy failed to daunt either Peggy or her six colleagues on the American Curtis Cup team.

Thom McAn makes Instant Antiques!

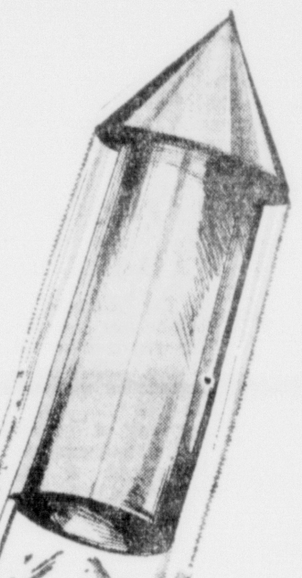

$10.99

How do we do it?

We take shellitan, golden brown and beefy.
And rub it by hand to make it even more supple.
Stain it 'til it gets antiqued.
Brush it to a special finish.
(A finish that has the depth of expensive, hand rubbed wood.)
Mold it into a moc slip-on.
Give it the handsewn treatment.
And we polish it off.

The bronze look and deep dark texture of costly wood. Thom McAn's GUNSTOCK. A new old-looking way to pamper your feet. And all this luxury is at a practical price.

Halfday Of Freedom Marks 2nd Jailbreak

NEWARK, Ohio (AP) — The second jail break in two weeks for Richard Osborn, 24, of Newark resulted in only a halfday of freedom. He turned himself in to authorities here Wednesday afternoon.

Osborn, scheduled to go on trial Wednesday for forgery, was missing from his cell at the Licking County jail when guards checked it Wednesday morning. He had pried a screen off the door sometime after midnight.

Ossborn escaped from the jail June 15 only to be arrested the next day in Columbus.

TV Highlights

TONIGHT

8:30, WQED, Ballet: The Pennsylvania Ballet performs.

9, KDKA, WSTV, Movie: "Where the Spies Are," a somewhat cynical film about a mild-mannered country doctor who unwillingly becomes a secret agent and uncovers an assassination plot.

10, WTAE, Time For Americans: "Bias and the Media," an examination of racism in America. The topic centers on two major areas — job discrimination within the communications industry and the distorted image of the Negro presented by the press, radio and TV.

10, WJAC, WTRF, WIIC, Golddiggers: Joey Heatherton and Frank Sinatra Jr. headline the foray into songs and sketches of the 30s.

Man Is Jailed In Sales Case

LISBON — Mathew Carroll, 44, of Fayetteville, Ark., is being held in the County Jail here in lieu of $1,000 bond for arraignment in Southwest Court on a malicious entry charge.

Chief of Police Leon T. Zahrndt of Lisbon filed the affidavit Wednesday afternoon, charging Carroll with taking a set of golf clubs and a cart Tuesday afternoon from an enclosed porch at the Kenneth Morris residence, 816 N. Market St.

The chief said Carroll "hocked" the bag and clubs with Don Coleman, service station operator, for $8, then reclaimed them in a short while to sell to Eddie Ward, insuranceman, for $16.

Carroll had only $2 or $3 on him when Deputy Sheriff Howard Gray apprehended him Wednesday morning on the Square. Mrs. Morris, who works at the County Jail, had mentioned the theft of the golf equipment at work yesterday. Sheriff's deputies had questioned Carroll Tuesday when the Salem Golf Club reported he was attempting to sell equipment there, but had released him when everything appeared all right. That was before the sheriff's office heard about the theft.

Gray was on his way to talk with Zahrndt when he saw Carroll standing on the street. Mrs. Morris identified the equipment. Elvin Davis identified Carroll as the man who tried to sell him the golf clubs about 1 a.m. Wednesday at Haught's Tavern.

Carroll said he sold the clubs for a young companion — whose name he did not know — who had picked him up while hitching a couple of days ago. Police have the license number of the youth's car, but have been unable to locate him.

The chief said he is continuing his investigation of a dozen or more local youths in connection with burglaries, thefts and vandalism. No charges have been filed.

Janitors at David Anderson High School said someone broke into the school Wednesday night, but nothing is missing. A hammer and putty knife were found at the front door.

Police suspect Carroll's companion in connection with the theft of a purse Tuesday night at Bill's Laundry and a break-in Wednesday night at Jack Taylor's service station on Jackson St.

Friday Meeting Set By Historical Group

LISBON — The Columbiana County Historical Association will meet at Gaston's Mill in Beaver Creek State Park Friday at 8 p. m.

John C. Simonds of Leetonia, president, said the meeting will be a combination of the June social and the July business session.

Trio Linked To Robbery

The Jefferson County sheriff's office has issued warrants for the return of two Weirton youths and a Colliers (W. Va.) man in connection with an armed robbery of a nightclub in the southern part of the county.

The warrants are for Olin Gorby, 18, of Colliers, and Charles Clark Jr., 18, and a juvenile, 17, both of Weirton. All three are being held by Washington, Pa., police on an attempted burglary charge.

The three became suspects following the arrest of Claude Thompson, 23, of Adena; after an intensive 10-day investigation of the robbery of the Glen Robbins Fire House Club June 16.

Larry Buck, bartender at the time of the holdup, said two men, wearing stockings over their faces, came into the bar carrying a 12-gauge shotgun and demanded he give them all the money.

Buck said he handed over $20 and some change. The two men then rushed out and entered a waiting 1961 Rambler. The car headed toward Belmont County, Buck said.

The customers in the bar were not molested, deputies pointed out.

Thompson was traced through the efforts of Deputy Adolph Oleksiak, who learned a shotgun, similar to the one used by the bandits, had recently been pawned.

2 Begin Their Terms In Ohio Reformatory

LISBON — Sheriff Russell J. Van Fossan and Deputy Richard Koffel took two youths to the Ohio State Reformatory this morning to begin serving sentences of 1 to 15 years.

The prisoners are Charles Lee Fulton, 20, of Mount Vernon RD 5, convicted of burglary March 8 at Ivan's Exchange in Salem, and Thomas F. Phillips, 19, of Columbiana, who pleaded guilty to burglaries April 19 at Blosco's Bargain Center in East Palestine and April 23 at the David White residence, New Waterford RD 1.

How Can I?

By ANNE ASHLEY

Q.—How can I test for the hardness or softness of water for laundering?

A.—By adding ¼ - teaspoon of powdered soap to a pint of warm water in a quart jar, and shaking this. If no suds form, or if the suds do not remain firm, your water is hard.

Q.—How can I prevent the bark surface on rustic furniture from peeling off?

A.—By giving it a coat or two of spar varnish.

Q.—How can I remedy sticking piano keys?

A—Try raising the heat and lowering the humidity in the room for several days. Work the keys up and down and sideways. If the stickiness doesn't disappear, best to call in a piano tuner.

$2,696 OK'd As Budget In Junior Fair

LISBON — The Columbiana County Fair directors adopted a $2,696 budget for the Junior Fair at their meeting Wednesday night on the grounds.

The figure is $100 more than last year. Ben Weingart of Leetonia, president, was in charge.

Wayne Boyd of Wellsville RD 1, representing the junior board, attended to offer the youths' help in painting and getting the grounds ready for the 123rd annual exposition Aug. 21-25.

Directors decided to use military drill teams this year, instead of twirling units, between numbers of the Sunday afternoon band concert.

A majorettes' group sponsored by the Lisbon Volunteer Fire Department was given permission to use the grounds for practice this summer.

Tom Mollenkopf, summer 4-H assistant, attended on behalf of the County Saddle Horse Club. The group will hold its "selection day" in horse and pony divisions July 21 on the grounds.

New high - quality stainless steel tanks 18 feet by 15 feet have been ordered by Calvert of Canada Ltd. for its new distillery at Gimli, Manitoba. Each tank has a capacity of 12,500 imperial gallons (15,625 U. S. gallons).

A nickel - plated formula racing car, the Brabham Vegantune Formula B, was exhibited at the 1968 New York International Auto Show. The entire chassis, most of the suspension and many parts of the engine are nickel-chrome plated.

Halfday Of Freedom Marks 2nd Jailbreak

NEWARK, Ohio (AP) — The second jail break in two weeks for Richard Osborn, 24, of Newark resulted in only a halfday of freedom. He turned himself in to authorities here Wednesday afternoon.

Osborn, scheduled to go on trial Wednesday for forgery, was missing from his cell at the Licking County jail when guards checked it Wednesday morning. He had pried a screen off the door sometime after midnight.

Ossborn escaped from the jail June 15 only to be arrested the next day in Columbus.

The vitamin content of an egg varies with the season. For example, an egg has more than twice as many international units of vitamin A per 100 grams in the summer as in the winter, according to the Encyclopaedia Britannica.

TONIGHT

8:30, WQED, Ballet: The Pennsylvania Ballet performs.

9, KDKA, WSTV, Movie: "Where the Spies Are," a somewhat cynical film about a mild-mannered country doctor who unwillingly becomes a secret agent and uncovers an assassination plot.

10, WTAE, Time For Americans: "Bias and the Media," an examination of racism in America. The topic centers on two major areas — job discrimination within the communications industry and the distorted image of the Negro presented by the press, radio and TV.

10, WJAC, WTRF, WIIC, Golddiggers: Joey Heatherton and Frank Sinatra Jr. headline the foray into songs and sketches of the 30s.

Man Is Jailed In Sales Case

LISBON — Mathew Carroll, 44, of Fayetteville, Ark., is being held in the County Jail here in lieu of $1,000 bond for arraignment in Southwest Court on a malicious entry charge.

Chief of Police Leon T. Zahrndt of Lisbon filed the affidavit Wednesday afternoon, charging Carroll with taking a set of golf clubs and a cart Tuesday afternoon from an enclosed porch at the Kenneth Morris residence, 816 N. Market St.

The chief said Carroll "hocked" the bag and clubs with Don Coleman, service station operator, for $8, then reclaimed them in a short while to sell to Eddie Ward, insuranceman, for $16.

Carroll had only $2 or $3 on him when Deputy Sheriff Howard Gray apprehended him Wednesday morning on the Square. Mrs. Morris, who works at the County Jail, had mentioned the theft of the golf equipment at work yesterday. Sheriff's deputies had questioned Carroll Tuesday when the Salem Golf Club reported he was attempting to sell equipment there, but had released him when everything appeared all right. That was before the sheriff's office heard about the theft.

Gray was on his way to talk with Zahrndt when he saw Carroll standing on the street. Mrs. Morris identified the equipment. Elvin Davis identified Carroll as the man who tried to sell him the golf clubs about 1 a.m. Wednesday at Haught's Tavern.

Carroll said he sold the clubs for a young companion — whose name he did not know — who had picked him up while hitching a couple of days ago. Police have the license number of the youth's car, but have been unable to locate him.

The chief said he is continuing his investigation of a dozen or more local youths in connection with burglaries, thefts and vandalism. No charges have been filed.

Janitors at David Anderson High School said someone broke into the school Wednesday night, but nothing is missing. A hammer and putty knife were found at the front door.

Police suspect Carroll's companion in connection with the theft of a purse Tuesday night at Bill's Laundry and a break-in Wednesday night at Jack Taylor's service station on Jackson St.

Trio Linked To Robbery

The Jefferson County sheriff's office has issued warrants for the return of two Weirton youths and a Colliers (W. Va.) man in connection with an armed robbery of a nightclub in the southern part of the county.

The warrants are for Olin Gorby, 18, of Colliers, and Charles Clark Jr., 18, and a juvenile, 17, both of Weirton. All three are being held by Washington, Pa., police on an attempted burglary charge.

The three became suspects following the arrest of Claude Thompson, 23, of Adena; after an intensive 10-day investigation of the robbery of the Glen Robbins Fire House Club June 16.

Larry Buck, bartender at the time of the holdup, said two men, wearing stockings over their faces, came into the bar carrying a 12-gauge shotgun and demanded he give them all the money.

Buck said he handed over $20 and some change. The two men then rushed out and entered a waiting 1961 Rambler. The car headed toward Belmont County, Buck said.

The customers in the bar were not molested, deputies pointed out.

Thompson was traced through the efforts of Deputy Adolph Oleksiak, who learned a shotgun, similar to the one used by the bandits, had recently been pawned.

2 Begin Their Terms In Ohio Reformatory

LISBON — Sheriff Russell J. Van Fossan and Deputy Richard Koffel took two youths to the Ohio State Reformatory this morning to begin serving sentences of 1 to 15 years.

The prisoners are Charles Lee Fulton, 20, of Mount Vernon RD 5, convicted of burglary March 8 at Ivan's Exchange in Salem, and Thomas F. Phillips, 19, of Columbiana, who pleaded guilty to burglaries April 19 at Blosco's Bargain Center in East Palestine and April 23 at the David White residence, New Waterford RD 1.

How Can I?

By ANNE ASHLEY

Q.—How can I test for the hardness or softness of water for laundering?

A.—By adding ¼ - teaspoon of powdered soap to a pint of warm water in a quart jar, and shaking this. If no suds form, or if the suds do not remain firm, your water is hard.

Q.—How can I prevent the bark surface on rustic furniture from peeling off?

A.—By giving it a coat or two of spar varnish.

Q.—How can I remedy sticking piano keys?

A—Try raising the heat and lowering the humidity in the room for several days. Work the keys up and down and sideways. If the stickiness doesn't disappear, best to call in a piano tuner.

$2,696 OK'd As Budget In Junior Fair

LISBON — The Columbiana County Fair directors adopted a $2,696 budget for the Junior Fair at their meeting Wednesday night on the grounds.

The figure is $100 more than last year. Ben Weingart of Leetonia, president, was in charge.

Wayne Boyd of Wellsville RD 1, representing the junior board, attended to offer the youths' help in painting and getting the grounds ready for the 123rd annual exposition Aug. 21-25.

Directors decided to use military drill teams this year, instead of twirling units, between numbers of the Sunday afternoon band concert.

A majorettes' group sponsored by the Lisbon Volunteer Fire Department was given permission to use the grounds for practice this summer.

Tom Mollenkopf, summer 4-H assistant, attended on behalf of the County Saddle Horse Club. The group will hold its "selection day" in horse and pony divisions July 21 on the grounds.

New high - quality stainless steel tanks 18 feet by 15 feet have been ordered by Calvert of Canada Ltd. for its new distillery at Gimli, Manitoba. Each tank has a capacity of 12,500 imperial gallons (15,625 U. S. gallons).

A nickel - plated formula racing car, the Brabham Vegantune Formula B, was exhibited at the 1968 New York International Auto Show. The entire chassis, most of the suspension and many parts of the engine are nickel-chrome plated.

Such hearing will be held at the office of the Board of Education of Southern Local School District, Salineville Elementary School.

Southern Local School District
H. Joan Dixon, Clerk
E. L. Review: June 27, 1968.

LEGAL NOTICE

Charles Lyons, aka Charlie Lyons and Helen Nagia, whose place of residence is unknown and cannot with reasonable diligence be ascertained and the unknown heirs, executors, administrators, devisees, legatees and assigns of each of them will take notice that on May 3, 1968, the Plaintiff, Vincent C. Judge, County Treasurer of Columbiana County, Ohio, filed his petition against them in the Court of Common Pleas of Columbiana County, Ohio, being Case No. 53071 in said Court, for the enforcement of delinquent tax lien, pursuant to Section 5721.18 of the Revised Code of Ohio, and for the sale of certain real estate in said Petition described, to wit:

Situated in the City of East Liverpool, County of Columbiana and State of Ohio, and known as and being that certain tract of land beginning at a stake on the Southerly line of Pennsylvania Avenue, on the line dividing the land of Alex G. Chafin and W. B. Hill, and running thence with said line South 43° 16' East 137.14 feet to a stake on the North line of C. A. Smith's Street Railway Right of Way; thence with said line South 51° 13' West 37.11 feet to a stake; thence North 43° 16' West 134.24 feet to a stake on the Southerly line of Pennsylvania Avenue; thence with the Southerly line of Pennsylvania Avenue North 46° 44' East 37 feet to the place of beginning.

Also the right - of - way both over and under the land of C. A. Smith's Street Railway to an alley on the South side of the above described tract of land.

The prayer of said Petition is for the sale of said real estate for the payment of taxes, assessments, interest, penalties, charges, and fees as are found due and unpaid. Said Defendants and their unknown heirs, devisees, legatees, administrators, executors and assigns are required to answer said Petition on August 12, 1968, or the prayer of the Petition will be granted.

VINCENT C. JUDGE,
County Treasurer
Columbiana County, Ohio

Today In History

By The Associated Press

Today is Thursday, June 27, the 179th day of 1968. There are 187 days left in the year.

Today's highlight in history:

On this date in 1844, Mormon leaders Joseph and Hyrum Smith were slain by a mob in Carthage, Ill. Brigham Young became head of the church.

On this date—

In 1936, President Franklin D. Roosevelt was nominated for a second term at a Democratic National Convention in Philadelphia.

In 1942, the FBI disclosed the capture of eight Nazi saboteurs who had gone ashore from a submarine on Long Island, N.Y.

In 1950, U.S. air and naval forces were ordered to help repel a North Korean invasion of the Korean Republic.

Ten years ago — A U.S. Air Force transport plane en route from Turkey to Iran lost its way in a storm and was shot down inside the Soviet Union.

Five years ago—Premier Levi Eshkol was organizing a new government in Israel.

One year ago—Pope Paul VI created the permanent rank of deacon in the Roman Catholic Church, reviving a practice of Christianity's early days.

Junior Editors Quiz on ELEPHANT TUSKS

QUESTION: Are the teeth of a human and an elephant's tusks made of the same substance?

★ ★ ★

ANSWER: Like man, nearly all the higher animals have teeth — hard structures in the jaw which enable them to chew food and to do a number of other things as well. Because of the numbers of jobs animal teeth do, such as seizing and killing prey, cutting down trees or grubbing for roots, animal teeth are modified. That is, each species has the kind which will be the most useful. The beaver has very sharp cutting teeth in front with which to gnaw down tree trunks. The elephant likes to grub in the mud to find soft, edible roots; consequently, the two upper cutting teeth of this animal gradually enlarged into huge tusks, which can be 11 feet long. These are modified rather than actual teeth, for the elephant cannot chew with them. Yet they developed from dentine, the same basic substance as human teeth. In the elephant, dentine has been modified to make the beautiful, creamy-white substance ivory, which is wonderful to carve and from which many precious works of art have been made. Real ivory has a delicate grain, which can be seen if a piece of it is cut directly across.

QUESTION: Are the teeth of a human and an elephant's tusks made of the same substance?

★ ★ ★

ANSWER: Like man, nearly all the higher animals have teeth — hard structures in the jaw which enable them to chew food and to do a number of other things as well. Because of the numbers of jobs animal teeth do, such as seizing and killing prey, cutting down trees or grubbing for roots, animal teeth are modified. That is, each species has the kind which will be the most useful. The beaver has very sharp cutting teeth in front with which to gnaw down tree trunks. The elephant likes to grub in the mud to find soft, edible roots; consequently, the two upper cutting teeth of this animal gradually enlarged into huge tusks, which can be 11 feet long. These are modified rather than actual teeth, for the elephant cannot chew with them. Yet they developed from dentine, the same basic substance as human teeth. In the elephant, dentine has been modified to make the beautiful, creamy-white substance ivory, which is wonderful to carve and from which many precious works of art have been made. Real ivory has a delicate grain, which can be seen if a piece of it is cut directly across.

Today In History

By The Associated Press

Today is Thursday, June 27, the 179th day of 1968. There are 187 days left in the year.

Today's highlight in history:

On this date in 1844, Mormon leaders Joseph and Hyrum Smith were slain by a mob in Carthage, Ill. Brigham Young became head of the church.

On this date—

In 1936, President Franklin D. Roosevelt was nominated for a second term at a Democratic National Convention in Philadelphia.

In 1942, the FBI disclosed the capture of eight Nazi saboteurs who had gone ashore from a submarine on Long Island, N.Y.

In 1950, U.S. air and naval forces were ordered to help repel a North Korean invasion of the Korean Republic.

Ten years ago — A U.S. Air Force transport plane en route from Turkey to Iran lost its way in a storm and was shot down inside the Soviet Union.

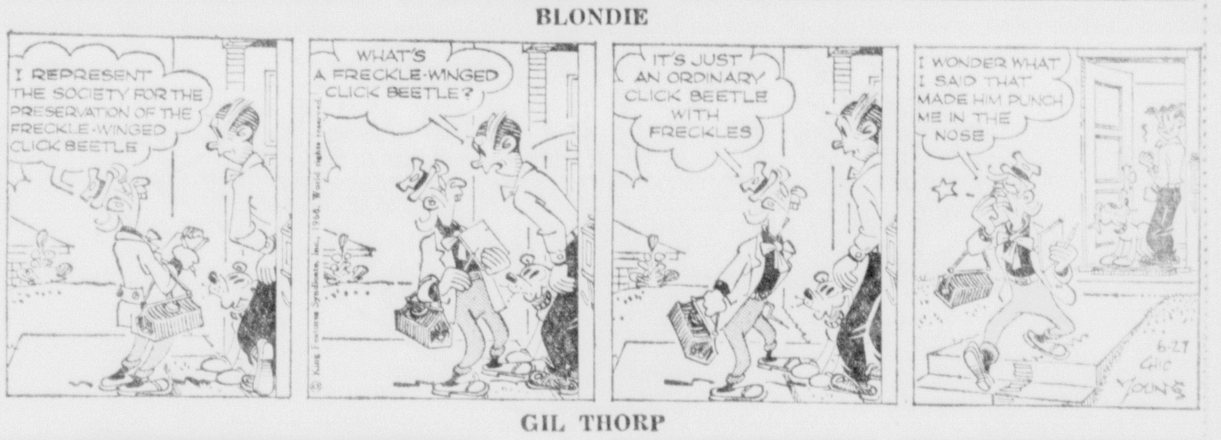

Five years ago—Premier Levi Eshkol was organizing a new government in Israel.

One year ago—Pope Paul VI created the permanent rank of deacon in the Roman Catholic Church, reviving a practice of Christianity's early days.
